

The graphic at the top of the page features a dark background with yellow and white lines representing roadways and arrows. The text 'YELLOWHEAD TRAIL' is prominently displayed in large, bold, yellow letters, with 'FREEWAY CONVERSION PROGRAM' in smaller white letters below it. The word 'Yellowhead' is also written in a stylized yellow script on the right side.

YELLOWHEAD TRAIL

FREEWAY CONVERSION PROGRAM

Construction Bulletin

123 Avenue Construction (156 Street to 142 Street)

May 15, 2020

Project Overview

As part of the Yellowhead Trail Freeway Conversion Program, changes will be made to 123 Avenue between 156 Street and 142 Street. Our contractor, Carmacks Enterprises Ltd., will provide more information to you in their own bulletin.

Construction

The scope of work for this project includes:

- Rehabilitation of 123 Avenue between 156 Street and 142 Street
- Construction of a sidewalk along the north side of 123 Avenue
- Removal and replacement of concrete curb and gutter and curb ramps
- Catch basin and manhole installation and adjustment
- Installation of new streetlights along 123 Avenue
- Addition of dedicated right-turn lanes at the approaches to the 156 Street intersection and intersection modifications to facilitate large truck movements

Schedule

Construction starts the week of May 19, 2020, and is scheduled to be completed in fall 2020.

Traffic Accommodation

To safely accommodate traffic through the construction area, starting **May 19, 2020**, 123 Avenue will be reduced to one direction between 149 Street and 142 Street with traffic being maintained in the westbound direction. The single lane closure will be extended to the length of the project later this summer as the project progresses. Access to businesses and emergency access will be maintained at all times.

If you have special access requirements, such as DATS, please advise the contact listed below.

Bulletins will be circulated in advance of changes to traffic patterns along 123 Avenue.

Be Safe

Please exercise caution and be safe when near our work sites. To protect worker safety, please respect COVID-19 physical distancing requirements and remain at least two metres away from construction crews.
