Would you like to:

- · Meet new people?
- Develop leadership, teamwork, communication, and life skills?
- · Try new things?
- · Build your resume?
- Learn more about your city?
- · Have fun?

Those are just a few of the benefits of volunteering for the City of Edmonton's events and programs!

We offer:

- · Orientation and training
- Unique learning experiences
- Updates on volunteer opportunities and City activities
- Volunteer recognition

Call: 780-496-4935. Monday to Friday. 9 am to 4:30 pm

Email: rfsvolunteer@edmonton.ca

Website: edmonton.ca/volunteers (click on any facility in 'Attractions Opportunities'.)

Our website includes a volunteer job board for each area and the ability to apply online. Volunteer opportunities will vary throughout the year, so be sure to check back often!

Before becoming a qualified volunteer, you must attend a New Volunteer Orientation. More information about our screening and orientation process will be provided once you apply online.

Each volunteer is asked to contribute a minimum of 20 volunteer hours in a year. These hours can be completed at any City of Edmonton Attraction or Recreation Centre.

Due to the large number of applications we receive, we may not always have placements for every applicant.

Leaders in Training

The Leaders in Training (LIT) program is for youth ages 13-17 interested in leadership skills and gaining valuable experience while having fun with children. It allows youth to give back to the community and earn leadership or volunteer hours for school too!

Registration Opens April 1, 2020 & closes June 8, 2020.

The Leaders in Training, Daycamp and Green Shack Volunteers

Youth can volunteer for two to nine weeks at City of Edmonton attractions, Recreation Centres, River Valley parks, City Arts Centre, Neighbourhood Day Camps and the Green Shack program.

Jr. Naturalist

(Part of the Leaders in Training program)

This program, based out of the John Janzen Nature Centre, is for youth who would like to develop their leadership and communication skills in a natural setting, as well as learn about plants and animals in the River Valley. Jr. Naturalists volunteer for a minimum of two weeks through July and August. This program is part of the Leaders in Training program.

Jr. Urban Farmer (Part of the Leaders in Training program)

This position is for youth who would like to gain experience in animal care. Jr. Urban Farmers help with the care, training, and feeding of domestic animals in the Urban Farm area of the Edmonton Valley Zoo.

For more information on our volunteer programs, visit **edmonton.ca/LIT**

Zoo Safari Ages 4-12

Put on your safari hat — we are heading out on a grand adventure! During this 'zoo-mazing' adventure you will get close to the animals with encounters and an enrichment. Tour the Zoo, meet some critters and have a howlin' safari-style birthday.

Be a Zookeeper Ages 7-12

Zookeepers are always busy! They prepare meals, make toys and treats for animals and do a lot of cleaning. You and your party will find out firsthand what it's like to be a zookeeper. You'll go behind the scenes, meet some animals up close and help out with a zookeeping task that needs to be done that day.

NEW Fantastic Farmers Ages 4-7

Visit a farm in the middle of the city! Explore our Urban Farm and its familiar barnyard animals to celebrate your special day. Meet and touch a variety of animals from the farm, give an animal a special gift, and get hands-on learning experience with what farmers do to collect or use products like milk and wool.

NEW Extreme Animals Ages 4-9

Spend your birthday traveling around the world without ever leaving the zoo. Visit a number of our exciting animals and learn all about what makes them extreme! Maybe their habitat is sizzling hot or soaking wet, or maybe they have an ability that is out of this world! Not to mention you will also give a treat to an animal and have up-close encounters with some of the creatures you'll meet along the way.

Group Programs

Please see page 5 for information regarding booking, group size maximum, supervision requirements, payment and cancellation policies.

All programs are 1.5 hours, unless otherwise indicated. **Program fees include gate admission. We strongly encourage groups to plan time before and/or after their program to enjoy the Zoo for the whole day.**Program fees vary by season:

Animals Around the World Ages 3 & Up

Get closer to animals from around the world! Your group will discover exotic animals, as well as some from closer to home, as you go on a globetrotting tour without ever leaving Edmonton. You will meet some of our animals up close and even get a chance to touch a few, as you learn how the zoo (and you too) can help animals all over the world.

Animal Senses Ages 3 & Up

Stimulate your senses at the Zoo! Discover how animals find food, perceive predators and pick a partner using their five (or more!) senses. Meet some animals with senses very similar to ours and some that are very different. Your group will *look* and *listen* as they tour around part of the Zoo, *feel* some artifacts and live animals, and probably experience some rather unique *smells*.

Northern Safari Tour Ages 3 & Up

Discover some of the animals that call Canada home! An interpreter will guide your group around the Zoo to meet some of our Canadian animals, as well as ones that live in similar habitats around the world. Learn about diverse ecosystems found in the northern parts of the world and how animals adapt to living in them. You'll have a chance to see some awesome animal artifacts and meet some of our smaller northern animals up close.

Fur, Feathers, and Scales Ages 4 & Up

"Get Closer" to the animals at the Edmonton Valley Zoo to see what they have covering their bodies. What can mammals use their fur for? What are bird feathers made of? Do animals covered in scales feel slimy? Students will get a chance to see and feel the difference between fur, feathers, and scales when we tour the zoo, check out some animal artifacts, and even get to touch some live animals.

Night Creatures Ages 5 & Up

How do whiskers help animals scurry around at night? Can owls see in the dark? Students will discover some of the amazing adaptations of the night-loving animals that live in our nocturnal wing. We'll also visit familiar and exotic animals from around the world that are most active at dawn and dusk. Students will learn about the incredible lives of night creatures as we look at bats, owls and more.

Endangered Species Ages 7 & Up

Meet some of the world's most endangered species, and discover ways that you and the Zoo can help protect and preserve endangered animals here and around the globe! We'll examine artifacts that come from endangered species, meet some animals up close and personal, and participate in hands-on activities to help your students understand why so many animals are endangered. As we visit the Zoo's endangered animals, students will learn about our Species Survival Plan and the conservation efforts that the Zoo supports.

Group Programs

Be a Zookeeper Ages 7 & Up

Zookeepers are always busy with making meals, creating enrichments, caring for sick animals and cleaning animal enclosures. Your group will take part in at least one zookeeping activity* that needs to be done that day. Students will find out first-hand what it's like to be a zookeeper as they go behind the scenes, discover what some of our animals eat, and learn more about what enrichments are and why zookeepers provide these to our animals. Your group will also get a chance to meet and touch a few of our smaller animals.

* Activities may include delivering an animal enrichment, cleaning an enclosure, or preparing an animal diet. Specific activities are dependent on animal health and zookeeper availability, so they cannot be guaranteed in advance.

Winter Zoo Ages 5 & Up

Celebrate winter by visiting animals that live in cold, northern habitats around the world. Wolves, snow leopards, takins and Amur tigers all love winter! Kids help deliver a special treat for one of our winter-loving animals. Through animal encounters and artifacts, learn how these animals are able to survive the cold and discover how the zoo provides special care for these animals. Each class will do something different to stimulate the senses and curiosities of these animals at the zoo. This program is only offered from November to March.

A Merry Zoo Christmas Ages 5 & Up

We have made our list and checked it twice, and all the animals have been on their best behaviour! This Christmas season you will have a chance to 'Get Closer' to some of our animals and learn all about Christmas traditions from around the world. You will even have the chance to prepare a gift for an animal to make their holiday wish come true. This program is only offered from November to December.

Zoo Sleepover Ages 5 & Up

This exciting overnight stay at the Zoo will provide your group with an immersive learning experience and a fun night to remember. Check out the animals that are just waking up as an interpreter guides you around the Zoo after hours. The sleepover program includes two 1.5 hour programs of your choice (one in the evening and one in the morning), time for supper and breakfast*, as well as free time for a movie or games. Program can also include an evening campfire (depending on weather conditions). No meals are provided.

At time of booking, please indicate which programs you would like included with your sleepover, as well as whether you would like a campfire.

Please visit **edmonton.ca/valleyzoo** for additional information on sleepover programs, including options to customize your experience.

Price	\$699	* Groups staying later than departure time will be charged an additional \$30/hr or part thereof.	
Time	Friday - Saturday evenings (Sep Jun.)*		Check in: 6 pm Check out: 11 am the following day.
Group Size	30 childre	O children per program.	

- * During the months of May and June, there may be Full Facility Rentals at the Zoo during the evening. Your class will still be able to do all of the activities, but you will not be the only group in the Zoo for part of the evening.
- * No meals are provided.
