**CORPORATE  
SUMMARY**

Impact on Typical  
Homeowner

Corporate Summary  
Budget Tables

## Impact on a Typical Homeowner

The average Edmonton household will pay approximately \$813 in municipal property taxes for every \$100,000 of their assessed home value in 2025, an increase of \$47 compared to last year. These dollars help maintain the roads, pathways and public transit that move people. They support Edmontonians’ safety and well-being through bylaw enforcement, fire rescue, police and social programs. They fund attractions, leisure activities and parks that make Edmonton a great place to live, work and visit.

### Impact of the Approved 2025 to 2026 municipal tax increases per \$100,000 of assessment value, residential

	2024 Budget	2025 Budget	Annual Impact	2026 Budget	Annual Impact
Municipal Services	602	645	43	699	54
Police Services	164	168	4	169	1
Per \$100K of assessment value, residential	766	813	47	868	55

Municipal Services is based on an approved tax increase of 5.6% for 2025 and 6.6% for 2026, including assessment growth.

Police Services is based on an approved tax increase of 0.5% in 2025 and 0.2% in 2026.

	Impact of the Approved Tax Increase	
	2025	2026
Municipal Services	5.6	6.6
Police Services	0.5	0.2
	<b>6.1</b>	<b>6.8</b>

## Integrated Service Package - Citadel Theatre Lease Agreement - Maintenance Costs

**Lead Branch - Fleet and Facility Services  
Program - Facility Maintenance Services**

**Council Directed  
Funded  
Ongoing  
Audit Related: No**

### Description

On May 3, 2024 (FCS02006), the Executive Committee directed Administration to create a funded service package to increase funding to support the City's ongoing repair and maintenance obligations for the Citadel Theatre, including 3 FTEs needed for the integration of this asset into inventory to ensure proper assessment, maintenance, and optimization.

### Which Priorities does this Help to Advance?

**Arts and Culture:** The Citadel's continued operation supports Edmonton's City Plan by promoting art and culture. The City partners with organizations to enhance creativity and cultural industries, recognizing the Citadel as a key contributor to these efforts.

**Community safety and well-being:** The Citadel Theatre enhances downtown safety and vibrancy, particularly through its vital connection to the pedway system linking surface and subsurface LRT stops at Churchill Square.

### What is the Impact?

**Impacts on Citizens:** Citadel provides educational programming, artist mentorship, event venue rentals, meeting & corporate spaces, & other community benefits.

**GBA:** The Citadel has had a significant impact on YEG's 2SLGBTQIA+ community by serving as the creative workplace for hundreds of artists & staff members. The Citadel has also been a supportive community ally, hosting events such as Pride festivals, musical performances, exhibitions, & community dances.

### What are the Results to be Achieved?

Asset requires valuation for functionality and compliance, regular upkeep to maintain performance, & strategic management to integrate it effectively into current operations, maximizing its value & minimizing potential risks.

- Merge the two lease agreements into one, addressing any inconsistencies.
- Assign duties based on competencies.
- Clearly define roles & responsibilities across the Facility.
- Explore opportunities to share risks & costs.

**Integrated Service Package - Center City and Expansion to all BIAs using City Staff**

**Lead Branch - Parks and Roads Services  
Program - Infrastructure Operations**

**Council Directed  
Funded  
Ongoing  
Audit Related: No**

**Description**

This service package responds to the motion made at the April 8, 2024 Community and Public Services Committee meeting: "That Administration prepare an unfunded operating service package and capital profile for consideration during the Fall 2024 Supplemental Operating and Capital Budget Adjustments to acquire the necessary ongoing operating funding and one-time capital infrastructure to support this work across all BIAs".

This service package provides ongoing funding of \$3.1M for the continuation of Centre City Optimization program to provide the existing services in Centre City Business Improvement Areas (BIAs). This funding will support enhanced services including landscaping, needle collection, biohazard cleaning, graffiti removal, power washing, litter pick-up, parks landscaping, proactive inspections and reporting.

The original Fall 2024 SOBA submission proposed the continuation of Centre City services (\$3.1M) and expansion to other BIAs (\$3.6M). However, based on the omnibus council motion, the service package only received partial funding for the continuation of Centre City services (\$3.1M ongoing). This service package now reflects the approved funding allocation."

**Which Priorities does this Help to Advance?**

An enhanced service approach to the Centre City area supports the safety and reliability of infrastructure, increasing accessibility and comfort along the road right of way and in parks and open spaces, and supports social well-being and community safety. This ongoing program will encourage more frequent use of these areas by both staff and the public, contributing to vibrant and safe community spaces.

**What is the Impact?**

The Centre City Optimization program includes a dedicated operations team, to act as a single point of contact and direct many cross-functional work activities in Centre City. This will ensure that these areas remain well-maintained, safe, and attractive, facilitating improved relationships and collaboration with both internal and external stakeholders. By providing well-maintained spaces that support the local economy, the project will have a positive economic development impact, helping to create a welcoming environment for customers and investors.

**What are the Results to be Achieved?**

This ongoing program will provide proactive inspection, operations, and maintenance, with swift response to emergent needs in the Centre City area. Continuing increased services will attract diverse user groups and support businesses in creating safe, welcoming spaces. The program will also reduce 311 notifications through proactive deficiency identification, enhance cleanliness, safety, accessibility, and improve overall attractiveness in the Centre City area.

## Integrated Service Package - Turf and Horticulture Resources and Service Levels

**Lead Branch - Parks and Roads Services  
Program - Infrastructure Operations**

**Council Directed  
Funded  
Ongoing  
Audit Related: No**

### Description

This service package responds to a motion was made at the February 5, 2024 Community and Public Services Committee meeting: "That Administration prepare an unfunded service package and capital profile for consideration during the Fall 2024 Supplemental Operating and Capital Budget Adjustments to increase turf and horticulture funding to be able to deliver the enhanced service levels as outlined in the January 15, 2024, City Operations report CO02130".

This service package provides a \$400K increase in funding for turf operations in 2025, and an increase in funding of \$1M for horticulture operations in 2026, on an ongoing basis, along with an associated \$80K in capital funding.

The original submission during the Fall 2024 SOBA was to request \$10.2M in funding to increase turf and horticulture funding to deliver enhanced service levels. However, based on the omnibus council motion, the integrated service package received only partial funding. This service package now reflects the approved funding allocation.

### Which Priorities does this Help to Advance?

Well-maintained, accessible green infrastructure is a core service that supports outdoor recreation and aligns with The City Plan's goal for a healthy city. Safe, accessible parks enhance community safety and social well-being by increasing public use. This approach also boosts economic growth by attracting investment and strengthening ties between residents, businesses, and the City, meeting service expectations and asset management.

### What is the Impact?

Increased funding for turf operations to meet existing service levels of 2 times per year. Additional horticulture funding allows for manual weed removal at the root instead of cutting. These enhancements will create visibly improved parks and open spaces for Edmontonians.

### What are the Results to be Achieved?

Increased turf trimming will reduce long grass around objects. Increased resources for horticulture will result in reduced weed presence, improved aesthetics, and increased sightlines in A and B level shrub beds.

## Integrated Service Package - IIAP Implementation - Industrial Growth Hub

**Lead Branch - Economic Investment Services  
Program - Regional Development**

**Council Directed  
Funded  
Ongoing  
Audit Related: No**

### Description

This service package responds to the motion made at the June 19, 2024 Executive Committee meeting: "That Administration bring forward an unfunded service package for consideration by Council during the Spring 2025 Supplemental Operating Budget Adjustment deliberations to deliver on key metrics and deliverables in the Industrial Investment Action Plan over a three year period".

This integrated package includes resources to expedite the implementation of the Industrial Investment Action Plan through the creation of an Industrial Growth Hub: a centralized service center where industrial businesses and investors can access City industrial-focused services and resources. Establishing the Hub presents a strategic opportunity to market and promote the economic advantages of industrial development in Edmonton and streamline services to find solutions to move industrial land into production quickly.

### Which Priorities does this Help to Advance?

This work will advance economic growth. Maintaining the City's ratio of residential to non-residential tax assessment is a key to the City's long-term fiscal sustainability and increased investment in industrial development will be an effective way to offset an increasing tax burden on residents. Supporting industrial investment will help maintain core services and advance key priorities needed to be a healthy, urban and climate resilient city.

### What is the Impact?

The creation of the Industrial Growth Hub will impact Edmontonians by reducing the burden on the residential tax base by growing industrial assessment. The Hub markets and promotes the City's key attributes to attract investment, create jobs, and enhance our resilient and prosperous industrial sector. Success of the Hub will result in a more competitive value proposition, enhanced reputation for investments, an increased industrial tax base, bolster economic growth, diversify the economy, and support existing industrial businesses.

### What are the Results to be Achieved?

This service package will move the City towards identified strategic measures Under Catalyze and Converge, specifically:

- City-wide jobs relative to the Edmonton Metropolitan Region
- Industrial, Commercial, Institutional Permits by District
- Non Residential Tax Revenue by District

In addition, Key Performance Indicators for IIAP will be completed under Action 9 of this strategy.

## Standalone Service Package - Change in Base Budget

**Branch - Explore Edmonton**

**Growth on Existing Services  
Funded  
One Time  
Audit Related: No**

### Description

Explore Edmonton Corporation (EEC) ties together three lines of business -- destination development and marketing, venue management and major event production -- to achieve economies of scale and gain efficiencies. This organization is unique among venue operators and destination marketing and development organizations, driving big benefits in economic impact and support for Edmonton jobs and businesses. For background, EEC's mandate and scope significantly expanded over the past five years, adding Northland's assets and support required to operate the Urban Farm, KDays, Canadian Finals Rodeo and Farmfair International. In addition, we are stewarding the 10-year Tourism Master Plan.

In 2024, a total of \$17.7M funding was provided, with \$11.7M of base funding and one-time support of \$6.0M. The one time support of \$6.0M was necessary on an ongoing basis to support Explore Edmonton's baseline operations in destination development and marketing, venue management and major event production. The \$17.7M was the minimum required to support those three lines of business and carry out a reduced scope through prioritization of initiatives. Explore Edmonton will assess how the amended service package funding will impact the lines of business.

### Which Priorities does this Help to Advance?

- Strategy, Business & Innovation: Explore Edmonton achieves a total economic impact of approximately \$350 million from its activities across the three business lines. The City of Edmonton's investment in Explore Edmonton is key to attracting further private investment and funding from other levels of government and associated agencies. While Explore Edmonton is a \$90-million organization, the city's contribution is less than a quarter of the organization's operational budget.
- Climate Action & Protection: Committed to a lower-carbon future, including tracking, measuring and reporting our GHG reductions.
- Economic Resilience & Growth: Host conferences, conventions, trade & consumer shows, sports & entertainment events, generating sizable total economic impact of \$350 million.
- Employee Safety & Well Being: Health & safety underpin everything we do.

### What is the Impact?

The approved funding is required to continue with operations. Further discussion and details need to be finalized to assess the impact of the amended service package funding. Potential adjustments could include a \$1.8 million reduction to the major event production budget. A reduction of \$3.7 million in destination development and marketing would impact travel trade, event attraction, marketing Edmonton and delay advancement and implementation of elements from the tourism Strategy. Finally, there would also be reductions of \$0.5 million in venue management and overall lease holdings.

Uncertain greenhouse impact at this time, may have both increasing and decreasing impacts with the overall impact being unknown or the type of impact is unknown from the information available.

### What are the Results to be Achieved?

A 33% reduction of funding from the City of Edmonton to Explore Edmonton would significantly impair the results that could be achieved in 2025. With less attracted events and conventions, there would be a decrease in the number of visitors to Edmonton. The annual total economic impact of \$350 million would then also decrease and along with it so would the number of jobs supported and the amount of property tax collected from businesses. There would also be less investment back into the venues creating a greater deficit in the renewal and rehabilitation of this important infrastructure.

## Integrated Service Package - EFCL CLIP Budget Request

**Lead Branch - Federation of Community Leagues**

**Growth on Existing Services  
Funded  
One Time  
Audit Related: No**

### Description

Subsequent to year one of the city-wide assessment review of the Community League portfolio of halls and amenities, it is evident that Leagues will require additional funding dollars in order to address deficiencies in the areas of infrastructure life cycle and life safety over the coming years in the amount of \$30 million. Funding dollars requested here will be allocated directly to Leagues that received assessments in 2023 to begin to address life safety deficiencies in their assessment reports to enable safe public use of League facilities.

### Which Priorities does this Help to Advance?

At the heart of each of our Community of Communities are our Community League halls and amenities, our inclusive spaces that provide low or no cost programming and recreational opportunities to all ages. Investment in our Community League infrastructure advances multiple City priorities including climate initiatives, energy transition, district planning, and community well-being. The infrastructure assessment program has provided League volunteers with a tangible and detailed priority list while EFCL staff enable the successful implementation of recommendations.

### What is the Impact?

The impact on the citizens of Edmonton will be substantial and far-reaching. Correcting life safety deficiencies through infrastructure improvements and amenity (re)development will provide opportunities for people to continue to connect to and experience open space and features within districts while accessing services and programs that reduce barriers for low income residents to community recreation facilities.

Project does not have the ability to impact greenhouse gas emissions.

### What are the Results to be Achieved?

Intended outcomes are two-fold; to ensure the safe use of our Community League spaces while providing opportunities for Edmontonians to be physically active throughout all seasons and to create net-positive infrastructure. Success will be measured by completion of a portion of the life safety recommendations contained in the 2023 infrastructure reports.

## Integrated Service Package - Tree Pruning

**Lead Branch - Parks and Roads Services  
Program - Infrastructure Operations**

**Growth on Existing Services  
Funded  
Ongoing  
Audit Related: Yes**

### Description

In 2020, the City Auditor's Office completed a forestry audit, providing six recommendations. Recommendation 1 was to review pruning service levels and budgeted workload to ensure performance targets can be met within current budget. This service package is being put forward to request funding to increase tree pruning service levels for all Open Space and Boulevard trees (including Ash/Elm trees) to the desired service level of once every 5 years. Forestry refined targets and service levels for pruning to a consistent standard for all species as the most efficient way to maintain the overall urban forest health and ensure early detection of disease. This budget request of \$861K and 6.3 FTEs is essential for achieving these targets and supporting long-term urban forest health. In 2020 with variable pruning cycles of 4 and 7 year targets of the 385,000 trees, there were approximately 80K trees overdue for pruning. This funding will help the program achieve the 5 year pruning cycle and also contribute to addressing the existing backlog.

### Which Priorities does this Help to Advance?

This advances key priorities including climate action, by supporting the health of the urban forest and its role in carbon capture and flood mitigation. Safe and reliable infrastructure, by ensuring tree pruning reduces safety risks and can help with early detection of Dutch Elm Disease (DED) related to Elm and Ash trees. Social well-being, by enhancing public spaces and contributing to community safety. Additionally, it strengthens communities, by promoting a healthy and attractive urban environment that fosters community pride and cohesion.

### What is the Impact?

Funding this request ensures consistent tree pruning services, crucial to the health and longevity of Edmonton's Urban Forest. Pruning Open Space and Boulevard trees once every 5 years is a best practice that mitigates risk of premature or excessive loss or safety risks to the public. Regular pruning reduces the risk of unexpected costs from tree failure and supports the City's environmental goals. Growing the urban canopy from 13% (2019) to a target of 20% in 2071 is an integral part of Edmonton's nature-based solutions and carbon capture energy transition strategy.

### What are the Results to be Achieved?

This budget request supports proper tree pruning and maintenance based on a best practice of pruning all inventory every five years. Pruning on a regular cycle of every 5 years for all Open Space and Boulevard trees, is the most efficient use of resources and supports long-term urban forest health. This funding ensures compliance with the Urban Forest Asset Management Plan and Corporate Tree Policy C456C, while advancing the City's goals of 20% tree canopy coverage.

## Integrated Service Package - Edmonton Election Program Budget Recommendations

**Lead Branch - Office of the City Clerk  
Program - Elections and Census**

**Growth on Existing Services  
Funded  
Ongoing  
Audit Related: No**

### Description

Due to legislative amendments to the Local Authorities Election Act, which regulates municipal election procedures including election financing, candidate nominations, voting processes and the counting of votes, additional funds are required to administer and deliver a legislatively compliant election in October 2025, including the implementation and maintenance of the permanent electors register, hand counting of ballots, recount preparedness, the introduction of political parties and slates of candidates, new candidate notice of intent to run processes, and changes to special ballot eligibility and processes.

### Which Priorities does this Help to Advance?

The 2025 Edmonton Election advances the budget priority of Integrated and Connected Communities. It is mandated by the Municipal Government Act and must comply with the Local Authorities Election Act (LAEA) and the Education Act. The LAEA was significantly updated in Spring 2024, in order to ensure legislative compliance changes must be made to almost all election processes and approaches.

### What is the Impact?

The Edmonton Election enables eligible electors to choose their Mayor, Councillors and School Board Trustees through accessible and equitable systems and processes that are fully compliant with legislation. GBA+ actions that incorporate inputs from the 2024 voter engagement initiative and existing strategies will inform the design of these processes and strategies.

### What are the Results to be Achieved?

By supporting compliance with new legislative requirements, this service package will ensure that Edmontonians are able to access the services, supports and information they need to trust in civic processes, and the confidence, knowledge and ability to vote, run or work in the 2025 Edmonton Election.

Recirculation fee (for the third and subsequent re-circulations), Extension of development permit commencement fee	50% original regular application fee	
Non-refundable Administrative Fee (or 20%, whichever is greater), for permit work not started <sup>3</sup>	\$120.00	\$120.00
Re-examination of plans fee for major development permits	\$280.00	\$285.00
<u>Non-Sufficient Funds (NSF) Fee</u>		
	\$51.00	\$52.00
<u>Variance Request Fee</u>		
Variance request fee to be added to the base application fee (excluding driveway, overheight fence, recreational vehicle parking, home based business - discretionary, leave as built and the per unit fees). Calculated as a % of base fee.	25% of base fee	

<b>Pre-Application Meeting <sup>4</sup></b>		
Major development permits - non-residential, large scale residential (5+ units), and mixed use development	\$480.00	\$490.00
Minor development permits - new infill construction for single detached housing, semi-detached housing, duplex, backyard housing and row housing (up to 4 principal units)	\$190.00	\$195.00
<b>Inspection Fees</b>		
<u>Development Permit Inspections <sup>5</sup></u>		
Non-residential developments and residential developments (5+ units) in redeveloping areas for the first two inspections	\$560.00	\$575.00
<u>Lot Grading Inspection Fee - Bylaw 18093</u>		
Single detached, semi-detached, and duplex (per dwelling unit)	\$160.00	\$160.00
Multi-unit housing (per building)	\$490.00	\$500.00
Each additional multi-unit housing unit above the first 4 units on the first level	\$64.00	\$65.00
Each additional multi-unit backyard housing dwelling above the first 4 units	\$64.00	\$65.00
Any other land use - minimum fee per building, addition to building or alterations of surface drainage	\$490.00	\$500.00
Re-inspection	\$175.00	\$180.00
This table reflects only the fees associated with Zoning Bylaw 20001 and the Drainage Bylaw 18093. All other fees, such as those relating to Safety Code Permits or the Business Licence Bylaw 20002 are found on other fee schedules.		
<sup>1</sup> The Re-inspection fee would apply after the first two inspections as per Lot Grading Fee in the Drainage Bylaw 18093.		
<sup>2</sup> a) Residential property is defined as three or less self-contained dwelling units located on one site that is used for residential purposes. b) Non-residential property is defined as, but not limited to, a multi-family unit, commercial or industrial property.		

<sup>3</sup> The Development Planner may reduce or waive Development Permit Fees, including any additional fees, where payment of the fee will result in hardship or inequity.
<sup>4</sup> Subject to GST. Periodic reviews of fees may identify adjustments to ensure compliance with CRA regulations.
<sup>5</sup> Small scale residential Development Permit Inspection fees are included in the Development Permit fee.
<sup>6</sup> Up to two Development Permit Inspections may be undertaken as part of the Development Permit fees for New Residential Dwellings.

	2025 Fee	2026 Fee
Safety Codes Building Permits - Bylaw 15894	(Approved)	(Approved)
<b>Calculated Construction Value per square foot of floor area</b>		
New semi-detached, duplex, row-housing or stacked row-housing (floor area of the basement and garage should be excluded)	\$125.00	\$130.00
New residential and mixed use residential projects, not more than 6 storeys in height	\$185.00	\$195.00
New residential and mixed use residential projects, not more than 12 storeys in height	\$220.00	\$230.00
New residential and mixed use residential projects, buildings not more than 39 storeys in height	\$230.00	\$240.00
New residential and mixed use residential projects, buildings 40 or more storeys in height	\$235.00	\$245.00
New hotels and motels	\$215.00	\$225.00
New parkade development	\$115.00	\$120.00
<b>Building Permits</b>		
<u>For Additions/Alterations to Single Detached Housing</u>		
For minor residential projects: accessory building, uncovered deck, hot tub, swimming pool, detached garage, single-family house demolition, wheelchair ramp, or mobile home move on installation	\$120.00	\$120.00
Construction value: \$0 - \$10,000	\$120.00	\$120.00

Construction value: \$10,001 - \$50,000	\$380.00	\$385.00
Construction value: \$50,001 - \$100,000	\$1,055.00	\$1,080.00
Construction value: \$100,000+	\$2,055.00	\$2,100.00
<b><u>For New Commercial, Industrial, Institutional or additions/alterations to Multi-family Developments, Mixed Use Developments, Hotels and Motels, or Parkades</u></b>		
For each \$1,000 of Construction Value for the first \$1,000,000; and	\$11.45	\$11.69
For each \$1,000 of Construction Value over \$1,000,000;	\$10.27	\$10.49
Minimum Fee	\$280.00	\$285.00
<b>Combo Building Mechanical Permit Fee - Single Detached Housing and Backyard Housing<sup>1</sup> Developments</b>		
0 - 1650 sq. ft.	\$1,055.00	\$1,080.00
1651 - 3000 sq. ft.	\$1,610.00	\$1,645.00
3001 - 4500 sq. ft.	\$2,755.00	\$2,810.00
4501 - 6000 sq. ft.	\$5,460.00	\$5,575.00
Over 6000 sq. ft.	\$8,330.00	\$8,505.00
<b>HVAC Permits</b>		
Alterations/Replacing Existing HVAC in Residential Multi-development (per unit)	\$120.00	\$120.00
New Residential Multi-family Development - per \$1,000 of Construction Value	\$0.59	\$0.60
New Single Detached Housing or Single Unit in Residential Multi-family Development	\$120.00	\$120.00
Other Developments - per \$1,000 of Construction Value	\$0.59	\$0.60
Other Developments - minimum fee	\$185.00	\$185.00

<b>Plumbing Permits &amp; Sewer Permits</b>		
Plumbing Permit for Residential Multi-family Development and Single Detached Housing Development (per dwelling unit)	\$120.00	\$120.00
Sewer Connection: Residential Multi-family Development - per dwelling unit	\$120.00	\$120.00
Sewer Connection: Residential Multi-family Development - Maximum Fee	\$220.00	\$225.00
Plumbing Permits for Other Developments - per \$1,000 of Construction Value	\$0.59	\$0.60
Plumbing Permits for Other Developments - Minimum Fee	\$185.00	\$185.00
<b>Gas Permits</b>		
<u>Commercial, Industrial, Institutional or Multi-family Developments</u>		
Construction value: \$0 - \$20,000	\$185.00	\$185.00
Construction value: \$20,001 - \$500,000	\$265.00	\$270.00
Construction value: \$500,001 - \$1,000,000	\$355.00	\$365.00
Construction value: \$1,000,001 - \$5,000,000	\$535.00	\$545.00
Construction value: \$5,000,001+	\$885.00	\$905.00
Additional Meter Set (per meter)	\$48.00	\$49.00
Single Detached Housing or Single Unit in a Residential Multi-family Developments	\$120.00	\$120.00
Temporary Heat - Commercial Permits	\$185.00	\$185.00
Temporary Heat - Single Detached Housing or Single Unit in a Residential Multi-family Development	\$120.00	\$120.00
<b>Electrical Permits</b>		
<u>For New Single Detached Housing and Backyard Housing <sup>1</sup> Developments <sup>2</sup></u>		
Underground Service Cable Permit Fee	N/A	N/A
House Wiring Permit: 0 - 1650 sq. ft.	\$280.00	\$290.00
House Wiring Permit: 1651 - 3000 sq. ft.	\$325.00	\$335.00

House Wiring Permit: 3001 - 4500 sq. ft.	\$380.00	\$385.00
House Wiring Permit: 4501 - 6000 sq. ft.	\$430.00	\$440.00
House Wiring Permit: Over 6000 sq. ft.	\$470.00	\$480.00
Above fees are based on floor area of the house.		
<b>*Underground Service Cable Permit Fee was discontinued starting in 2025</b>		
<u>Other New Developments</u>		
New Semi-detached or Row Housing - Wiring Permit Fee per unit	\$235.00	\$240.00
New Apartment, Duplex Housing or Stacked Dwellings - Wiring Permit Fee	\$125.00	\$130.00
Underground Branch Circuit Conduit (i.e. between house and garage) Inspection Fee	\$120.00	\$125.00
<u>Annual Electrical Permits</u>		
Electrical Installation Cost - Minimum Fee	\$335.00	\$345.00
Annual Electrical Permit Fee (per \$100 of Electrical Installation Cost)	\$1.12	\$1.14
Inspection Fee - First and Each Additional Hour	\$160.00	\$160.00
<u>For Owners Residing in a Single Family Residential Dwelling and Stand Alone Electrical Permits</u>		
Minor Alterations - minimum fee with Electrical Installation Cost up to \$3,000	\$160.00	\$160.00
Electrical Installation Cost: \$0 - \$3,000	\$160.00	\$160.00
Electrical Installation Cost: \$3,001 - \$10,000	\$225.00	\$230.00
Electrical Installation Cost: \$10,001 - \$50,000	\$395.00	\$405.00
Electrical Installation Cost: \$50,001 - \$250,000	\$815.00	\$835.00
Electrical Installation Cost: \$250,000+	\$2,640.00	\$2,695.00
<u>For Electrical Permits Obtained in Connection with Other Permits</u>		
Construction Value: \$0 - \$24,000	\$160.00	\$160.00

Construction Value: \$24,001 - \$80,000	\$225.00	\$230.00
Construction Value: \$80,001 - \$400,000	\$395.00	\$405.00
Construction Value: \$400,001 - \$2,000,000	\$815.00	\$835.00
Construction Value: \$2,000,000+	\$2,640.00	\$2,695.00
Additional Meter Set (per Meter) <sup>3</sup>	\$48.00	\$49.00
<b>Hoarding Building Permits <sup>7</sup></b>		
Covered way hoarding for maintaining existing safe pedestrian connections adjacent to a project		
Boulevard, sidewalk or roadway occupied by a covered way hoarding - per lineal metre	\$5.57	\$5.69
Hoarding projecting from the property line towards a roadway for a temporary exclusive-use area.		
Boulevard, sidewalk or roadway occupied area from property line up to 2.4 metres into roadway (not alley) - per square metre	\$4.37	\$4.46
Boulevard, sidewalk or roadway occupied area exceeding 2.4 metres projection into roadway (not alley) - per square metre	\$17.06	\$17.42
Hoarding projecting from a property line towards an alley for a temporary exclusive-use area		
Alley occupied area from a property line up to 1.5 metres into an alley - per square metre	\$4.37	\$4.46
Alley occupied area exceeding 1.5 metres projection into an alley - per square metre of alley occupied	\$17.06	\$17.42
NOTE: The fee for hoarding building permit may also include hoarding rental fees which are based on the size and location of space occupied. Hoarding rental fee rates are per month and are subject to GST. Periodic reviews of fees may identify adjustments to ensure compliance with CRA regulations.		

<b>Additional Fees</b>		
Additional Inspections (per inspection)	\$280.00	\$285.00
Mailing Out Minor Building Permit Flat Plans	\$27.00	\$28.00

Search of Records/Outstanding Orders Search (per titled lot)	\$120.00	\$120.00
Reproduction Fee: 8" x 11" document over 20 pages (per page)	\$0.25	\$0.25
Reproduction Fee: for larger documents (fee charged per sq ft by vendor)	\$1.00	\$1.00
Interior Alterations to Commercial/Industrial Buildings Commenced BEFORE Permit is Issued	\$425.00	\$430.00
Occupant Load Certificate	\$120.00	\$120.00
<u>Re-examination of Revised Plans</u>		
For minor residential projects as listed above, projects with construction value of \$0 - \$10,000:	\$120.00	\$120.00
For all other projects <sup>4</sup> :	\$280.00	\$285.00
<u>Unmetered Construction Water Fee</u> <sup>5</sup>		
<i>For New Home Construction</i>		
0 - 1650 sq. ft.	\$31.70	\$31.70
1651 - 3000 sq. ft.	\$56.39	\$56.39
3001 - 4500 sq. ft.	\$96.80	\$96.80
4501 - 6000 sq. ft.	\$133.10	\$133.10
Over 6000 sq. ft.	\$169.40	\$169.40
<i>For Commercial Construction</i>		
Per \$1,000 of Construction Value	\$0.44	\$0.44
Maximum Fee	\$625.00	\$625.00
Non-refundable Administrative Fee (or 20%), for permit work not yet started	\$120.00	\$120.00
Reactivation of an expired permit - fee of one half the original permit fee but not less than the minimum fee for that permit type.		

<u>Pre-Application Meeting</u> <sup>6</sup>		
Commercial Building Permits - Commercial, Industrial, Institutional, Mixed Use, and Multi-dwelling (over 5 units and/or multi-building residential construction sites) Building Applications	\$480.00	\$490.00
<u>After Hours Inspections</u> <sup>7</sup>		
Up to three hours including travel time when commenced out of business hours	\$560.00	\$575.00
Each additional half hour or part thereof	\$94.00	\$96.00
<u>Festivals and Special Events</u> <sup>8</sup>		
First hour of inspection	Standard commercial and trade minimum fee per schedule above	
Each additional half hour or part thereof	\$94.00	\$96.00
<b>Notes</b>		

Safety Codes Fee is applicable to Building Permits, Gas Permits, Temporary Gas Permits, Plumbing Permits, HVAC Permits, Sewer Permits, and Electrical Permits. It is 4% of **each individual permit fee**, with a minimum of \$4.50 and a maximum of \$560 per permit.

**Construction Value** means the value of the construction of an undertaking as determined by the City Manager.

**Combined Building Mechanical Permit Fee** means a single fee payable for all of the following permits for an undertaking: a building permit, a gas permit, a heating, ventilating, and air-conditioning permit, and a plumbing permit.

**Electrical Installation Cost** means the cost of the materials and labour to install a particular electrical undertaking.

**Floor Area** is used as a denominator in determining the “cost per square foot” value. We have adopted the Canadian Institute of Quantity Surveyors’ definition of Floor Area which dictates:

1. Measure each floor to the outer face of the external walls;
2. No deductions for openings at stairs, elevators or vertical ducts are made;

3. A deduction is made for a non-service vertical protrusion, e.g., atrium space;
4. Mezzanine floors are generally included;
5. Balconies are excluded; enclosed solariums in residential condominiums are included;
6. Sloping and stepped floors (auditoriums/movie theatres) are measured flat; and,
7. Exclude all external covered walkways

If a **permit is extended or reactivated**, the fee payable for the permit is one-half of the amount required for a new permit for the project, provided no changes have been made or proposed to what was originally approved.

<sup>1</sup> Includes multi-unit Backyard Housing.

<sup>2</sup> House Wiring Permit Fees are based on the Floor Area of the House.

<sup>3</sup> The Electrical Additional Meter Set fee applies to additional meters required for separate entryway addresses but not for individual apartment/condo units that share one entryway. The first meter is included in the Electrical Permit fee.

<sup>4</sup> If a re-examination of revised plans involves an increase in:

<sup>5</sup> City of Edmonton - [EPCOR Water Services Bylaw 19626](#).

<sup>6</sup> Subject to GST. Periodic reviews of fees may identify adjustments to ensure compliance with CRA regulations.

<sup>7</sup> Business hours are 8:00 AM - 4:30 PM on weekdays. Inspections requested outside of that time (evenings, weekends, and statutory holidays) are subject to the charges listed.

<sup>8</sup> Festivals and Special Events are charged standard commercial and trade minimum fees which include permit review, permit issue and up to an hour on-site inspection. Each additional half hour or part thereof when inspection occurs are charged at the rate listed.

Flat fee for parking stalls converted to condominium units (per stall)	\$31.00	\$32.00

<b>Additional Land Development Fees</b>		
Re-circulation (3rd and subsequent recirculation)	\$1,170.00	\$1,195.00
Re-activation (on an existing file that has been on hold for 12 months or more)	\$1,170.00	\$1,195.00
Pre-Application Meeting <sup>4</sup>	\$480.00	\$490.00
Notification and Engagement Fee per component (ie Rezoning, Plan Amendment, Road Closure) <sup>4</sup>	\$1,620.00	\$1,650.00
Re-notification Fee (per label)	\$3.50	\$3.50
DC Notification Fee (per label)	\$5.50	\$6.00
DC Notification Fee minimum	\$47.00	\$48.00
International Notification Fee (per label)	\$5.50	\$6.00
Road Closure Applications	\$1,795.00	\$1,835.00
Change of Address (per address) <sup>5</sup>	\$395.00	\$405.00
<u>Servicing Agreements Fees</u>		
Arterial Roadway Administration Fee	\$2,295.00	\$2,340.00
Show Home Agreement Application	\$1,170.00	\$1,195.00
Boundary Assessment Fee	\$1,170.00	\$1,195.00
Interim Construction Agreement Fee	\$1,170.00	\$1,195.00
Inspection Fees (fee charged per hectare with a minimum value of 3.0 hectares)	\$9,410.00	\$10,455.00

<sup>1</sup> The Subdivision Officer and Director of Planning Coordination may reduce or waive Land Development Application Fees, including any additional fees, where payment of the fee will result in a hardship or an inequity.

<sup>2</sup> Area Structure Plan amendments application fee excludes amendments that are necessitated by an amendment to the Neighbourhood Structure Plan.

<sup>3</sup> Floor Area Ratio as defined under Zoning Bylaw 20001.

<sup>4</sup> Subject to GST. Periodic reviews of fees may identify adjustments to ensure compliance with CRA regulations.

<sup>5</sup> Applications for address changes are only permitted where the existing address is creating inherent confusion for the delivery of public services and the general public, or Emergency Response and Administration deem necessary.

### Notes for Rezoning Application Fees

A base fee and area rate are both charged per proposed category - see example below.

- If an application has proposed zones in the same category, the proposed category's base rate will be charged once.

- Except MU and DCs, each zone within the same category or different category will be charged its associated area rate based on the site area (ha) for the boundary of the proposed zone(s).

- Proposed Height (h) Modifiers changes under RSM, RM and RL zones shall be charged their respective category base fee and area rates.

Direct Control Types are characterized as follows:

- **Administrative:** A standard zone is being rezoned to a DC for a minor technical reason (i.e. minor numerical changes to regulations, removal of uses from a standard zone), minor amendments to an existing DC zone.

- **Minor: Changes to the character of the site that do not significantly change the intensity of the use.**

- Resembles a standard zone with minor changes to uses that change the character of the zone

- Addition or changes to regulation(s) from Standard Zone.

- No increase in FAR from existing zoning.

- Only "architectural" changes to height that do not result in additional floor area.

- **Major:**

- Significant changes to the character and intensity of uses. (i.e. commercial, residential and mixed use towers, adding residential uses to commercial site or non-residential uses to

residential site, large-site rezonings)
- Increase 2 or more of FAR/height/density
- Major additions of uses from previous standard zone or DC
- Major changes or additions of regulations from standard zone or DC
- Application requires comprehensive site planning supported by technical studies
Rezoning applications are subject to a notification and engagement fee component.
The applicant must pay the difference in fees, prior to third reading of the amending Bylaw, for any application resulting in a zone in a higher fee category than that initially applied for, whether the application was amended by the applicant, Development Services, or City Council. If the resulting Zone is in a lower fee category, no refund shall be made.

<b>Example Rezoning Application:</b>
From (AG) base FAR of 0

				<b>Total Rezoning Fees</b>	<b>\$14,710.00</b>

## Urban Planning and Economy Department, Planning and Environment Services

(Note: As stated in the EPCOR Drainage Services Bylaw approved by Council on August 30th, commencing January 1, 2018 and for each subsequent year on that date the Sanitary Sewer Trunk Charge shall be adjusted in accordance with an adjustment notice provided by the City of Edmonton, as applicable. The EPCOR Sanitary Integrated Review Plan (SanIRP) is in progress and will be the main determining factor on infrastructure cost and revenue collection, therefore rates in subsequent years will be determined when the SanIRP is completed.)

# Reserve Funds - Definitions

Reserve Fund	Responsibility Area and Description
<b>Affordable Housing</b>	<b>Community Services - Social Development</b>
To assist the Social Development branch in delivering Affordable Housing units as outlined in the Council approved "Road Map" for Affordable Housing Investment Plan implementation. Due to the unpredictable spending pattern of expenditures and involvement of other orders of government, this reserve permits unexpended funds to be retained and applied to support future funding requirements. No interest earnings are applied to this reserve. Allowable transfers to and from the reserve must be in line with the Affordable Housing Investment Plan program.	
<b>Brownfield Redevelopment</b>	<b>Urban Planning and Economy - Economic Investment Services</b>
To facilitate implementation of City Policy <i>C571 Brownfield Remediation and Redevelopment Support</i> , the Brownfield Redevelopment Reserve was established with approval by Council on December 15, 2015. The reserve accumulated timing differences between recognition of the City's liability (expense) to provide funds to the grant applicant for Phase III redevelopment work and receipt of future municipal tax uplift from the redevelopment to pay back the grant and related liability.	
On September 13, 2023, City Council approved to increase the scope of the Brownfield Redevelopment Reserve to include the Phase I, II and IV grant programs as well. It may take several years for applicants to complete remediation and redevelopment work, and to fulfill the criteria of the Grant Funding Agreement for Phase I, II, and IV grants. The grants are only provided once the applicant has fulfilled all the criteria of the Grant Funding Agreement. This may result in a delay between when the grant and related budget are approved and when the grant is actually distributed to the applicant. The approved change would have the reserve accumulate any timing differences between when applicants enter a Grant Funding Agreement and the budget is approved and when they fulfill the criteria for grant payment. Allowable transfers to and from the reserve must be in line with the City Policy <i>C571 Brownfield Remediation and Redevelopment Support</i> .	
<b>Cemetery</b>	<b>Community Services - Community Recreation and Culture</b>
The Cemetery Reserve is used to fund the following: 1) Capital projects including the design and development of capital improvements at Municipal Cemeteries, creating inventory and developing new products and services for customers. 2) Operations and maintenance support for cemeteries as required. Twenty - five (25) percent of sales generated by plots, niches, gardens and foundations (location sales / revenue) is transferred to the reserve at the time revenue is recognized. Investment earnings on the fund balance are redirected back to the reserve. The reserve has no minimum or target balance.	
<b>City of Edmonton Library Board</b>	<b>Boards and Authorities - Public Library</b>
Reserves for future expenditures relating to Library Operations include amounts set aside by the Library Board for specific purposes. This will include amounts for Library facility projects and other major projects. No interest is applied to this reserve.	
<b>Commercial Revitalization</b>	<b>Urban Planning and Economy - Economic Investment Services</b>
The purpose of the Commercial Revitalization reserve is to accommodate the timing differences between tax-levy funding for three commercial revitalization programs and the distribution of grants to eligible applicants. The three commercial revitalization programs (Development Incentive, Storefront Improvement, and Corner Store) provide a complementary set of tools to support commercial revitalization and main street vibrancy across targeted areas of the City. The programs also support City Council's strategic goal of Urban Places, as identified in ConnectEdmonton: Edmonton's Strategic Plan. Allowable transfers to and from the reserve must be in line with the City Policies <i>C216C Storefront Improvement Program</i> , <i>C533C Development Incentive Program</i> , and <i>C616 Corner Store Program Policy</i> .	
<b>Commonwealth Stadium</b>	<b>Community Services - Community Recreation and Culture</b>
Approved in 1995 and established with \$750,000 from the original Vehicle Equipment Reserve as a result of the agreement between the City of Edmonton and the Edmonton Eskimo Football Club for the operation of the Commonwealth Stadium on an entrepreneurial basis. Annually \$200,000 of tax-levy funding is allocated to the reserve for development of new revenue, marketing strategies or capital programs. The City's portion of concession earnings are held in this reserve for capital concession capital projects. Effective January 1, 2007, 15 per cent of net concession revenues from City events or co-sponsored events is contributed by the Eskimos annually to the reserve for replacement of concession equipment. Interest earnings are applied to this reserve.	
<b>Community Revitalization Levy - Belvedere</b>	<b>Urban Planning and Economy - Belvedere Community Revitalization Levy</b>

# Reserve Funds - Definitions

Reserve Fund	Responsibility Area and Description
	<p>The purpose of the CRL reserves is to capture timing differences between program operating costs, incremental tax-levy increases and land sales. Belvedere CRL (Station Pointe) is financed through borrowing Bylaw 14883 which was passed in 2008 that enabled the City to undertake infrastructure improvements and land development along Fort Road. In January 2012, Bylaw 15932 was passed to allow for the Belvedere CRL to fund this project. The accumulated net deficit balance is due to timing difference between program operating costs (including debt servicing) and incremental tax-levy revenues and land sales. The deficit will be repaid from future CRL revenues and net proceeds from sale of land. The assessment baseline for the CRL is December 31, 2012. The CRL can remain in place for up to a maximum of 20 years from 2013 to 2032.</p>
<b>Community Revitalization Levy - Downtown</b>	<b>Urban Planning and Economy - Capital City Downtown Community Revitalization Levy</b>
	<p>The purpose of the CRL reserves is to capture timing differences between program operating costs and incremental tax-levy increases. Council approved a boundary for the Capital City Downtown CRL on March 5, 2013. The Province approved the CRL regulation on July 25, 2013, and Council approved the CRL Plan and Bylaw 16521 on September 17, 2013. The Province gave final approval of the CRL bylaw on April 16, 2014. The accumulated net deficit balance is due to timing difference between program operating costs (including debt servicing) and incremental tax-levy revenues. The deficit will be repaid from future CRL revenues. The assessment baseline for the CRL is December 31, 2014. The CRL can remain in place for up to a maximum of 20 years from 2015 to 2034.</p>
<b>Community Revitalization Levy - Quarters</b>	<b>Urban Planning and Economy - Quarters Community Revitalization Levy</b>
	<p>The purpose of the CRL reserves is to capture timing differences between program operating costs and incremental tax-levy increases. City Council approved Bylaw 15800, Schedule "A" - The Quarters Downtown CRL Plan on June 22, 2011. Quarters CRL is financed through borrowing Bylaw 15977 which was passed on January 18, 2012 that enabled the City to undertake infrastructure improvements and land development. The accumulated net deficit balance is due to timing difference between program operating costs (including debt servicing) and incremental tax-levy revenues. The deficit will be repaid from future CRL revenues. The assessment baseline for the CRL is December 31, 2011. The CRL can remain in place for up to a maximum of 20 years from 2012 to 2031.</p>
<b>Community Safety and Well Being</b>	<b>Corporate Expenditures &amp; Revenues and Community Services - Social Development</b>
	<p>The intent of Community Safety and Well-Being (CSWB) Strategy is to advance seven Council-approved pillars of action to address the root causes of complex social challenges. CSWB initiatives are assessed for impact according to Council-approved pillars: (Anti-Racism, Reconciliation, Well-Being, Safe and Inclusive Spaces, Pathways In and Out of Poverty, Crime Prevention and Crisis Intervention, Equitable Policies, Procedures and Guidelines), guiding principles and outcomes.</p>
	<p>The CSWB Reserve permits unexpended funds to be retained and applied to support future funding requirements in alignment with the Community Safety and Well-Being Strategy.</p>
<b>Developer Recoveries</b>	<b>City Operations - Parks &amp; Roads Services and Other Tax-Supported Branches</b>
	<p>Fees collected from external developers, for developments where the City was the initial developer, will be transferred to the reserve and allowable transfers from the reserve will be to fund future ARA recoverable capital projects as approved by City Council through the capital budget process. Interest earnings would be applied to this reserve as it is intended to maintain future capital purchasing power.</p>
<b>Edmonton Police Service</b>	<b>Boards and Authorities - Edmonton Police Service</b>
	<p>Established June 26, 2018 and governed by City Policy <i>C605 Edmonton Police Service Reserve</i>. The reserve is established to manage operational surpluses and deficits of the Edmonton Police Service over time.</p>
<b>Financial Stabilization</b>	<b>Corporate Expenditures &amp; Revenues</b>
	<p>The Financial Stabilization Reserve (FSR) was established in 1997 to provide flexibility in addressing financial risks associated with revenue instability and unforeseen costs on a transitional basis, and to ensure the orderly provision of services to citizens. As per City Policy <i>C217D Reserve and Equity Accounts</i>, a minimum balance of 5 per cent with a target balance of 8.3 per cent of current general government expenses (excluding non-cash amortization and gain or loss on disposal of capital assets) has been established. The source of funding for the FSR has generally been tax-supported operating surplus. No interest is applied to this reserve.</p>

# Reserve Funds - Definitions

Reserve Fund	Responsibility Area and Description
<b>Financial Stabilization - Appropriated</b>	<b>Corporate Expenditures &amp; Revenues and Other Tax-Supported Branches</b>
The Financial Stabilization Reserve (FSR) - Appropriated, tracks amounts that have been appropriated from the FSR for specific purposes in current or future years. No interest is applied to this reserve.	
<b>Fleet Services - Vehicle Replacement</b>	<b>City Operations - Fleet Services</b>
This reserve was approved on October 14, 2009 and supports City Policy <i>C617 Fleet Replacement Reserve</i> which was approved on May 14, 2019. This reserve is used to fund the replacement of fleet assets that have reached their useful life. Fleet assets for Edmonton Transit, DATS, Waste, and Edmonton Police Services are excluded from the scope of this reserve. Funds to replenish the reserve come from fixed charges paid by tax-supported and utility operations.	
<b>Fort Edmonton Train Maintenance</b>	<b>Boards and Authorities - Fort Edmonton Park</b>
As a condition of an ongoing agreement between the City of Edmonton and the Fort Edmonton Historical Foundation, annually a maximum of \$5,000 from the Fort Edmonton operations is set aside in this reserve to fund major maintenance expenses of the steam railway system within the Park. Interest earnings are applied to the reserve.	
<b>Funds in Lieu - Residential</b>	<b>Urban Planning and Economy - Planning and Environment Services</b>
This reserve was approved in 1985 based on City Council's direction to separate the residential portion from the commercial/industrial portion in the Parkland Purchase Reserve. Funds received from developers and from the sale of parkland in residential areas is used to purchase and develop parkland in residential areas. The funds are generated as a result of the parkland dedication required in accordance with the Municipal Government Act (MGA) of up to 10 per cent. The MGA requires that such funds be used for "a public park, a public recreation area, school authority purposes, or to separate areas of land that are used for different purposes". The funds collected are restricted by City Policy <i>C468A Policy to Govern the Use of Funds from the Sale of Surplus School Sites</i> to usage within the same neighbourhood. Interest earnings are applied to the reserve.	
<b>Heritage Resources</b>	<b>Urban Planning and Economy - Planning and Environment Services</b>
The Heritage Resources Reserve supports City Policy <i>C450B Policy to Encourage the Designation and Rehabilitation of Municipal Historic Resources in Edmonton</i> . This policy sets process for the designation of historically significant structures and the payment of required compensation such as grants, tax cancellation, rebate of property taxes, or a payment equal to the value of the amount of taxes payable on the designated historic building and substantial rehabilitation. This reserve also provides funding for maintenance grants, promoting heritage, and special heritage projects including limited demonstrative restoration projects. Annually, an amount is approved in the operating budget for this program and unspent funds are transferred into the reserve at the end of the year. Conversely, if there is a deficit in the program, draws are made on the reserve. Allowable transfers to and from the reserve must be in line with City Policy <i>C450B Policy to Encourage the Designation and Rehabilitation of Municipal Historic Resources in Edmonton</i> . No interest earnings are applied to this reserve.	
<b>Industrial Infrastructure Cost Sharing Program</b>	<b>Urban Planning and Economy - Development Services</b>
The Industrial Infrastructure Cost Sharing Program is designed to assist in financing large municipal infrastructure in industrial areas and to ultimately encourage the servicing and development of industrial land which provides an increased tax assessment base, employment and other economic spinoffs.	
<b>Interim Financing</b>	<b>Corporate Expenditures &amp; Revenues and Real Estate</b>
The Interim Financing Reserve was originally approved on November 19, 2014 and later amended on November 29, 2016. The purpose of the reserve is to accommodate timing differences between operating impacts of capital projects and related external funding sources and differences that arise between the timing of cash outflows (budget) and recognition of expenses (accounting) to ensure that the City can levy taxes in a manner that matches the cash outflow of the expenses. Reserve deficit balances will be repaid through external funding sources. No interest earnings are applied to this reserve.	
<b>Local Improvement</b>	<b>Corporate Expenditures &amp; Revenues</b>

# Reserve Funds - Definitions

Reserve Fund	Responsibility Area and Description
	<p>Approved at the October 31, 2012 City Council meeting, this reserve will accumulate the annual difference between local improvement revenues and debt servicing related to local improvements. Allowable transfers to the reserve relate to amounts placed on the tax roll to fund local improvement debt servicing, which will then be transferred out of the reserve as needed to service the debt used to fund local improvement projects. The local improvement will be approved in the capital budget as well as a bylaw. No interest earnings are applied to this reserve.</p>
<b>LRT</b>	<b>LRT Expansion and Renewal and Edmonton Transit Service</b>
	<p>An annual funding level of \$5.0 million is provided from tax-levy and is used to cover any deficiency of the Federal Gas Tax Fund over SLRT debt charges annually with any residual added to the reserve. Furthermore, a multi-year dedicated funding level is provided from tax-levy to support the construction and future operation of the new Valley Line LRT. Allowable transfers from the reserve are to be made available for funding city-wide LRT expansion and will be approved by Council through the operating and capital budget process. No interest earnings are applied to this reserve.</p>
<b>Motor Vehicle Insurance</b>	<b>Corporate Expenditures &amp; Revenues and Legal Services</b>
	<p>This reserve was established to satisfy the requirements of the Superintendent of Insurance. The City self-insures its motor vehicle liability claims and maintains a commercial insurance policy for claims in excess of its retention. As a self insured entity, the City is required to obtain a financial responsibility card from the Superintendent of Insurance for ownership, operation and maintenance of city owned or its leased motor vehicles. To obtain a financial responsibility card, pursuant to Section 825, Part 7 of the Alberta Insurance Act, RSA 2000, Chapter 1-3, the Corporation must maintain a separate insurance fund designated for the sole purpose of satisfying therefrom all Motor Vehicle Liability claims arising from bodily injury to or death of any person, or damage to property of others occasioned by, or arising out of the ownership, maintenance, operation or use of all vehicles owned by, operated by or leased to the City of Edmonton or any entity, owned in whole or in part by the City of Edmonton. The amount of \$2.5 million, in addition to the amount set aside to satisfy third party auto liability and accident benefit claims is the current approved requirement. Since the City records an ongoing liability for claim estimates and pays out of the annual budget set aside for these claims, the established limit in the reserve has remained stable. The reserve balance is invested in the Balanced Fund. Interest earnings on the investments form part of the corporate investment earnings budget.</p>
<b>Natural Areas</b>	<b>Urban Planning and Economy - Planning and Environment Services</b>
	<p>Approved March 2, 1999, the Natural Areas reserve was established to facilitate the acquisition and conservation of environmentally sensitive natural areas, as per City Policy <i>C531 Natural Area Systems</i>. Bylaw 15164, approved July 22, 2009 expanded the purpose of the reserve to facilitate the repayment of debt incurred in the purchase of natural areas. The expected source of funding is \$1 million transferred annually from tax levy through the budget process. Allowable transfers to and from the reserve must be in line with City Policy <i>C531 Natural Area Systems</i>. Interest earnings are applied to the reserve.</p>
<b>Neighbourhood Renewal</b>	<b>Building Great Neighbourhoods</b>
	<p>The Neighbourhood Renewal reserve will contain tax funding dedicated to the Neighbourhood Renewal Program net of annual expenditures, as approved through the annual City budget process, as per City Policy <i>C595A Neighbourhood Renewal Program</i>. No interest is applied to this reserve.</p>
<b>Parkland Purchase</b>	<b>Urban Planning and Economy - Planning and Environment Services</b>
	<p>The reserve receives funds from developer levies, the sale of municipal reserve lands in industrial and commercial areas, proceeds from the sale of municipal reserve land in the river valley communities (where land was originally purchased with Parkland Reserve funds) and money received from the rental of City property on park land. The Municipal Government Act (MGA) requires that such funds must be used for "a public park, a public recreation area, school authority purposes, or to separate areas of land that are used for different purposes". The funds collected can be used anywhere in the City for the required purposes. Interest earnings are applied to the reserve.</p>
<b>Pay-As-You-Go Capital</b>	<b>Corporate Expenditures &amp; Revenues</b>

# Reserve Funds - Definitions

Reserve Fund	Responsibility Area and Description
	<p>Pay-As-You-Go (PAYG) funding is largely made available from annual investment income, the Ed Tel Endowment Fund dividend, and property taxes. Annually the approved PAYG operating funds will be transferred to the reserve. Amounts will be transferred from the reserve to fund tax-supported operations (excluding Edmonton Police Services) capital projects as approved by City Council through the capital budget process. Over the capital budget cycle, total withdrawals from the reserve cannot exceed total available funding. In order to provide the necessary flexibility in the use of PAYG funds to manage the general government operations capital program, in any year of the current capital budget cycle funds may be withdrawn from the reserve in excess of available funding. At the end of the capital budget cycle, the reserve must be in a surplus or balanced position. Sufficient PAYG funds need to be available in the current capital budget cycle to fund the total cost of approved capital projects to be funded with PAYG, including those costs with cash flows extending beyond the current capital budget cycle. Proceeds from the sale of capital assets paid for with PAYG funds are to be transferred to the reserve to be used to fund future capital projects.</p>
<b>Pay-As-You-Go Capital - Edmonton Police Service</b>	<b>Boards and Authorities - Edmonton Police Service</b>
	<p>Pay-As-You-Go (PAYG) funding for Edmonton Police Services comprises property taxes. Annually the approved PAYG operating funds will be transferred to the reserve. Amounts will be transferred from the reserve to fund Edmonton Police Services capital projects as approved by City Council through the capital budget process. Over the capital budget cycle, total withdrawals from the reserve cannot exceed total available funding. In order to provide the necessary flexibility in the use of PAYG funds to manage the Edmonton Police Services capital program, in any year of the current capital budget cycle funds may be withdrawn from the reserve in excess of available funding. At the end of the capital budget cycle, the reserve must be in a surplus or balanced position. Sufficient PAYG funds need to be available in the current capital budget cycle to fund the total cost of approved capital projects to be funded with PAYG, including those costs with cash flows extending beyond the current capital budget cycle. Proceeds from the sale of capital assets paid for with PAYG funds are to be transferred to the reserve to be used to fund future capital projects.</p>
<b>Planning and Development</b>	<b>Urban Planning and Economy - Development Services</b>
	<p>Approved by Council on November 27, 2018 as part of Council Policy C610 - <i>Fiscal Policy for the Planning and Development Business</i>. The purpose of the reserve is to manage the long term fiscal sustainability of the Planning and Development Business. The balance in the reserve represents the appropriated accumulated surplus of the Planning and Development Business over time. This reserve is only intended to stabilize the Planning and Development Business over long periods of time and is not to support any other activities, including tax-supported operations. The reserve has a minimum balance of 30 per cent of annual budgeted operating expenses for the Planning and Development Business, with a target balance of 75 per cent. No interest is applied to this reserve. This reserve replaces the previous Current Planning Reserve.</p>
<b>Public Art</b>	<b>Integrated Infrastructure Services - Infrastructure Planning and Design</b>
	<p>Art in public spaces is essential for integrating art, design and creative ideas into public life. City Administration partners with the Edmonton Arts Council to comprehensively and sustainably manage the City of Edmonton's public art program and collection. The City of Edmonton will annually fund a Public Art Reserve on a Pay-As-You-Go basis as approved by City Council through the operating budget.</p>
<b>Revolving Industrial Servicing Fund</b>	<b>Urban Planning and Economy - Development Services</b>
	<p>The purpose of this reserve is to facilitate implementation of City Policy C533A <i>Revolving Industrial Servicing Fund</i>. The City provides rebates to Front End Developers that undertake construction of cost shareable infrastructure. The City often borrows debt in order to provide these rebates. Front End Developers are eligible for a rebate providing they construct End-User Development that increases the taxable property assessment by \$10 million or more (excluding machinery and equipment). The source of funding for this reserve will be 50 per cent of the incremental property tax revenue from these End-User Developments and recoveries from subsequent developers attributable to the City, and these will be used to offset related debt servicing costs first. Additional recoveries shall be deposited into the reserve to fund future rebates. Interest earnings are applied to the reserve.</p>
<b>Rogers Place Arena Capital</b>	<b>Corporate Expenditures &amp; Revenues</b>
	<p>The ticket surcharge agreement between the City of Edmonton and the Edmonton Arena Corporation identifies ticket surcharge revenues of \$375,000 per quarter (\$1.5 million annually) and will be transferred to the reserve quarterly. Allowable transfers from the reserve to fund capital repairs defined as City Costs and detailed in schedule B of the lease agreement with Edmonton Arena Corp. Interest earnings are applied to the reserve.</p>

# Reserve Funds - Definitions

Reserve Fund	Responsibility Area and Description
<b>Sanitary Servicing Strategy Fund</b>	<b>Urban Planning and Economy - Planning and Environment Services</b>
<p>Fees collected by the City from developers and EPCOR Drainage will be transferred to the reserve, and withdrawals will be made to reimburse EPCOR Drainage for eligible capital design and construction costs as approved by the Sanitary Servicing Strategy Fund (SSSF) Oversight Committee. Transfers to and from the reserve will be approved by City Council annually through the operating budget, however actual reserve transfers may vary from the budget approved by City Council at the discretion of the SSSF Oversight Committee in order to appropriately manage major sanitary trunk projects. Annual transfers from the reserve for reimbursement of EPCOR Drainage project costs are limited to the available funding in the reserve, and as a result the reserve is not allowed to go into a deficit balance. Interest earnings would be applied to this reserve as it is intended to maintain future capital purchasing power.</p> <p>EPCOR Drainage capital design and construction costs must be related to major sanitary trunks to service growth within the city and in new development areas.</p>	
<b>St. Francis Xavier</b>	<b>Community Services - Community Recreation and Culture</b>
<p>Established August 5, 2011 as a condition of an on-going agreement with the City of Edmonton and the Edmonton Catholic School Board to fund life/cycle maintenance for the St. Francis Xavier Sports Centre. Tax-levy funding is approved annually in the amount of 78 per cent of annual estimated maintenance costs, to fund the City's portion of major life/cycle maintenance. Any funding timing differences for the year are applied to the reserve. Interest earnings are applied to this reserve.</p>	
<b>Tax-Supported Debt</b>	<b>Corporate Expenditures &amp; Revenues</b>
<p>Approved on October 29, 2002 to accommodate timing differences between debt servicing requirements and receipt of taxes for the \$250 million 5 year program of tax-supported debt. As approved at the October 31, 2012 City Council meeting the purpose of the reserve was expanded to accommodate timing differences between debt servicing and receipt of taxes for all City tax-supported debt. A minimum balance of \$1.0 million is to be maintained and any unappropriated balance above this is made available to stabilize debt servicing costs within a year or to fund capital on a pay-as-you go basis. The minimum balance is to be used to manage any interest rate or cash flow fluctuations. No interest is applied to this reserve.</p>	
<b>Traffic Safety and Automated Enforcement</b>	<b>Corporate Expenditures &amp; Revenues and Parks &amp; Roads Services</b>
<p>Established November 26, 2014 and governed by City Policy <i>C579B Traffic Safety and Automated Enforcement Reserve</i>. The reserve is intended to accumulate surpluses (and fund shortfalls) that may arise from the variability of photo enforcement revenues, and transparently show budgeted allocations toward: a) The Office of Traffic Safety, b) Other traffic safety initiatives (operating and capital), and c) Community infrastructure programs such as, but not restricted to Community League Infrastructure Grant programs. The reserve will be funded from automated enforcement revenues and is to have a minimum balance of 5 per cent of automated enforcement revenue. Interest earnings are applied to this Reserve.</p>	
<b>Tree Management</b>	<b>City Operations - Parks &amp; Roads Services</b>
<p>A requirement of City Policy <i>C456C Corporate Tree Management</i>. Funds are placed in the reserve to replace the trees and shrubbery with a view to protect the urban forest, upon removal in the course of construction or repairs to City-owned property. Funds are transferred out of the reserve to cover the operating costs incurred to replace trees and shrubbery.</p>	
<b>Vehicle for Hire</b>	<b>Urban Planning and Economy - Development Services</b>
<p>The reserve may be utilized for specified purposes as approved by City Council through the operating and capital budget process. Eligible program expenditures include initiatives that benefit the Vehicle for Hire service, such as enforcement services, including the purchase of vehicles to support enforcement needs. A program initiative that is to be funded from the reserve must be identified in the annual vehicle for hire program work plan, align with the City Plan and Connect Edmonton goals and objectives, and promote and advance passenger and public safety. Transfers from the reserve help stabilize resources across extended periods of time and offset annual program deficits. Transfers to the reserve come from annual program surpluses (the excess of program revenues which are comprised of license fees, accessibility surcharges and per trip fees, over program expenditures). Annual program surpluses are transferred to the reserve. No interest earnings are applied to this reserve.</p>	

**DEBT  
SCHEDULE**

## Outstanding Debt Summary as of December 31, 2024 ('000s)

Debt and Debt Servicing (\$000)	Debt Outstanding	Debt Servicing Requirements for 2024
<b>Tax-Supported Debt</b>		
LRT (Excluding SLRT)	1,287,106	84,283
Transportation	961,812	69,938
Recreation Centers	609,880	47,859

**SPRING  
TAX LEVY  
CONFIRMATION (TLC)**

UPDATED MAY 2025

## Spring Tax Levy Confirmation (TLC) - May 2025

The Tax Levy Confirmation (TLC) is part of the City Council approved multi-year budgeting approach to setting the 2023-2026 Operating Budget. The Spring TLC was approved by City Council on April 22, 2025, and finalized the 2025 tax levy budget.

The following table summarizes the changes to the approved tax levy increase for each year of the multi-year budget cycle. In subsequent years, Administration and Council will meet twice per year to adjust the budgets as needed.

Tax-Supported Operating Budget	Approval Date	2023	2024	2025	2026
2023 - 2026 Operating Budget <i>Original Approved Budget</i>	Dec 16, 2022	<b>4.96%</b>	4.96%	4.95%	4.39%
2024 Operating Budget as Adjusted <i>Fall 2023 Supplemental Adjustment</i>	Nov 28, 2023	n/a	<b>6.6%</b>	5.3%	4.7%
2024 Operating Budget as Adjusted <i>Spring 2024 Supplemental Adjustment</i>	Apr 23, 2024	n/a	<b>8.9%</b>	7.0%	6.3%
2025 Operating Budget as Adjusted <i>Fall 2024 Supplemental Adjustment</i>	Dec 4, 2024	n/a	n/a	<b>6.1%</b>	6.8%
2025 Operating Budget as Adjusted <i>Spring 2025 TLC</i>	Apr 22, 2025	n/a	n/a	<b>5.7%</b>	6.4%

Adjustments made throughout the process resulted in approved tax levy increases of 5.7 per cent in 2025 and 6.4 per cent in 2026. These approved tax levy increases are 0.4 per cent less than what Council approved in the fall. Through the provincial budget in February, the Government of Alberta announced it would restore Grants in Place of Taxes (GIPOT) from 50 per cent up to 75 per cent in 2025, and up to 100 per cent in 2026. This results in the corresponding decrease of 0.4 per cent from the previously approved tax increases.

As a result of these increases, Edmonton households can expect to pay about \$64 per month for every \$100,000 of assessed home value, which is an increase of \$4 per month from 2024. This means the average household will pay about \$296 per month to help fund 70 City services, including emergency services, parks, trails, roads, bridges, transit, recreation centres, attractions and social supports.

The following schedules below reflect the 2025-2026 operating budget amendments approved by Council through the Spring 2025 Tax Levy Confirmation process.

## 2025-2026 Operating Budget Changes

## REPLACEMENT Attachment 1 - revised for carried Council amendments

Tax Supported Operations ((\$000s))	2025				2026
