FENCING:	L001-100 - 106
PLANTING:	L100-200 - 206 (<i>UTILITY DIMENSIONS</i>)
FEATURES:	L100-300 - 303

Within 72 hours of final paving the contractor will request a post paving inspection by an EPCOR field crew. All post paving inspections will be requested via email to wpostpaving@epcor.com. The email should contain a map showing the paving limits, proposed date and time for the inspection and contact information so the inspection can be coordinated. The EPCOR valve crew, the contractor, and the Roadways Inspector to ensure all valve casings and water chambers are to grade and free of debris.
