

PROJECT UPDATE

Capital Line South LRT Utility Relocation Project
111 Street between 12 Avenue and 23 Avenue NW

DECEMBER 2023

PROJECT OVERVIEW

As part of the Capital Line South LRT Extension Project, EPCOR is responsible for relocating all the power, water and drainage utilities to avoid potential conflicts with the future Capital Line South LRT extension. This is an extension of the current Capital Line, which will operate from Century Park to Ellerslie Road.

For more information on the City of Edmonton's Capital Line South LRT Extension Project, please visit edmonton.ca/capitalsw.

WHAT'S HAPPENING?

To meet the overall LRT project schedule, the City of Edmonton has requested that EPCOR relocate utilities in specific areas along the proposed route prior to LRT construction.

EPCOR has been in the area for the past few months completing utility relocations ahead of the Capital Line South LRT construction. This notice provides updated timelines for the remaining drainage work, which will continue into 2024.

SCHEDULE

There are two drainage work areas that will continue until approximately **February 2024**. *Timelines are estimates and may change based on weather and construction conditions.*

Work Area #1 – Laydown area on the west side of 111 Street, north of Blackmud Creek

Work Area #2 – Outfall & storm line relocation in Blackmud Creek

HOURS OF WORK

Regular working hours are **7:00 a.m. to 7:00 p.m. Monday to Saturday**. If required, these hours may be extended, and construction may occur on Sundays from **9:00 a.m. to 5:00 p.m.**

EPCOR will do everything possible to manage noise associated with the construction and will work to ensure that the construction is completed within the requirements of the City of Edmonton Noise Bylaw.

SAFETY

The construction areas will be fenced and/or marked as restricted areas. We will take every precaution to ensure public safety, and we request your assistance in keeping children and pets a safe distance from the construction site and the equipment.

We thank you for your patience and understanding as we perform this necessary work.

MAP OF WORK AREA

TRAFFIC IMPACTS

One southbound lane on 111 Street south of Saddleback Road is closed.

PEDESTRIAN IMPACTS

The sidewalk on the west side of 111 Street crossing Blackmud Creek is closed. Pedestrians are being detoured in the closed southbound lane adjacent to the work area. Signage will be posted at each detour location on site to direct pedestrians.

MORE INFORMATION

EPCOR is committed to minimizing construction impacts where possible while we work in the community. If you have any questions regarding this work please contact us. If you have questions regarding the future LRT please contact the City of Edmonton.
