Program Descriptions

Green Shack playground program (ages 6 – 12)

Join in cooperative games, sports, crafts, music, theatre, nature and free play! This program runs every Monday to Friday for 3.5 hours each day at over 190 neighbourhood parks! Children under the age of six are welcome as well, but must be supervised by a parent or guardian at all times. Find a calendar of planned activities on the side of each Green Shack every week. If there's a game kids would like to play, they can just ask the Program Leader! For more information, visit edmonton.ca/greenshacks.

This program visits various Green Shack sites each week of the summer, providing activities in the same place and time as the Green Shack program. The Flying Eagle program allows children and families to learn about the first peoples of this land and Treaty 6. Flying Eagle uses the Medicine Wheel as a guiding principle for program activities. Activities could include storytelling, bead crafts, dream catchers, double ball, lacrosse, bannock making, smudging and sharing circles. A full listing of Flying Eagle programs can be found on page 13.

Did you know the Green Shack Program runs during the school year at select locations around the City?

For details on locations, times and dates visit edmonton.ca/greenshacks.

Pop Up Play program (ages 6 – 12)

For two days each week this variation of a Green Shack program runs 3.5 hour program brings cooperative games,

Program Staff

All summer drop-in programs are led by staff who:

- Ensure participants play safely; parents are responsible for their children at all times and must be available in the event of an emergency.
- Have completed a Security Clearance process, are trained in First Aid and are certified specialists in FUN!
- Are easily identifiable by their coloured t-shirts and name tags.
- May be assisted by a Leaders In Training youth volunteer.

You will see many different summer staff in your Community Programs this summer. Everyone plays a slightly different role. To help you understand who does what, our staff will be wearing different coloured shirts. Please feel free to stop by and chat with any of them!

Children's Program Leaders (Blue T-Shirt)

You'll see them leading games, crafts and other activities at the Green Shack Playground Programs, Pop Up Play programs and Flying Eagle programs. They also lead the registered daycamps at community halls.

Youth Program Leaders and Skate Park Hosts (Orange T-Shirt)

You'll find them at YEGyouth programs and skateboard parks.

Water Play Leaders (Yellow T-Shirt)

You'll see these staff at district Water Play sites. They provide basic supervision to ensure participants stay safe.

Leader In Training Volunteers (Green T-Shirt)

You'll find these amazing youth volunteers gaining new skills and practicing their leadership abilities. See page 15 or **edmonton.ca/leadersintraining** for more information.

Supervisors (Red T-Shirt)

You'll find them working with our program staff to ensure that summer programs meet City of Edmonton standards. Each program is visited by their supervisor at least once a week, so it's likely that you will see them talking with our staff regularly during the summer.

Flying Eagle Program (ages 6-12)

This program visits various Green Shack sites each week of the summer at the same time as Green Shack programs. The Flying Eagle program allows children and families to learn about the first peoples of this land and Treaty 6. The Flying Eagle program uses the medicine wheel as a guiding principle. Activities may include storytelling, bead crafts, dream catchers, double ball, lacrosse, bannock making, smudging and talking circles.

Incorporating Indigenous teachings into community recreation helps to build a relationship of understanding and respect among the program participants. It also encourages

discussions about the history of the land and celebrates the relationship among all Edmontonians today. The Flying Eagle program leader helps create a safe space for these conversations and teachings to be shared.

For the 10th year anniversary of Flying Eagle in 2014, a story book was created in Cree and English. It is available at **edmonton.ca/flyingeagle**.
