**CORPORATE
SUMMARY**

Impact on a Typical
Homeowner

Corporate Summary
Budget Tables

Impact on a Typical Homeowner

The average Edmonton household will pay approximately \$747 in municipal property taxes for every \$100,000 of their assessed home value in 2024, an increase of \$46 compared to last year. These funds help maintain the roads, pathways and public transit that move people. They support Edmontonians’ safety and well-being through bylaw enforcement, fire rescue, police and social programs. They fund attractions, leisure activities and parks that make Edmonton a great place to live, work and visit.

Impact of the approved 2024 to 2026 municipal tax increases per \$100,000 of assessment value, residential

	2023 Budget	2024 Budget	Annual Impact	2025 Budget	Annual Impact	2026 Budget	Annual Impact
Municipal Services	548	583	35	619	36	655	36
Police Services	153	164	11	168	4	169	1
Per \$100K of assessment value, residential	\$701	\$747	\$46	\$787	\$40	\$824	\$37

Municipal Services is based on a 5% tax increase for 2024, 4.8% for 2025 and 4.5% for 2026, including assessment growth.

Police Services is based on a tax increase of 1.6% in 2024, 0.5% in 2025 and 0.2% in 2026.

	Impact of the Approved Tax Increase (%)		
	2024	2025	2026
Municipal Services	5.0	4.8	4.5
Police Services	1.6	0.5	0.2
	6.6	5.3	4.7

Heritage Valley Expansion					
To meet the needs of this underserved area of Edmonton, the City approved a 3,100 sq. ft. eplGO location in the Heritage Valley Town Centre (west of 127 St SW, north of 30 Ave SW) which opened in 2018. Additional staffing was approved in 2019 to support expanded hours to help meet customer demand.

**DETAILED
FUNDED
SERVICE PACKAGES**

Standalone Service Package - Redeploy VLSE (Valley Line Southeast LRT) Hours/Buses

Branch - Edmonton Transit Service
Program - Bus and LRT

Council Directed
Funded
Ongoing
Audit Related: No

Description

The activation of Valley Line Southeast will replace the need for the existing precursor bus service, Route 73; and provide an opportunity for ETS to repurpose these buses and operators to support new growth for the next two to four years.

Redeploying the hours and buses will allow service expansion, improve frequency along busy corridors, address equity gaps and support implementing the future Mass Transit Network.

Which Priorities does this Help to Advance?

Integrated & Connected Communities: The service package will provide more affordable transportation options for Edmontonians in communities by enhancing bus service. This will encourage transit use, ease congestion, increase service in areas that currently have limited bus service and improve traffic flow. The service package will also allow enhanced mobility for workers that commute to workplaces outside of peak hours.

What is the Impact?

The transit network, historically focused on peak hours commuting, does not align with the needs of all riders. Women and seniors tend to make more short distance trips during the midday and off-peak hours when there is less frequent transit service, finding it difficult use transit after 4pm. Redeploying the precursor bus service will make transit more accessible for groups who have been underserved by transit.

What are the Results to be Achieved?

The service package will enhance bus service to provide a higher level of transit service. Service levels will be improved, working towards the creation of a convenient, reliable, safe and fast transit experience for Edmontonians while supporting the ongoing development of the nodes and corridors envisioned in the City Plan, leading to an increased percentage of trips using transit or active modes of transportation.

Integrated Service Package - Satellite Garage and Transit Service Growth Operating Impact of Capital

Lead Branch - Edmonton Transit Service
Program - Bus and LRT

Council Directed
Funded
Ongoing
Audit Related: No

Description

Enabled through the purchase of 40 growth transit buses, this service package supports the delivery of 100,000 annual service hours and includes funding for operators, fuel, fleet maintenance and operation of the Kennedale Satellite Garage. One bus represents 2,500 annual service hours and the approach could be adjusted for an incremental approach. Service growth implementation is planned for Q2 2024 and will be guided by the Transit Service Standards and Transit Service Policy C539a. The smaller satellite facility allows for transit service growth in the near term, while awaiting completion of the larger Southeast Transit Garage. Costing for hydrogen fuel and maintenance is an estimate at a point in time and is subject to change. Further, if this service package is approved, capital funding of \$100k to support facility maintenance would be brought forward for Spring 2024 Supplemental Capital Budget Adjustment.

Which Priorities does this Help to Advance?

Mobility Network: Transit service growth improves and expands the mobility network, providing greater connectivity, increased service reliability and enhanced transit access city-wide.

Energy Transition & Climate: Increasing transit service availability supports ridership growth and mode shift to transit. The service package will also create capacity at other garages to increase the zero-emission fleet, advancing the City's energy transition goals.

What is the Impact?

Impact on Citizens: Transit service growth and improved service reliability supports greater access to transit, widening mobility choices through increased service frequency and new future routes.

GBA+: The package supports more equitable access to affordable transportation for those who choose transit as their primary transportation mode. Transit riders include youth, seniors, lower-income riders, newcomers, Indigenous peoples, and other marginalized communities.

What are the Results to be Achieved?

By addressing a component of service gaps identified by ETS and allowing service growth, the service package supports increased ridership by improving service availability and enhancing the transit rider experience. Ridership, service hours and rider satisfaction are monitored regularly. The satellite facility will also free up space at other garages for hydrogen-electric infrastructure improvements, advancing climate and energy transition targets in The City Plan.

Standalone Service Package - Heritage Valley Expansion

**Branch - Public Library
Program - Edmonton Public Library**

**Growth on Existing Services
Funded
Ongoing
Audit Related: No**

Description

As customer demand continues to grow, EPL will expand our existing Heritage Valley location from 3,013 sq. ft. to approximately 10,000 sq. ft. by leasing additional space within the current location managed by Allard Property Management. The expansion will allow EPL to provide full library service that includes library materials to meet customer demand, more public computer stations and added study space. The expanded space will also allow for a makerspace to support digital literacy and making and creating opportunities and a program room for library programs, meeting community need and demand for early literacy programming, enrichment, and recreation. This service package is partially funded through reallocation of funding within EPL.

Which Priorities does this Help to Advance?

This funding will allow EPL to increase existing services (e.g., expand library collections, public computer access and early literacy, school-aged and adult programming) and provide valuable library services that are presently limited due to capacity constraints for Edmontonians living in the extreme southwest (e.g., study space for students, makerspace, and program room to offer classes and events). Projected costs include staffing, lease and building operation costs. One-time costs such as leasehold improvements and fit ups will be funded through EPL’s reserves.

The relocation and expansion of the Heritage Valley Branch of the Edmonton Public Library aligns with the City Plan which supports economic equity to patrons to ensure Edmontonians will have access to safe, welcoming places to socialize, be creative, play, learn, and participate in library services and programs. The Edmonton Public Library is guided by its community-led service framework to remove barriers to accessing library services. The Library’s fundamental value is non-judgmental access to library services and resources for Edmontonians from all backgrounds.

What is the Impact?

This funding will allow EPL to increase existing services (e.g., expand library collections, public computer access and literacy programming) and provide valuable library services that are presently limited due to capacity constraints for Edmontonians living in the extreme southwest (e.g., study space for students, makerspace, and program room to offer classes and events). Projected costs include staffing, lease and building operation costs. One-time costs such as leasehold improvements and fit ups will be funded through EPL’s reserves.

The expansion of the Heritage Valley Branch of the Edmonton Public Library aligns with the City Plan which supports economic equity to patrons to ensure Edmontonians will have access to safe, welcoming places to socialize, be creative, play, learn, and participate in library services and programs. The Edmonton Public Library is guided by its community-led service framework to remove barriers to accessing library services. The Library’s fundamental value is non-judgmental access to library services and resources for Edmontonians from all backgrounds.

What are the Results to be Achieved?

EPL's epIGO Heritage Valley location operates from a small 3,013 sq. ft. kiosk storefront in southwest Edmonton. Since opening in 2018, customer demand for library services has outpaced the capacity of the space, and by comparison to other locations, its activity metrics outperform small branches and some of our medium branches. To meet customer demands, EPL proposes expanding our present space within the current storefront location so that we can increase existing services (e.g., expand library collections and of public computers) and provide valuable library services that are presently unavailable to Edmontonians living in the extreme southwest (e.g., study space for students, makerspace and program room to offer classes and events).

Standalone Service Package - Anti-Racism - High Level Office

Branch - City Manager
Program - City Manager

Growth on Existing Services
Funded
Ongoing
Audit Related: No

Description

The High Level Office for Reconciliation and Anti-Racism coordinates implementation of the Anti-Racism Strategy and the Truth and Reconciliation Commission (TRC) response. The Office provides corporate leadership for systems change by challenging and enabling transformation, supporting research, furthering best practices, monitoring progress, and engaging community.

Which Priorities does this Help to Advance?

This Service Package accelerates implementation of the Anti-Racism Strategy, the TRC Municipal Response Plan, and the Anti-Black Racism Action Plan. It furthers the City's goal of Healthy City, advances Council and ELT's priorities of anti-racism and reconciliation, as well as the City's Diversity and Inclusion Framework. Anti-racism and Reconciliation are pillars of the Community and Safety Well-Being Strategy.

What is the Impact?

The City's Anti-Racism Strategy, Anti-Black Racism Action Plan, and the TRC Municipal Response Plan increase inclusiveness for Indigenous and racialized communities. The High Level Office helps improve Edmonton's quality of life by reversing discriminatory, colonial, and exclusionary systems and policies that impact access to City services, affect employment, marginalize cultures and histories, and exacerbate social determinants of poverty.

What are the Results to be Achieved?

The Office will improve relevance and quality of services to Indigenous and racialized communities, and reduce barriers to City employment for these groups. Investments in community capacity, funding, and celebrations will increase social access for equity-deserving groups, and strengthen their trust in the City. Edmontonians will find themselves reflected in the City more broadly, and provided with more effective services.

Standalone Service Package - Anti-Racism - Independent Body

**Branch - City Manager
Program - City Manager**

**Growth on Existing Services
Funded
Ongoing
Audit Related: No**

Description

This Service Package supports the Anti-Racism Strategy by operationalizing and equitably resourcing a new community-led Independent Anti-Racism Body. The Body will oversee community-led transformative anti-racism activities and advocacy throughout Edmonton, with the ability to stimulate reflection on and challenge systemic racism.

Which Priorities does this Help to Advance?

This Service Package accelerates implementation of the Anti-Racism Strategy, furthers the City’s goal of Healthy City, and advances Council and ELT priorities of anti-racism and Indigenous reconciliation. Anti-racism and Reconciliation are pillars of the Community and Safety Well-Being Strategy, and are core programs of the City Manager’s Office. The Body supports Integrated & Connected Communities as we become a diverse city of 2 million.

What is the Impact?

This Service Package improves Edmonton's quality of life by creating an empowered citizen-driven body striving to dismantle discriminatory, colonial, and exclusionary systems. The Body is permanent and equitably funded, enabling community to activate, advocate, and hold systems to account. The Body was recommended by community during consultations held by ARAC when developing the Anti-Racism Strategy, and adheres to the TRC Response Plan.

What are the Results to be Achieved?

The Independent Body will be Edmonton's backbone organization to counter racism faced by Indigenous and racialized communities. The Body will result in increased public awareness, capacitated grassroots organizations, intercultural understanding, and collaborative action within community. The service package will result in better data collection and analysis, community engagement, policy advice, and City accountability.

Integrated Service Package - Core Encampment and Unsheltered Homelessness Response

**Lead Branch - Community Standards and Neighbourhoods
Program - Enforcement and Program Services**

**Growth on Existing Services
Funded
Ongoing
Audit Related: No**

Description

Answering encampment complaints is a significant component of Administration's response to homelessness. The resources required to address encampments, including clean-ups, has not kept pace with increased demand. In an effort to meet core service levels, Administration is seeking a total of 22 FTE and operating costs to provide enforcement, encampment clean-up, a hygiene hub and preparation for possible shigella outbreaks in 2024.

Which Priorities does this Help to Advance?

The core encampment and unsheltered homelessness response service package supports: the corporate objective of Serving Edmontonians, ConnectEdmonton's Healthy City - Inclusive and Compassionate, Community Safety and Well-Being, and Public Safety. The internal supports for data analysis, peace officer training and a business operations analyst support enabling service.

What is the Impact?

Edmontonians will receive the target and timely response to their complaints through additional homeless camp clean-up resources which will assist with meeting service levels. Additionally, the homeless population will continue to receive the hygiene hub services at one location and employees will experience a relief from the current state of six peace officers responding to over 9000 complaints (more than 1500 per officer) during the year.

What are the Results to be Achieved?

Results include re-establishing a response time service standard of 3-5 days between complaint submission and investigation. Additionally, a reduction of complaints in the queue for the High Risk Encampment Response Team, expedition of clean up for closed encampments, and increased hygiene opportunities for encampment occupants are expected.

Standalone Service Package - Edmonton Transit Service (ETS) Auxiliary Vehicle Growth Units

Branch - Edmonton Transit Service Program - Bus and LRT	Operating Impacts of Capital Funded Ongoing Audit Related: No
--	--

Description

The responsibility for maintaining LRT systems, including signals, overhead power and substations, were transitioned to the City of Edmonton in 2022. While the staff transition was cost neutral, ETS will incur ongoing costs to operate, maintain and contribute into a fleet replacement reserve for the fleet associated with this work. Due to the timing of this change this item was not requested within the 2023-2026 budget cycle.

Which Priorities does this Help to Advance?

The maintenance of the LRT system is fundamental to our mobility network. As vehicles are replaced and appropriate technology solutions are available, Administration will work towards implementation of a zero-emissions fleet to zero emissions fleet options, which supports Edmonton's transition to a low carbon future.

What is the Impact?

This allows ETS to operate, maintain and replace maintenance auxiliary vehicles for LRT systems as they approach end of life. Delivery of LRT maintenance crews and their specialized equipment to site in order to conduct this maintenance is critical to the operation of the LRT.

What are the Results to be Achieved?

Having an optimal maintenance and lifecycle management plan for our fleet will reduce our overall maintenance cost and increase the uptime availability for our maintenance crews.

Standalone Service Package - [Fleet] EPS - Ford Explorer (Growth Units) - HELP Funding

**Branch - Fleet and Facility Services
Program - Municipal Maintenance**

**Operating Impacts of Capital
Funded
Ongoing
Audit Related: No**

Description

Preventative maintenance, running repairs and fuel costs related to 6 growth units in EPS. Units are being purchased for EPS' HELP program with available grant funding (2023-2025) and will be funded after 2025 within existing EPS budget.

Which Priorities does this Help to Advance?

This service package directly advances Social Well-being and Community Safety through HELP teams pairing EPS officers and social navigators to connect vulnerable individuals with needed supports. Funding allows teams to expand from their current locations and provide services citywide seven days a week between the hours of 7 a.m. to 10 p.m. This service package is directly related to maintenance and fuel costs of six additional HELP vehicles.

What is the Impact?

The operating impacts of capital will provide ongoing funding for fuel and regular preventive maintenance of six new HELP vehicles to support six additional social navigators who will partner with existing EPS personnel. Not funding this service package will have a direct impact on the HELP program's service delivery and citizen safety.

What are the Results to be Achieved?

Preventative maintenance programs ensure that vehicles are safe, reliable and available for programs and services provided to the citizens of Edmonton.

Standalone Service Package - Tweddle Place Living Wall

**Branch - Parks and Roads Services
Program - Infrastructure Operations**

**Operating Impacts of Capital
Funded
Ongoing
Audit Related: No**

Description

This package includes operating impacts associated with the "The Living Wall" (91 St and Whitemud intersection), a nature-based solution as an alternative for traditional noise/visual barriers between roadways and residential areas. It consists of noise-absorptive, graffiti-resistant willow stands between wood frames. Operational funding is required for ongoing maintenance of the shrubs installed in the living wall, and the wall structure.

Which Priorities does this Help to Advance?

The Living Wall project aligns with the City's priority of "energy transition and climate action" and with naturalization initiatives. The installation of living infrastructure aligns with the City Plan Big City Move Greener As We Grow and advances Climate Action and Protection. Nature-based solutions for climate resilience protect, manage, and restore ecosystems and provide co-benefits like urban heat reduction, habitat, and biodiversity.

What is the Impact?

Citizens will experience improved quality of life with the noise-absorptive and aesthetically pleasing Living Wall. The City demonstrates commitment to sustainability and innovative landscape management through this project. This funding will ensure that the willows installed are maintained and watered so they thrive, and that the wall structure is inspected and repaired as needed to ensure structural integrity and safety are maintained.

What are the Results to be Achieved?

This funding will ensure ongoing maintenance of the Living Wall. The intended outcome the Living Wall project is to support environmental sustainability, improved quality of life, and economic benefits.

Integrated Service Package - Metro to Blatchford - Alternative

Lead Branch - Edmonton Transit Service Program - Bus and LRT

**Operating Impacts of Capital
Funded
Ongoing
Audit Related: No**

Description

The Metro Line NAIT to Blatchford extension is one of the priority LRT projects identified in the City Plan. The service package funds the operation of the new permanent NAIT station starting in 2024 and maintenance of the completed Blatchford Gate station as the opening of Blatchford Gate station would be deferred. Costs include track and station maintenance; safety and security; supporting fleet; landscaping; NAIT plaza maintenance; and utility costs.

Which Priorities does this Help to Advance?

Mobility Network: The project expands the mobility network by advancing the LRT corridors prioritized in the City Plan.

District Planning: The project encourages transit-oriented development, supporting density around LRT station areas and helps catalyze further development the Blatchford area.

Energy Transition & Climate Action: The project supports mode shift, reducing the city's GHG emissions by lowering the use of single-occupant vehicles.

What is the Impact?

Impact on Citizens: The Metro Line to Blatchford extension expands the LRT network to Northwest Edmonton for the first time, providing greater LRT access to community members in the north and northwest areas of Edmonton.

GBA+: The LRT extension will provide more convenient, faster transit options for low-income populations, seniors, people with disabilities and youth in the Northwest. The project is one of six LRT projects designed and planned in consultation with Indigenous communities.

What are the Results to be Achieved?

The project expands the LRT network with an aim to attract new riders and sustain existing riders by enhancing the transit experience and conveniently connects communities to all the services and amenities they need to improve their quality of life. The project supports the City's initiatives to create neighbourhoods that are livable, pedestrian-friendly environments and achieve environmental targets by increasing transit usage.

Pre-Application Meeting⁴	2024 Fee (Approved)	2025 Fee (Approved)	2026 Fee (Approved)
Major Development Permits - Non-residential and Multi-unit Residential, Cluster/Lodging/Supportive Housing	\$470.00	\$480.00	\$490.00
Minor Development Permits - New Infill Construction for Single Detached Housing, Semi-detached Housing, Duplex Housing, Backyard Housing	\$185.00	\$190.00	\$195.00
Inspection Fees	2024 Fee (Approved)	2025 Fee (Approved)	2026 Fee (Approved)
<u>Development Permit Inspections⁵</u>			
Non-residential developments and Residential developments with 5 or more Dwellings in Redeveloping Areas for the first two inspections	\$550.00	\$560.00	\$575.00
<u>Lot Grading Inspection Fee - Bylaw 18093</u>			
Single Detached and Semi-detached Housing (per dwelling unit)	\$155.00	\$160.00	\$160.00
Multi-family housing (per building)	\$480.00	\$490.00	\$500.00
Each Additional Multi-unit Housing dwelling above the first 4 units on the first level	\$63.00	\$64.00	\$65.00

Any other land use - Minimum fee per building, addition to building or alterations of surface drainage	\$480.00	\$490.00	\$500.00
Re-inspection	\$170.00	\$175.00	\$180.00

This table reflects only the fees associated with Zoning Bylaw 20001 and the Drainage Bylaw 18093. All other fees, such as those relating to Safety Code Permits or the Business Licence Bylaw 20002 are found on other fee schedules.

¹ The Re-inspection fee of \$170 would apply after the first two inspections as per Lot Grading Fee in the Drainage Bylaw 18093.

² a) Residential property is defined as three or less self-contained dwelling units located on one site that is used for residential purposes. b) Non-residential property is defined as, but not limited to, a multi-family unit, commercial or industrial property.

³ The Development Planner may reduce or waive Development Permit Fees, including any additional fees, where payment of the fee will result in hardship or inequity.

⁴ Subject to GST.

⁵ Small scale residential Development Permit Inspection fees are included in the Development Permit fee.

⁶ Up to two Development Permit Inspections may be undertaken as part of the Development Permit fees for New Residential Dwellings.

Safety Codes Building Permits - Bylaw 15894	2024 Fee (Approved)	2025 Fee (Approved)	2026 Fee (Approved)
---	---------------------	---------------------	---------------------

Calculated Construction Value per square foot of floor area

Construction Value: \$24,001 - \$80,000	\$220.00	\$225.00	\$230.00
Construction Value: \$80,001 - \$400,000	\$390.00	\$395.00	\$405.00
Construction Value: \$400,001 - \$2,000,000	\$800.00	\$815.00	\$835.00
Construction Value: \$2,000,000+	\$2,585.00	\$2,640.00	\$2,695.00
Additional Meter Set (per Meter) ³	\$47.00	\$48.00	\$49.00
Additional Fees			
Additional Inspections (per inspection)	\$275.00	\$280.00	\$285.00
Mailing Out Minor Building Permit Flat Plans	\$26.00	\$27.00	\$28.00
Search of Records/Outstanding Orders Search (per titled lot)	\$115.00	\$120.00	\$120.00

Reproduction Fee: 8" x 11" document over 20 pages (per page)	\$0.25	\$0.25	\$0.25
Reproduction Fee: for larger documents (fee charged per sq ft by vendor)	\$1.00	\$1.00	\$1.00
Fire Inspection Services Fee for Construction Site Plan Review ⁴	\$392.00	\$392.00	\$392.00
Interior Alterations to Commercial/Industrial Buildings Commenced BEFORE Permit Issued	\$415.00	\$425.00	\$430.00
Occupant Load Certificate	\$115.00	\$120.00	\$120.00
Re-examination of Revised Plans			
For minor residential projects as listed above, projects with construction value of \$0 - \$10,000:	\$115.00	\$120.00	\$120.00
For all other projects ⁵	\$275.00	\$280.00	\$285.00
Unmetered Construction Water Fee - per \$1,000 of Construction Value ⁶	\$0.44	\$0.44	\$0.44
Unmetered Construction Water Fee - Maximum Per Project Fee	\$625.00	\$625.00	\$625.00
Non-refundable Administrative Fee (or 20%), for permit work not yet started	\$115.00	\$120.00	\$120.00
Reactivation of an expired permit - fee of one half the original permit fee but not less than the minimum fee for that permit type.			
<u>Pre-Application Meeting⁷</u>			
Commercial Building Permits - Commercial, Industrial, Institutional, Mixed Use and Multi-dwelling (over 5 units and/or multi-building residential construction sites) Building Applications	\$470.00	\$480.00	\$490.00

<u>After Hours Inspections⁸</u>			
Up to three hours including travel time when commenced out of business hours	\$550.00	\$560.00	\$575.00
Each additional half hour or part thereof	\$92.00	\$94.00	\$96.00

<u>Festivals and Special Events⁹</u>			
First hour of inspection	Standard commercial and trade minimum fee per schedule above		
Each additional half hour or part thereof	\$92.00	\$94.00	\$96.00

Notes

Safety Codes Fee is applicable to Building Permits, Gas Permits, Temporary Gas Permits, Plumbing Permits, HVAC Permits, Sewer Permits, and Electrical Permits. It is 4% of **each individual permit fee**, with a minimum of \$4.50 and a maximum of \$560 per permit.

Construction Value means the value of the construction of an undertaking as determined by the City Manager.

Combined Building Mechanical Permit Fee means a single fee payable for all of the following permits for an undertaking: a building permit, a gas permit, a heating, ventilating, and air-conditioning permit, and a plumbing permit.

Electrical Installation Cost means the cost of the materials and labour to install a particular electrical undertaking.

Floor Area is used as a denominator in determining the “cost per square foot” value. We have adopted the Canadian Institute of Quantity Surveyors’ definition of Floor Area which dictates:

1. Measure each floor to the outer face of the external walls;
2. No deductions for openings at stairs, elevators or vertical ducts are made;
3. A deduction is made for a non-service vertical protrusion, e.g., atrium space;
4. Mezzanine floors are generally included;
5. Balconies are excluded; enclosed solariums in residential condominiums are included;

- 6. Sloping and stepped floors (auditoriums/movie theatres) are measured flat; and,
- 7. Exclude all external covered walkways

If a permit is extended or reactivated, the fee payable for the permit is one-half of the amount required for a new permit for the project, provided no changes have been made or proposed to what was originally approved.

¹ Includes multi-unit Backyard Housing.

² House Wiring Permit Fees are based on the Floor Area of the House.

³ The Electrical Additional Meter Set fee applies to additional meters required for separate entryway addresses but not for individual apartment/condo units that share one entryway. The first meter is included in the Electrical Permit fee.

⁴ May be subject to GST per the Fire Rescue Service Bylaw 15309. The amount listed as of January 1, 2023. Please refer to the bylaw for the most up-to-date information.

⁵ If a re-examination of revised plans involves an increase in:
 - construction value of more than \$25,000, or
 - total floor area of the project,
 then permit fees will be adjusted according to the prevailing fee schedule.

⁶ City of Edmonton - EPCOR Water Services Bylaw 19626.

⁷ Subject to GST.

⁸ Business hours are 8:00 AM - 4:30 PM on weekdays. Inspections requested outside of that time (evenings, weekends, and statutory holidays) are subject to the charges listed.

⁹ Festivals and Special Events are charged standard commercial and trade minimum fees which include permit review, permit issue and up to an hour on-site inspection. Each additional half hour or part thereof when inspection occurs are charged at the rate listed.

Each lot within			
Lots within the RS, RSF, RSM, or RR zones	\$715.00	\$730.00	\$745.00
Lots within the RL, RM, MUN, CN, MU, CG or CB zones	\$2,505.00	\$2,560.00	\$2,615.00
Lots 1.0 ha or less within the BE, IM, or IH zones	\$1,530.00	\$1,560.00	\$1,595.00
Lots over 1.0 ha within the BE, IM or IH zones	\$3,055.00	\$3,120.00	\$3,185.00

Others that are not covered by the above categories, except reserve lot or public utility lot	\$715.00	\$730.00	\$745.00
Time Extension for Endorsement (Only applied to second or more request)	\$715.00	\$730.00	\$745.00
<u>Bare Land Condominium Fees</u>			
Bare Land Condominium Application Fee (per bare land unit to be created)	Refer to Subdivision Application Fees		
Bare Land Condominium Endorsement Fee (per bare land unit to be created)	Refer to Subdivision Endorsement Fees		
Flat fee for parking stalls converted to a bare land unit (per stall)	\$165.00	\$170.00	\$175.00
<u>Strata Space Plan Fees</u>			
Strata Space Plan Application Fee	Refer to Subdivision Application Fees		
Strata Space Plan Endorsement Fee	Refer to Subdivision Endorsement Fees		
<u>Condominium Fees</u>			
Application fee per unit excluding common property pursuant to the Condominium Property Regulation	\$40.00	\$40.00	\$40.00
Flat fee for parking stalls converted to condominium units (per stall)	\$30.00	\$31.00	\$32.00
Additional Land Development Fees			
Re-circulation (3rd and subsequent recirculation)	\$1,145.00	\$1,170.00	\$1,195.00
Re-activation (on an existing file that has been on hold for 12 months or more)	\$1,145.00	\$1,170.00	\$1,195.00
Pre-Application Meeting ⁴	\$470.00	\$480.00	\$490.00

Notification and Engagement Fee per component (ie Rezoning, Plan Amendment, Road Closure)	\$1,585.00	\$1,620.00	\$1,650.00
Re-notification Fee (per label)	\$3.50	\$3.50	\$3.50
DC Notification Fee (per label)	\$5.50	\$5.50	\$6.00
DC Notification Fee minimum	\$46.00	\$47.00	\$48.00
International Notification Fee (per label)	\$5.50	\$5.50	\$6.00
Road Closure Applications	\$1,760.00	\$1,795.00	\$1,835.00
Change of Address (per address) ⁵	\$385.00	\$395.00	\$405.00

Servicing Agreements Fees

Arterial Roadway Administration Fee	\$2,245.00	\$2,295.00	\$2,340.00
Show Home Agreement Application	\$1,150.00	\$1,170.00	\$1,195.00
Inspection Fees (fee charged per hectare with a minimum value of 3.0 hectares)	\$8,365.00	\$9,410.00	\$10,455.00
Boundary Assessment Fee	\$1,150.00	\$1,170.00	\$1,195.00
Interim Construction Agreement Fee	\$1,150.00	\$1,170.00	\$1,195.00

¹ Floor Area Ratio as defined under Zoning Bylaw 20001.

² Area Structure Plan amendments application fee excludes amendments that are necessitated by an amendment to the Neighbourhood Structure Plan.

³ The Subdivision Officer and Director of Planning Coordination may reduce or waive Land Development Application Fees, including any additional fees, where payment of the fee will result in a hardship or an inequity.

⁴ Subject to GST.

⁵ Applications for address changes are only permitted where the existing address is creating inherent confusion for the delivery of public services and the general public, or Emergency Response and Administration deem necessary.

Notes for Rezoning Application Fees

A base fee and area rate are both charged per proposed category - see example below.

- If an application has proposed zones in the same category, the proposed category's base rate will be charged once.

<p>- Except MU and DCs, each zone within the same category or different category will be charged its associated area rate based on the site area (ha) for the boundary of the proposed zone(s).</p>			
<p>- Proposed Height (h) Modifiers changes under RSM, RM and RL zones shall be charged their respective category base fee and area rates.</p>			
<p>Direct Control Types are characterized as follows:</p>			
<p>- Administrative: A standard zone is being rezoned to a DC for a minor technical reason (i.e. minor numerical changes to regulations, removal of uses from a standard zone), minor amendments to an existing DC zone.</p>			
<p>- Minor: Changes to the character of the site that do not significantly change the intensity of the use.</p>			
<p>- Resembles a standard zone with minor changes to uses that change the character of the zone</p>			
<p>- Addition or changes to regulation(s) from Standard Zone.</p>			
<p>- No increase in FAR from existing zoning.</p>			
<p>- Only "architectural" changes to height that do not result in additional floor area.</p>			
<p>- Major:</p>			
<p>- Significant changes to the character and intensity of uses. (i.e. commercial, residential and mixed use towers, adding residential uses to commercial site or non-residential uses to residential site, large-site rezonings)</p>			
<p>- Increase 2 or more of FAR/height/density</p>			
<p>- Major additions of uses from previous standard zone or DC</p>			
<p>- Major changes or additions of regulations from standard zone or DC</p>			
<p>- Application requires comprehensive site planning supported by technical studies</p>			
<p>Rezoning applications are subject to a notification and engagement fee component.</p>			
<p>The applicant must pay the difference in fees, prior to third reading of the amending Bylaw, for any application resulting in a zone in a higher fee category than that initially applied for, whether the application was amended by the applicant, Development Services, or City Council. If the resulting Zone is in a lower fee category, no refund shall be made.</p>			

Example Rezoning Application:
From (AG)
To (RM) @ 4.0 ha, (CG) @ 3.0 ha, and (MU) 5.0 FAR @ 4,500 m ²

Description (Category)(Zone) (site area (ha) or Buildable Area (m ²) as appropriate)	(A) Base Fee	(B) Area (ha or m ²)	(C) Area Rate (per ha or m ²)	(D) Area Rate Fee (B x C)	(E) Sub total (A + D)
Medium Scale Residential Category (RM) @ 4.0 ha	\$2,535.00	4.0 ha	\$235.00/ha	\$940.00	\$3,475.00
Large Scale Commercial/Mixed Use (CG) @ 3.0 ha	\$4,680.00	3.0 ha	\$650.00/ha	\$1,950.00	\$6,630.00
MU - FAR Modifier, 5.0 FAR @ 4,500 m ² Site	\$4,680.00	22,500 m ² (FAR x Site Area)	\$0.30/m ²	\$6,750.00	\$11,430.00
				Total Rezoning Fees	\$21,535.00

Urban Planning and Economy Department, Planning and Environment Services

(Note: As stated in the EPCOR Drainage Services Bylaw approved by Council on August 30th, commencing January 1, 2018 and for each subsequent year on that date the Sanitary Sewer Trunk Charge shall be adjusted in accordance with an adjustment notice provided by the City of Edmonton, as applicable. The EPCOR Sanitary Integrated Review Plan (SanIRP) is in progress and will be the main determining factor on infrastructure cost and revenue collection, therefore rates in subsequent years will be determined when the SanIRP is completed.)

Sanitary Servicing Strategy Fund (SSSF) Rates - Bylaw 18100	2024 Fee (Approved)	2025 Fee (Approved)	2026 Fee (Approved)

Reserve Funds - Definitions

Reserve Fund	Responsibility Area and Description
Affordable Housing	Community Services - Social Development
To assist the Social Development branch in delivering Affordable Housing units as outlined in the Council approved "Road Map" for Affordable Housing Investment Plan implementation. Due to the unpredictable spending pattern of expenditures and involvement of other orders of government, this reserve permits unexpended funds to be retained and applied to support future funding requirements. No interest earnings are applied to this reserve. Allowable transfers to and from the reserve must be in line with the Affordable Housing Investment Plan program.	
Brownfield Redevelopment	Urban Planning and Economy - Economic Investment Services
To facilitate implementation of City Policy <i>C571 Brownfield Remediation and Redevelopment Support</i> , the Brownfield Redevelopment Reserve was established with approval by Council on December 15, 2015. The reserve accumulated timing differences between recognition of the City's liability (expense) to provide funds to the grant applicant for Phase III redevelopment work and receipt of future municipal tax uplift from the redevelopment to pay back the grant and related liability.	
On September 13, 2023, City Council approved to increase the scope of the Brownfield Redevelopment Reserve to include the Phase I, II and IV grant programs as well. It may take several years for applicants to complete remediation and redevelopment work, and to fulfill the criteria of the Grant Funding Agreement for Phase I, II, and IV grants. The grants are only provided once the applicant has fulfilled all the criteria of the Grant Funding Agreement. This may result in a delay between when the grant and related budget are approved and when the grant is actually distributed to the applicant. The approved change would have the reserve accumulate any timing differences between when applicants enter a Grant Funding Agreement and the budget is approved and when they fulfill the criteria for grant payment. Allowable transfers to and from the reserve must be in line with the City Policy <i>C571 Brownfield Remediation and Redevelopment Support</i> .	
City of Edmonton Library Board	Boards and Authorities - Public Library
Reserves for future expenditures relating to Library Operations include amounts set aside by the Library Board for specific purposes. This will include amounts for Library facility projects and other major projects. No interest is applied to this reserve.	
Commercial Revitalization	Urban Planning and Economy - Economic Investment Services
The purpose of the Commercial Revitalization reserve is to accommodate the timing differences between tax-levy funding for three commercial revitalization programs and the distribution of grants to eligible applicants. The three commercial revitalization programs (Development Incentive, Storefront Improvement, and Corner Store) provide a complementary set of tools to support commercial revitalization and main street vibrancy across targeted areas of the City. The programs also support City Council's strategic goal of Urban Places, as identified in ConnectEdmonton: Edmonton's Strategic Plan. Allowable transfers to and from the reserve must be in line with the City Policies <i>C216C Storefront Improvement Program</i> , <i>C533C Development Incentive Program</i> , and <i>C616 Corner Store Program Policy</i> .	
Commonwealth Stadium	Community Services - Community Recreation and Culture
Approved in 1995 and established with \$750,000 from the original Vehicle Equipment Reserve as a result of the agreement between the City of Edmonton and the Edmonton Eskimo Football Club for the operation of the Commonwealth Stadium on an entrepreneurial basis. Annually \$200,000 of tax-levy funding is allocated to the reserve for development of new revenue, marketing strategies or capital programs. The City's portion of concession earnings are held in this reserve for capital concession capital projects. Effective January 1, 2007, 15 per cent of net concession revenues from City events or co-sponsored events is contributed by the Eskimos annually to the reserve for replacement of concession equipment. Interest earnings are applied to this reserve.	
Community Revitalization Levy - Belvedere	Urban Planning and Economy - Belvedere Community Revitalization Levy
The purpose of the CRL reserves is to capture timing differences between program operating costs, incremental tax-levy increases and land sales. Belvedere CRL (Station Pointe) is financed through borrowing Bylaw 14883 which was passed in 2008 that enabled the City to undertake infrastructure improvements and land development along Fort Road. In January 2012, Bylaw 15932 was passed to allow for the Belvedere CRL to fund this project. The accumulated net deficit balance is due to timing difference between program operating costs (including debt servicing) and incremental tax-levy revenues and land sales. The deficit will be repaid from future CRL revenues and net proceeds from sale of land. The assessment baseline for the CRL is December 31, 2012. The CRL can remain in place for up to a maximum of 20 years from 2013 to 2032.	

Reserve Funds - Definitions

Reserve Fund	Responsibility Area and Description
Community Revitalization Levy - Downtown	Urban Planning and Economy - Capital City Downtown Community Revitalization Levy
<p>The purpose of the CRL reserves is to capture timing differences between program operating costs and incremental tax-levy increases. Council approved a boundary for the Capital City Downtown CRL on March 5, 2013. The Province approved the CRL regulation on July 25, 2013, and Council approved the CRL Plan and Bylaw 16521 on September 17, 2013. The Province gave final approval of the CRL bylaw on April 16, 2014. The accumulated net deficit balance is due to timing difference between program operating costs (including debt servicing) and incremental tax-levy revenues. The deficit will be repaid from future CRL revenues. The assessment baseline for the CRL is December 31, 2014. The CRL can remain in place for up to a maximum of 20 years from 2015 to 2034.</p>	
Community Revitalization Levy - Quarters	Urban Planning and Economy - Quarters Community Revitalization Levy
<p>The purpose of the CRL reserves is to capture timing differences between program operating costs and incremental tax-levy increases. City Council approved Bylaw 15800, Schedule "A" - The Quarters Downtown CRL Plan on June 22, 2011. Quarters CRL is financed through borrowing Bylaw 15977 which was passed on January 18, 2012 that enabled the City to undertake infrastructure improvements and land development. The accumulated net deficit balance is due to timing difference between program operating costs (including debt servicing) and incremental tax-levy revenues. The deficit will be repaid from future CRL revenues. The assessment baseline for the CRL is December 31, 2011. The CRL can remain in place for up to a maximum of 20 years from 2012 to 2031.</p>	
Community Safety and Well Being	Corporate Expenditures & Revenues and Community Services - Social Development
<p>The intent of Community Safety and Well-Being (CSWB) Strategy is to advance seven Council-approved pillars of action to address the root causes of complex social challenges. CSWB initiatives are assessed for impact according to Council-approved pillars: (Anti-Racism, Reconciliation, Well-Being, Safe and Inclusive Spaces, Pathways In and Out of Poverty, Crime Prevention and Crisis Intervention, Equitable Policies, Procedures and Guidelines), guiding principles and outcomes.</p> <p>The CSWB Reserve permits unexpended funds to be retained and applied to support future funding requirements in alignment with the Community Safety and Well-Being Strategy.</p>	
Developer Recoveries	City Operations - Parks & Roads Services and Other Tax-Supported Branches
<p>Fees collected from external developers, for developments where the City was the initial developer, will be transferred to the reserve and allowable transfers from the reserve will be to fund future ARA recoverable capital projects as approved by City Council through the capital budget process. Interest earnings would be applied to this reserve as it is intended to maintain future capital purchasing power.</p>	
Edmonton Police Service	Boards and Authorities - Edmonton Police Service
<p>Established June 26, 2018 and governed by City Policy <i>C605 Edmonton Police Service Reserve</i>. The reserve is established to manage operational surpluses and deficits of the Edmonton Police Service over time.</p>	
Financial Stabilization	Corporate Expenditures & Revenues
<p>The Financial Stabilization Reserve (FSR) was established in 1997 to provide flexibility in addressing financial risks associated with revenue instability and unforeseen costs on a transitional basis, and to ensure the orderly provision of services to citizens. As per City Policy <i>C217D Reserve and Equity Accounts</i>, a minimum balance of 5 per cent with a target balance of 8.3 per cent of current general government expenses (excluding non-cash amortization and gain or loss on disposal of capital assets) has been established. The source of funding for the FSR has generally been tax-supported operating surplus. No interest is applied to this reserve.</p>	
Financial Stabilization - Appropriated	Corporate Expenditures & Revenues and Other Tax-Supported Branches
<p>The Financial Stabilization Reserve (FSR) - Appropriated, tracks amounts that have been appropriated from the FSR for specific purposes in current or future years. No interest is applied to this reserve.</p>	

Reserve Funds - Definitions

Reserve Fund	Responsibility Area and Description
Fleet Services - Vehicle Replacement	City Operations - Fleet Services
This reserve was approved on October 14, 2009 and supports City Policy <i>C617 Fleet Replacement Reserve</i> which was approved on May 14, 2019. This reserve is used to fund the replacement of fleet assets that have reached their useful life. Fleet assets for Edmonton Transit, DATS, Waste, and Edmonton Police Services are excluded from the scope of this reserve. Funds to replenish the reserve come from fixed charges paid by tax-supported and utility operations.	
Fort Edmonton Train Maintenance	Boards and Authorities - Fort Edmonton Park
As a condition of an ongoing agreement between the City of Edmonton and the Fort Edmonton Historical Foundation, annually a maximum of \$5,000 from the Fort Edmonton operations is set aside in this reserve to fund major maintenance expenses of the steam railway system within the Park. Interest earnings are applied to the reserve.	
Funds in Lieu - Residential	Urban Planning and Economy - Planning and Environment Services
This reserve was approved in 1985 based on City Council's direction to separate the residential portion from the commercial/industrial portion in the Parkland Purchase Reserve. Funds received from developers and from the sale of parkland in residential areas is used to purchase and develop parkland in residential areas. The funds are generated as a result of the parkland dedication required in accordance with the Municipal Government Act (MGA) of up to 10 per cent. The MGA requires that such funds be used for "a public park, a public recreation area, school authority purposes, or to separate areas of land that are used for different purposes". The funds collected are restricted by City Policy <i>C468A Policy to Govern the Use of Funds from the Sale of Surplus School Sites</i> to usage within the same neighbourhood. Interest earnings are applied to the reserve.	
Heritage Resources	Urban Planning and Economy - Planning and Environment Services
The Heritage Resources Reserve supports City Policy <i>C450B Policy to Encourage the Designation and Rehabilitation of Municipal Historic Resources in Edmonton</i> . This policy sets process for the designation of historically significant structures and the payment of required compensation such as grants, tax cancellation, rebate of property taxes, or a payment equal to the value of the amount of taxes payable on the designated historic building and substantial rehabilitation. This reserve also provides funding for maintenance grants, promoting heritage, and special heritage projects including limited demonstrative restoration projects. Annually, an amount is approved in the operating budget for this program and unspent funds are transferred into the reserve at the end of the year. Conversely, if there is a deficit in the program, draws are made on the reserve. Allowable transfers to and from the reserve must be in line with City Policy <i>C450B Policy to Encourage the Designation and Rehabilitation of Municipal Historic Resources in Edmonton</i> . No interest earnings are applied to this reserve.	
Industrial Infrastructure Cost Sharing Program	Urban Planning and Economy - Development Services
The Industrial Infrastructure Cost Sharing Program is designed to assist in financing large municipal infrastructure in industrial areas and to ultimately encourage the servicing and development of industrial land which provides an increased tax assessment base, employment and other economic spinoffs.	
Interim Financing	Corporate Expenditures & Revenues and Real Estate
The Interim Financing Reserve was originally approved on November 19, 2014 and later amended on November 29, 2016. The purpose of the reserve is to accommodate timing differences between operating impacts of capital projects and related external funding sources and differences that arise between the timing of cash outflows (budget) and recognition of expenses (accounting) to ensure that the City can levy taxes in a manner that matches the cash outflow of the expenses. Reserve deficit balances will be repaid through external funding sources. No interest earnings are applied to this reserve.	
Local Improvement	Corporate Expenditures & Revenues
Approved at the October 31, 2012 City Council meeting, this reserve will accumulate the annual difference between local improvement revenues and debt servicing related to local improvements. Allowable transfers to the reserve relate to amounts placed on the tax roll to fund local improvement debt servicing, which will then be transferred out of the reserve as needed to service the debt used to fund local improvement projects. The local improvement will be approved in the capital budget as well as a bylaw. No interest earnings are applied to this reserve.	

Reserve Funds - Definitions

Reserve Fund	Responsibility Area and Description
LRT	LRT Expansion and Renewal and Edmonton Transit Service
<p>An annual funding level of \$5.0 million is provided from tax-levy and is used to cover any deficiency of the Federal Gas Tax Fund over SLRT debt charges annually with any residual added to the reserve. Furthermore, a multi-year dedicated funding level is provided from tax-levy to support the construction and future operation of the new Valley Line LRT. Allowable transfers from the reserve are to be made available for funding city-wide LRT expansion and will be approved by Council through the operating and capital budget process. No interest earnings are applied to this reserve.</p>	
Motor Vehicle Insurance	Corporate Expenditures & Revenues and Legal Services
<p>This reserve was established to satisfy the requirements of the Superintendent of Insurance. The City self-insures its motor vehicle liability claims and maintains a commercial insurance policy for claims in excess of its retention. As a self insured entity, the City is required to obtain a financial responsibility card from the Superintendent of Insurance for ownership, operation and maintenance of city owned or its leased motor vehicles. To obtain a financial responsibility card, pursuant to Section 825, Part 7 of the Alberta Insurance Act, RSA 2000, Chapter 1-3, the Corporation must maintain a separate insurance fund designated for the sole purpose of satisfying therefrom all Motor Vehicle Liability claims arising from bodily injury to or death of any person, or damage to property of others occasioned by, or arising out of the ownership, maintenance, operation or use of all vehicles owned by, operated by or leased to the City of Edmonton or any entity, owned in whole or in part by the City of Edmonton. The amount of \$2.5 million, in addition to the amount set aside to satisfy third party auto liability and accident benefit claims is the current approved requirement. Since the City records an ongoing liability for claim estimates and pays out of the annual budget set aside for these claims, the established limit in the reserve has remained stable. The reserve balance is invested in the Balanced Fund. Interest earnings on the investments form part of the corporate investment earnings budget.</p>	
Natural Areas	Urban Planning and Economy - Planning and Environment Services
<p>Approved March 2, 1999, the Natural Areas reserve was established to facilitate the acquisition and conservation of environmentally sensitive natural areas, as per City Policy <i>C531 Natural Area Systems</i>. Bylaw 15164, approved July 22, 2009 expanded the purpose of the reserve to facilitate the repayment of debt incurred in the purchase of natural areas. The expected source of funding is \$1 million transferred annually from tax levy through the budget process. Allowable transfers to and from the reserve must be in line with City Policy <i>C531 Natural Area Systems</i>. Interest earnings are applied to the reserve.</p>	
Neighbourhood Renewal	Building Great Neighbourhoods
<p>The Neighbourhood Renewal reserve will contain tax funding dedicated to the Neighbourhood Renewal Program net of annual expenditures, as approved through the annual City budget process, as per City Policy <i>C595A Neighbourhood Renewal Program</i>. No interest is applied to this reserve.</p>	
Parkland Purchase	Urban Planning and Economy - Planning and Environment Services
<p>The reserve receives funds from developer levies, the sale of municipal reserve lands in industrial and commercial areas, proceeds from the sale of municipal reserve land in the river valley communities (where land was originally purchased with Parkland Reserve funds) and money received from the rental of City property on park land. The Municipal Government Act (MGA) requires that such funds must be used for "a public park, a public recreation area, school authority purposes, or to separate areas of land that are used for different purposes". The funds collected can be used anywhere in the City for the required purposes. Interest earnings are applied to the reserve.</p>	
Pay-As-You-Go Capital	Corporate Expenditures & Revenues
<p>Pay-As-You-Go (PAYG) funding is largely made available from annual investment income, the Ed Tel Endowment Fund dividend, and property taxes. Annually the approved PAYG operating funds will be transferred to the reserve. Amounts will be transferred from the reserve to fund tax-supported operations (excluding Edmonton Police Services) capital projects as approved by City Council through the capital budget process. Over the capital budget cycle, total withdrawals from the reserve cannot exceed total available funding. In order to provide the necessary flexibility in the use of PAYG funds to manage the general government operations capital program, in any year of the current capital budget cycle funds may be withdrawn from the reserve in excess of available funding. At the end of the capital budget cycle, the reserve must be in a surplus or balanced position. Sufficient PAYG funds need to be available in the current capital budget cycle to fund the total cost of approved capital projects to be funded with PAYG, including those costs with cash flows extending beyond the current capital budget cycle. Proceeds from the sale of capital assets paid for with PAYG funds are to be transferred to the reserve to be used to fund future capital projects.</p>	

Reserve Funds - Definitions

Reserve Fund	Responsibility Area and Description
Pay-As-You-Go Capital - Edmonton Police Service	Boards and Authorities - Edmonton Police Service
Pay-As-You-Go (PAYG) funding for Edmonton Police Services comprises property taxes. Annually the approved PAYG operating funds will be transferred to the reserve. Amounts will be transferred from the reserve to fund Edmonton Police Services capital projects as approved by City Council through the capital budget process. Over the capital budget cycle, total withdrawals from the reserve cannot exceed total available funding. In order to provide the necessary flexibility in the use of PAYG funds to manage the Edmonton Police Services capital program, in any year of the current capital budget cycle funds may be withdrawn from the reserve in excess of available funding. At the end of the capital budget cycle, the reserve must be in a surplus or balanced position. Sufficient PAYG funds need to be available in the current capital budget cycle to fund the total cost of approved capital projects to be funded with PAYG, including those costs with cash flows extending beyond the current capital budget cycle. Proceeds from the sale of capital assets paid for with PAYG funds are to be transferred to the reserve to be used to fund future capital projects.	
Perpetual Care	Community Services - Community Recreation and Culture
The Perpetual Care Reserve is used for preservation, improvement, embellishment, and maintenance in perpetuity of the municipal cemeteries. 25 per cent of specific cemetery revenue is applied to the reserve at the time revenue is recognized. Investment earnings on the fund balance are redirected back to the reserve.	
Planning and Development	Urban Planning and Economy - Development Services
Approved by Council on November 27, 2018 as part of Council Policy C610 - <i>Fiscal Policy for the Planning and Development Business</i> . The purpose of the reserve is to manage the long term fiscal sustainability of the Planning and Development Business. The balance in the reserve represents the appropriated accumulated surplus of the Planning and Development Business over time. This reserve is only intended to stabilize the Planning and Development Business over long periods of time and is not to support any other activities, including tax-supported operations. The reserve has a minimum balance of 30 per cent of annual budgeted operating expenses for the Planning and Development Business, with a target balance of 75 per cent. No interest is applied to this reserve. This reserve replaces the previous Current Planning Reserve.	
Public Art	Integrated Infrastructure Services - Infrastructure Planning and Design
Art in public spaces is essential for integrating art, design and creative ideas into public life. City Administration partners with the Edmonton Arts Council to comprehensively and sustainably manage the City of Edmonton's public art program and collection. The City of Edmonton will annually fund a Public Art Reserve on a Pay-As-You-Go basis as approved by City Council through the operating budget.	
Revolving Industrial Servicing Fund	Urban Planning and Economy - Development Services
The purpose of this reserve is to facilitate implementation of City Policy C533A <i>Revolving Industrial Servicing Fund</i> . The City provides rebates to Front End Developers that undertake construction of cost shareable infrastructure. The City often borrows debt in order to provide these rebates. Front End Developers are eligible for a rebate providing they construct End-User Development that increases the taxable property assessment by \$10 million or more (excluding machinery and equipment). The source of funding for this reserve will be 50 per cent of the incremental property tax revenue from these End-User Developments and recoveries from subsequent developers attributable to the City, and these will be used to offset related debt servicing costs first. Additional recoveries shall be deposited into the reserve to fund future rebates. Interest earnings are applied to the reserve.	
Rogers Place Arena Capital	Corporate Expenditures & Revenues
The ticket surcharge agreement between the City of Edmonton and the Edmonton Arena Corporation identifies ticket surcharge revenues of \$375,000 per quarter (\$1.5 million annually) and will be transferred to the reserve quarterly. Allowable transfers from the reserve to fund capital repairs defined as City Costs and detailed in schedule B of the lease agreement with Edmonton Arena Corp. Interest earnings are applied to the reserve.	

Reserve Funds - Definitions

Reserve Fund	Responsibility Area and Description
Sanitary Servicing Strategy Fund	Urban Planning and Economy - Planning and Environment Services
<p>Fees collected by the City from developers and EPCOR Drainage will be transferred to the reserve, and withdrawals will be made to reimburse EPCOR Drainage for eligible capital design and construction costs as approved by the Sanitary Servicing Strategy Fund (SSSF) Oversight Committee. Transfers to and from the reserve will be approved by City Council annually through the operating budget, however actual reserve transfers may vary from the budget approved by City Council at the discretion of the SSSF Oversight Committee in order to appropriately manage major sanitary trunk projects. Annual transfers from the reserve for reimbursement of EPCOR Drainage project costs are limited to the available funding in the reserve, and as a result the reserve is not allowed to go into a deficit balance. Interest earnings would be applied to this reserve as it is intended to maintain future capital purchasing power.</p> <p>EPCOR Drainage capital design and construction costs must be related to major sanitary trunks to service growth within the city and in new development areas.</p>	
St. Francis Xavier	Community Services - Community Recreation and Culture
<p>Established August 5, 2011 as a condition of an on-going agreement with the City of Edmonton and the Edmonton Catholic School Board to fund life/cycle maintenance for the St. Francis Xavier Sports Centre. Tax-levy funding is approved annually in the amount of 78 per cent of annual estimated maintenance costs, to fund the City's portion of major life/cycle maintenance. Any funding timing differences for the year are applied to the reserve. Interest earnings are applied to this reserve.</p>	
Tax-Supported Debt	Corporate Expenditures & Revenues
<p>Approved on October 29, 2002 to accommodate timing differences between debt servicing requirements and receipt of taxes for the \$250 million 5 year program of tax-supported debt. As approved at the October 31, 2012 City Council meeting the purpose of the reserve was expanded to accommodate timing differences between debt servicing and receipt of taxes for all City tax-supported debt. A minimum balance of \$1.0 million is to be maintained and any unappropriated balance above this is made available to stabilize debt servicing costs within a year or to fund capital on a pay-as-you go basis. The minimum balance is to be used to manage any interest rate or cash flow fluctuations. No interest is applied to this reserve.</p>	
Traffic Safety and Automated Enforcement	Corporate Expenditures & Revenues and Parks & Roads Services
<p>Established November 26, 2014 and governed by City Policy <i>C579B Traffic Safety and Automated Enforcement Reserve</i>. The reserve is intended to accumulate surpluses (and fund shortfalls) that may arise from the variability of photo enforcement revenues, and transparently show budgeted allocations toward: a) The Office of Traffic Safety, b) Other traffic safety initiatives (operating and capital), and c) Community infrastructure programs such as, but not restricted to Community League Infrastructure Grant programs. The reserve will be funded from automated enforcement revenues and is to have a minimum balance of 5 per cent of automated enforcement revenue. Interest earnings are applied to this Reserve.</p>	
Tree Management	City Operations - Parks & Roads Services
<p>A requirement of City Policy <i>C456C Corporate Tree Management</i>. Funds are placed in the reserve to replace the trees and shrubbery with a view to protect the urban forest, upon removal in the course of construction or repairs to City-owned property. Funds are transferred out of the reserve to cover the operating costs incurred to replace trees and shrubbery.</p>	
Vehicle for Hire	Urban Planning and Economy - Development Services
<p>The reserve may be utilized for specified purposes as approved by City Council through the operating and capital budget process. Eligible program expenditures include initiatives that benefit the Vehicle for Hire service, such as enforcement services, including the purchase of vehicles to support enforcement needs. A program initiative that is to be funded from the reserve must be identified in the annual vehicle for hire program work plan, align with the City Plan and Connect Edmonton goals and objectives, and promote and advance passenger and public safety. Transfers from the reserve help stabilize resources across extended periods of time and offset annual program deficits. Transfers to the reserve come from annual program surpluses (the excess of program revenues which are comprised of license fees, accessibility surcharges and per trip fees, over program expenditures). Annual program surpluses are transferred to the reserve. No interest earnings are applied to this reserve.</p>	

**DEBT
SCHEDULE**

Outstanding Debt Summary as of December 31, 2023 ('000s)

Debt and Debt Servicing (\$000)	Debt Outstanding	Debt Servicing Requirements for 2023
Tax-Supported Debt

**SPRING
SUPPLEMENTAL
OPERATING BUDGET
ADJUSTMENT (SOBA)
UPDATED MAY 2024**

Spring Supplemental Operating Budget Adjustment (SOBA)

The Supplemental Operating Budget Adjustment (SOBA) is part of the City Council approved multi-year budgeting approach to setting the 2023-2026 Operating Budget. The Spring SOBA was approved by City Council on April 23, 2024, and finalized the 2024 tax levy budget.

The following table summarizes the changes to the approved tax levy increase for each year of the multi-year budget cycle. In subsequent years, Administration and Council will meet twice per year to adjust the budgets as needed.

Tax-Supported Operating Budget	Approval Date	2023	2024	2025	2026
2023 - 2026 Operating Budget <i>Original Approved Budget</i>	Dec 16, 2022	4.96%	4.96%	4.95%	4.39%
2024 Operating Budget as Adjusted <i>Fall 2023 Supplemental Adjustment</i>	Nov 28, 2023	n/a	6.6%	5.3%	4.7%
2024 Operating Budget as Adjusted <i>Spring 2024 Supplemental Adjustment</i>	Apr 23, 2024	n/a	8.9%	7.0%	6.3%

Adjustments made throughout the process resulted in a tax levy increase of 8.9 per cent in 2024, 7.0 per cent increase in 2025, and 6.3 per cent increase in 2026.

As a result of these increases, Edmonton households can expect to pay about \$766 in 2024 for every \$100,000 of assessed home value, which is an increase of \$66 from 2023. This means that the average household will pay about \$8.97 a day to help fund 70 City services, including emergency services, parks, trails, roads, bridges, transit, recreation centres, attractions and social supports.

The following schedules below reflect the 2024-2026 operating budget amendments and service packages approved by Council through the Spring 2024 Supplemental Operating Budget Adjustment process.

2024-2026 Operating Budget Changes **Attachment 1 - revised for carried Council amendments**

Standalone Service Package - Centre City Optimization

**Branch - Parks and Roads Services
Program - Infrastructure Operations**

**Council Directed
Funded
One Time
Audit Related: No**

Description

This service package responds to the motion made at the April 8, 2024 Community and Public Services Committee meeting: "That Administration prepare an unfunded service package for consideration during the Spring 2024 Supplemental Operating Budget Adjustment to fund the continuation of the Centre City model to the 2023 service standards, as described in Attachment 2 of the April 8, 2024 City Operations Report CO02325, for the remainder of 2024."

One-time funding in 2024 to continue the Centre City 2023 Pilot Service Levels. Uses include landscaping, needle collection, biohazard cleaning, graffiti removal, power washing, litter pick-up, parks landscaping, proactive inspections and reporting, and routing issues to other teams.

Which Priorities does this Help to Advance?

An enhanced service approach to the Centre City area supports safe and reliable infrastructure, including increasing accessibility and comfort using parks and open spaces. This in turn supports social well being and community safety, with more staff and public visiting these spaces on a regular basis.

What is the Impact?

The Centre City Service Optimization Project includes a dedicated operations team to act as a single point of contact and direct many cross-functional work activities in Centre City. This will help ensure that the downtown area and adjacent neighborhoods are well maintained, safe and attractive places to live and work. This approach allows for improved relationships and easier collaboration with internal and external stakeholders.

What are the Results to be Achieved?

This model provides a full, proactive inspection of the operations and maintenance programs, and will streamline and dispatch emergent work in the Centre City area. Continuing increased services in the Centre City area will result in more diversity of user groups being able to explore and enjoy these spaces, and added support to the business community in creating safe and welcoming environments for patrons.

Standalone Service Package - Event Attraction Program

**Branch - Community Recreation and Culture
Program - Event Attraction**

**Council Directed
Funded
Ongoing
Audit Related: No**

Description

This service package responds to Council motion made at the November 21-22/27-28, 2023 City Council - Budget meeting: "That Administration bring forward an unfunded service package for consideration by Council during the Spring 2024 Supplemental Operating Budget Adjustment to increase the Community Recreation and Culture branch 2023-2026 operating expenditure budget by \$2,000,000 in 2024, on a multi-year basis ending in 2026, to support the event attraction program as outlined on page 6 in Addendum 1 of the November 7, 2023, Financial and Corporate Services report FCS02052."

Which Priorities does this Help to Advance?

Attracted events support the priorities of arts and culture and economic growth. The attraction of events such as the JUNOs and Canadian Country Music Awards advances Edmonton as a leading music city by supporting artists, live music venues and creating legacies that continue after the event is held. Both culture and sport events that are brought to the city support Edmonton's economy by stimulating the visitor economy.

What is the Impact?

Attracted sport and cultural events energize, inspire and uplift our communities while connecting all Edmontonians, regardless of their socio-economic status. Supporting the visitor economy, they create/support jobs, bring new money into our city and create opportunities to attract new investment. They provide opportunities for children and youth to be part of a team and providing inspiration to local athletes, coaches and artists.

What are the Results to be Achieved?

Attracted events offer economic, reputational and community benefits. Economic measures: return on investment. Reputation measures: broadcast, streaming, traditional and social media coverage. Community measures: opportunities created for children and youth (i.e. try it programs, attending event, mentorships), opportunities for businesses owned by underrepresented groups to support the event, community participation, and volunteers.

Integrated Service Package - Assisted Snow Clearing Program Pilot Project

**Lead Branch - Community Standards and Neighbourhoods
Program - Enforcement and Program Services**

**Council Directed
Funded
Multi-Year
Audit Related: No**

Description

The service package responds to the motion made at the April 8, 2024 Community and Public Services Committee meeting: "That Administration prepare a funded service package for consideration during the Spring 2024 Supplemental Operating Budget Adjustment to fund Option 1 of the Assisted Snow Removal Program as described in the April 8, 2024, Community Services report CS02243 using funds from the Community Safety and Well-Being fund."

This service package provides funding to a two year pilot, beginning in 2024 and ending in spring 2026, of Option 1 of the Assisted Snow Removal Program outlined in Council report CS02243. Funding supports the provision of snow removal services for low income or fixed income seniors, snow removal assistance for people with disabilities or mobility challenges, and work with Community Leagues to address emergent needs around snow clearing.

Which Priorities does this Help to Advance?

This service package supports the ConnectEdmonton strategic goal of Healthy City as it works to advance the equity and conditions for all Edmontonians to live their best lives. It also supports the City Plan Big City Move of "Inclusive & Compassionate" as well as individual City Plan Directions such as 2.1.1 "Ensure that publicly accessible spaces and facilities are designed and maintained for the year-round safety, security and comfort of all users."

What is the Impact?

Accessibility for all Edmontonians improves when sidewalks are cleared of snow and ice. Individuals with mobility and accessibility challenges due to age, illness, or disability may have greater difficulty moving around in snowy and icy conditions. Supporting the removal of snow and ice from walkways could potentially reduce the social, mental, and physical impact these individuals face during the colder months.

What are the Results to be Achieved?

This service package is intended to improve accessibility and safety during the winter months for all Edmontonians. Indicators of success could be the number of residents enrolled in the program, amount of funding used from the province, total number of sidewalks cleared, and response time for clearing sidewalks.
