

About Events

Event Details

*Event details provide all the information about an event.

*If more information about a project or event is available online, a Website link will be provided.

Event Actions

*You can interact with events in several ways:

- Forward an event to friends
- Set up a reminder
- Add an event to your calendar
- Download event information
- Track event changes

The screenshot shows the City of Edmonton website's 'Roads & Traffic Updates' page. At the top, there is a navigation bar with categories like 'Attractions & Recreation', 'Business', 'Bylaws & Licences', 'City Government', 'Environmental', 'For Residents', and 'Transportation'. The 'Transportation' category is selected. Below the navigation bar is a search bar and a calendar for February 2010. The main content area features a sidebar with 'Transportation Services' and 'Roads & Traffic' options. The central focus is the '23 Ave. Interchange Construction' event, which includes details such as the date (Monday, December 14, 2009 – Thursday, September 30, 2010), location (Gateway Blvd. / Calgary Tr at 23 Ave.), and a description of the project. At the bottom of the event details, there are links to 'Add to My Calendar', 'Forward to Friends', and 'Back to Previous View'. On the right side of the page, there are sections for 'Go To Date', 'Keyword Search', 'Impact' (with checkboxes for Major and Minor Delay), 'Area' (with checkboxes for Central, North, and South), and 'Category' (with checkboxes for various event types like Bridge, Construction, etc.).

About Navigating

Searching & Filtering

* Using the search functions while viewing event details will take you back to the event list

Back to Previous View

* Avoid using the back/refresh button on your browser. Using these buttons will reset the page.

* To navigate back to the event list click Back to Previous View.

Links & Bookmarks

* If you would like to link to and event or bookmark an event, use the Permalink.
