The analysis on this website is based on cost information collected primarily between July 2013 and January 2014. Taxes reflect tax rates in effect on January 1, 2014, and also incorporate any announced changes at that time to take effect at specified later dates. Exchange rates and other cost factors will, of course, change over time. Tax rates and other tax-related information are also subject to change as a result of new legislation, judicial decisions, and administrative pronouncements.

All information provided is of a general nature and is not intended to address the circumstances of any particular individual or entity.
