Context and Objectives

Context and Objectives

The 311 Call Centre is a service provided by the City of Edmonton that allows citizens access to City of Edmonton information, programs and services 24 hours a day, 365 days a year.

In 2018, the City of Edmonton contracted Leger, The Research Intelligence Group, to conduct a customer satisfaction survey of Edmonton citizens in order to:

- Measure current performance
- Track progress since the previous survey, conducted in 2017
- Identify any areas for service improvement

Methodology

Methodology

Data Collection

- 400 telephone interviews with Edmontonians.
- Interviews were conducted between October 19th and November 21st, 2018.
- In order to reflect the purpose of call proportions achieved by the City of Edmonton 311 service, quotas of 50% with call purpose inquiring about Edmonton transit, and 50% with any other call purpose were achieved.
- A mix of landline (50%) and cell-phone numbers (50%) were used for the survey.
- The margin of error for a sample size of 400 is $\pm 4.9\%$, 19 times out of 20.

Target Respondents

- Edmonton residents, 18 years of age and older who called 311 Call Centre in the past six months.

Note: The term Edmontonians in this report refers to residents of the City of Edmonton who have called 311 within the past six months.
