RE: REVISION of conditionally approved tentative plan of subdivision to create 52 residential lots, two (2) Environmental Reserve lots (in four parts), one (1) Municipal Reserve lot, and three (3) Public Utility lots, from Lot F, Block 1, Plan 142 2586, and Lot A, Block 1, Plan 132 2811, located north of 28 Avenue SW, and west of 141 Street SW; **HAYS RIDGE**

This subdivision was originally approved by the Subdivision Authority on September 14, 2023. This Change Request reduces the single detached residential lot count by 8 while increasing the semi-detached lot count by 12. This results in 4 additional residential lots within Phase 1.

I The Subdivision by Plan is APPROVED on January 11, 2024, subject to the following conditions:

1. that the owner dedicate Environmental Reserve (ER) in the amount of 0.08 ha, pursuant to Section 664(1.1) of the Municipal Government Act as shown on the "Conditions of Approval" map, Enclosure I;
2. that the owner dedicate Non-Credit Municipal Reserve (MR) as a 0.11 ha lot pursuant to Section 666 of the Municipal Government Act as shown on the "Conditions of Approval" map, Enclosure I;
3. that the owner enter into a Servicing Agreement with the City of Edmonton pursuant to Section 655 of the Municipal Government Act;
4. that the owner prepare the necessary plans and documentation to grant new or carry forward existing easements and restrictive covenants in favour of the City of Edmonton, EPCOR Distribution & Transmission Inc., EPCOR Water Services Inc., and EPCOR Drainage Services, as required by the aforementioned agencies or shown on the engineering drawings that are deemed to be part of the Servicing Agreement;
5. that the owner be permitted to register this plan of subdivision in phases in sequential order, as shown on the "Conditions of Approval" map, Enclosure I;
6. that the approved subdivision LDA17-0129 be registered prior to or concurrent with this application, to provide logical roadway extension and utility connections;

7. that the owner register an easement for public access, for the shared use path along the top of bank, as shown on the "Conditions of Approval" map, Enclosure I. The City shall be a party to the easement;
8. that the owner register a public access easement or dedicate road right of way within Lot F, Block 1, Plan 1422586 to facilitate construction of a 3 m shared use path within the golf course area, as shown on the "Conditions of Approval" map, Enclosure I, to provide connection from the Public Utility corridor to the future golf cart path and LDA17-0129 shared use path and zebra crosswalk. The City of Edmonton will be a party to this easement, and the easement must stipulate that the owners may not discharge the easement without the express written consent of the City of Edmonton. The City's Law Branch will prepare the easement document(s). The owner must contact Matthew Bennett of the Law Branch (matthew.bennett2@edmonton.ca) to obtain a fillable form of the draft easement document;
9. that the owner register a Top of Bank restrictive covenant in favour of the City of Edmonton against the lots backing onto the Top of Bank, as shown on the "Conditions of Approval" map, Enclosure I; and
10. that the owner pay all outstanding property taxes prior to the endorsement of the plan of survey.

II The Servicing Agreement required in Clause I (3) shall contain, among other things, the following conditions:

1. that the owner pay all servicing costs, assessments, roadway modification costs (including but not limited to sidewalk, shared use path and/or transit infrastructure), construction costs and inspection costs required by this subdivision;
2. that the owner pay all costs specified in the Servicing Agreement prior to endorsement of the plan of survey;
3. that the owner pay the Drainage Assessments applicable to this subdivision;
4. that the owner pay the Arterial Roadway Assessments applicable to this subdivision;
5. that the owner submits an Erosion and Sediment Control (ESC) Plan specific for this development and for implementation during and after construction in accordance with the City of Edmonton ESC Guidelines and Field Manual;
6. that the owner submits detailed engineering drawings and technical studies in accordance with the City of Edmonton Design and Construction Standards and to the satisfaction of the City Departments and affected utility agencies;
7. that the owner construct all roadways and alleys to an approved Complete Streets design and cross-section. The Complete Streets design and cross-section details for the roadways will be determined through the engineering drawing review and approval process, and as a result, may require adjustments to the road right-of-way;
8. that the owner agree and acknowledge that they shall not convey, sell or transfer, nor apply for a Development Permit, for the 5 restricted lots until such time that the Temporary Public Access

Easement for the Temporary Roadway and Transit Turnaround is no longer required and has been removed, to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map, Enclosure I;

9. that the owner construct the collector roadway, Hays Ridge Boulevard SW, to the satisfaction of Subdivision and Development Coordination. The Complete Streets design and cross-section details for the collector roadway will be reviewed and finalized through the engineering drawing review and approval process;
10. that the owner construct a 3 m asphalt shared use path, within Hays Ridge Boulevard SW, with connections to adjacent paths, to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map, Enclosure I;
11. that the owner construct a 3 m hard-surface shared use path, within the public utility corridor, including "Shared Use" signage, lighting, bollards and landscaping, and with connections to the curb ramps and zebra crosswalk conditioned with LDA17-0129, as shown on the "Conditions of Approval" maps, Enclosures I and II. Details of the connection will be reviewed and finalized through the engineering drawings review and approval process;
12. that the owner construct a 3 m asphalt shared use path within the top-of-bank setback area including "Shared Use" signage and landscaping, to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map, Enclosure I;
13. that the owner construct 1.8 m concrete sidewalks with lighting and bollards within the walkways, with connections to adjacent paths, to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map, Enclosure I;
14. the owner shall pay for the installation of a Rectangular Rapid Flashing Beacon (RRFB) at the intersection of 28 Avenue SW and Altalink Corridor, as shown on the "Conditions of Approval" map, Enclosure II, to provide a safe pedestrian network through the arterial roadway 28 Avenue SW. The City of Edmonton shall complete the signal design, and one of the City's electrical services contractors must install the traffic control device as per the agreement between the City of Edmonton and the electrical services contractors. The timing of the traffic control device installation will be at the direction of City Operations.
15. that the owner construct a temporary 6 m gravel surface roadway connection, to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map, Enclosure I. This roadway will be required prior to Construction Completion Certificate (CCC) for roads (or when required by Subdivision and Development Coordination), and will also serve as a temporary emergency access roadway;
16. that the owner construct a temporary offset 17 m radius transit turnaround including temporary lighting (when required by ETS), to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map, Enclosure I. This turnaround will require a paved surface prior to Construction Completion Certificate (CCC) for roads (or when required by Subdivision and Development Coordination);
17. that the owner construct all fences wholly on privately-owned land and the non-credit Municipal Reserve lot, to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map, Enclosure I; and

18. that the owner is responsible for the landscape design and construction within the Public Utility lots, the Reserve lots, road right of way, and walkways to the satisfaction of City Departments and affected utility agencies.

Enclosures I and II are maps of the subdivision identifying major conditions of this approval.

MR for Lot A, Block 1, Plan 132 2811 was addressed by Deferred Reserve Caveat (DRC) with LDA13-0509. The Deferred Reserve Caveat (DRC) will be adjusted to account for the 0.005 ha and 0.007 ha ER dedication. The remainder of the DRC will carry forward on the title.

MR for Lot F, Block 1, Plan 142 2586 was addressed by Deferred Reserve Dedication Agreement (132 197 377) with LDA12-0143. The 0.055 ha and 0.011 ha ER lots are lands contemplated in the agreement.

Please be advised that the approval is valid for one (1) year from the date on which the subdivision approval is given to the application. An extension beyond that time may be granted by the City of Edmonton.

Please be advised that an appeal may be lodged in accordance to Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, 10019 - 103 Avenue NW, Edmonton Alberta, T5J 0G9, within 14 days from the date of the receipt of this decision. The date of receipt of the decision is deemed to be seven (7) days from the date the decision is mailed.

If you have further questions, please contact subdivisions@edmonton.ca.

RE: Tentative plan of subdivision to create separate titles for a semi-detached dwelling from Lot 56, Block 4, Plan 6338 MC, located south of 136 Avenue NW and east of 70 Street NW; **DELWOOD**

The Subdivision by Plan is APPROVED on January 11, 2024, subject to the following conditions:

1. that the owner make satisfactory arrangements with EPCOR Water Services Inc. and EPCOR Drainage Services for the provision of separate water and sanitary sewer services to the proposed southern lot, and the provision of separate storm sewer service to the proposed northern lot;
2. that the final plan of survey shall conform to the attached revised tentative plan; and
3. that the owner pay all outstanding property taxes prior to the endorsement of the plan of survey.

Enclosure I is an attachment of the major advisements throughout the subdivision process. Enclosure II is a map of the subdivision and identifies major conditions and advisements of this approval.

Please be advised that the approval is valid for one (1) year from the date on which the subdivision approval is given to the application. An extension beyond that time may be granted by the City of Edmonton.

Please be advised that an appeal may be lodged in accordance to Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, 10019 - 103 Avenue NW, Edmonton Alberta, T5J 0G9, within 14 days from the date of the receipt of this decision. The date of receipt of the decision is deemed to be seven (7) days from the date the decision is mailed.

The Subdivision Authority did not receive comments from adjacent landowners. The application complies with the regulations set out in the Edmonton Zoning Bylaw, the land is serviceable, and the proposal advances a more compact urban form. The Subdivision Authority is of the opinion, after considering factors set out in Section 9 of the Matters Related to Subdivision and Development Regulation, that the land is suitable for the purpose for which the subdivision is intended.

If you have further questions, please contact subdivisions@edmonton.ca.

Regards,

Blair McDowell
Subdivision Authority

Enclosures

Please be advised of the following:

Next Steps for Subdivision Approval

- The next step in the subdivision process is to have a legal instrument prepared (ie. Plan of Survey) in order to register the approved subdivision. The legal instrument is then forwarded to the City for endorsement along with the endorsement fee (\$715.00 - 2024 Fees Schedule) and subsequently released to the applicant for registration at the Land Titles Office.

Transportation

- There are existing boulevard trees adjacent to the site that must be protected during construction. For information about tree protection please refer to the City of Edmonton's website (search "Trees and Construction").
- Any and all costs associated with tree work requests (removal, pruning or other) and/or remediation from damages are borne on to the proponent as per the Corporate Tree Management Policy (C456C). All work is to be carried out by Urban Forestry who can be contacted at citytrees@edmonton.ca. Removal of City of Edmonton trees must follow the Live Tree Removal Guidelines which include community notice and value compensation.
- Access for future development must be to the adjacent alley in conformance with the Zoning Bylaw #20001.
- There is an existing access to 136 Street NW. Upon redevelopment of proposed Lot 56, the existing residential access to 136 Street NW must be removed. The owner/applicant will be required to obtain a Permit to remove the access, available from Development Services. Apply online at www.edmonton.ca/permits.

Building / Site

- The owner shall ensure that any change in property boundaries does not cause any structures on site to become non-compliant with the Safety Codes Act and the Alberta Building Code. Permits may be required for such changes. Please contact 311 for more information.

Servicing

- The owner is required to make satisfactory arrangements for, and pay all costs associated with separate servicing to each lot, as well as the modification, relocation and/or removal of existing services. For further information, please contact: EPCOR Distribution & Transmission Inc. (780-412-4000), TELUS Communications (Edmonton) Inc. (Real Estate Division [Rights of Way] 780-508-2456), ATCO Gas (780-424-5222), and EPCOR Drainage Services (Water and Sewer Servicing 780-496-5444).
- The existing services (water and sanitary) enter the proposed subdivision approximately 8.53 m south of the north property line of Lot 56 off the lane. The existing storm service enters the proposed subdivision approximately 9.45 m south of the north property line of Lot 56, off 70 Street NW. As per the EPCOR Drainage Services Bylaw and the EPCOR Water Services and Wastewater Treatment Bylaw, these services cannot cross the proposed property line.
- There is a deficiency in on-street hydrant spacing adjacent to the property. The applicant/owner is advised to review on-site fire protection requirements to ensure adequate coverage (contact EPCOR Water at 780-412-3955).

- If power service crosses the proposed property line the owner may be required to provide a blanket easement in favour of EPCOR Distribution & Transmission Inc. If required, said easement shall be registered prior to or concurrent with the final plan of survey (contact EPCOR Land Administration Group at 780-412-3252).

RE: Tentative plan of subdivision to create separate titles for a semi-detached dwelling from Lot 13, Block 10, Plan 1324 HW, located south of 73 Avenue NW and east of 113 Street NW; **MCKERNAN**

The Subdivision by Plan is APPROVED on January 11, 2024, subject to the following conditions:

1. that the owner make satisfactory arrangements with EPCOR Water Services Inc. and EPCOR Drainage Services for the provision of separate services (water and sewer) to the proposed west lot; and
2. that the owner pay all outstanding property taxes prior to the endorsement of the plan of survey.

Enclosure I is an attachment of the major advisements throughout the subdivision process. Enclosure II is a map of the subdivision and identifies major conditions and advisements of this approval.

Please be advised that the approval is valid for one (1) year from the date on which the subdivision approval is given to the application. An extension beyond that time may be granted by the City of Edmonton.

Please be advised that the Subdivision Authority will not endorse the plan of subdivision or other instrument until the appeal period as prescribed by the Municipal Government Act has lapsed. An appeal may be lodged in accordance to Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, 10019 - 103 Avenue NW, Edmonton Alberta, T5J 0G9, within 14 days from the date of the receipt of this decision. The date of receipt of the decision is deemed to be seven (7) days from the date the decision is mailed.

The Subdivision Authority did not receive comments from adjacent landowners. The application complies with the regulations set out in the Edmonton Zoning Bylaw, the land is serviceable, and the proposal advances a more compact urban form. The Subdivision Authority is of the opinion, after considering factors set out in Section 9 of the Matters Related to Subdivision and Development Regulation, that the land is suitable for the purpose for which the subdivision is intended.

If you have further questions, please contact subdivisions@edmonton.ca.

Regards,

Blair McDowell
Subdivision Authority

BM/ms/Posse #490869414-001

Enclosures

Please be advised of the following:

Next Steps for Subdivision Approval

- The next step in the subdivision process is to have a legal instrument prepared (ie. Plan of Survey) in order to register the approved subdivision. The legal instrument is then forwarded to the City for endorsement along with the endorsement fee (\$715.00 - 2024 Fees Schedule) and subsequently released to the applicant for registration at the Land Titles Office.

Transportation

- There are existing boulevard trees adjacent to the site that must be protected during construction. For information about tree protection please refer to the City of Edmonton's website (search "Trees and Construction").
- Any and all costs associated with tree work requests (removal, pruning or other) and/or remediation from damages are borne on to the proponent as per the Corporate Tree Management Policy (C456C). All work is to be carried out by Urban Forestry who can be contacted at citytrees@edmonton.ca. Removal of City of Edmonton trees must follow the Live Tree Removal Guidelines which include community notice and value compensation.
- Access for future development must be to the adjacent alley in conformance with the Zoning Bylaw #20001.

Building / Site

- The owner shall ensure that any change in property boundaries does not cause any structures on site to become non-compliant with the Safety Codes Act and the Alberta Building Code. Permits may be required for such changes. Please contact 311 for more information.

Servicing

- The owner is required to make satisfactory arrangements for, and pay all costs associated with separate servicing to each lot, as well as the modification, relocation and/or removal of existing services. For further information, please contact: EPCOR Distribution & Transmission Inc. (780-412-4000), TELUS Communications (Edmonton) Inc. (Real Estate Division [Rights of Way] 780-508-2456), ATCO Gas (780-424-5222), and EPCOR Drainage Services (Water and Sewer Servicing 780-496-5444).
- The existing services (water and sanitary) enter the proposed subdivision approximately 5.0 m west of the east property line of Lot 13 off the lane. As per the EPCOR Drainage Services Bylaw and the EPCOR Water Services and Wastewater Treatment Bylaw, these services cannot cross the proposed property line.
- There is a deficiency in on-street hydrant spacing adjacent to the property. The applicant/owner is advised to review on-site fire protection requirements to ensure adequate coverage (contact EPCOR Water at 780-412-3955).
- If power service crosses the proposed property line the owner may be required to provide a blanket easement in favour of EPCOR Distribution & Transmission Inc. If required, said easement shall be registered prior to or concurrent with the final plan of survey (contact EPCOR Land Administration Group at 780-412-3252).
