

Construction Notice

Utility relocations at 23 Avenue/111 Street intersection

Beginning **on/around April 30, 2024**, crews will begin utility relocations at the northeast corner of the 23 Avenue and 111 Street intersection. This work will occur during daytime hours, and will result in lane closures and pedestrian detours to provide crews with space (image below) to perform the work. Traffic and pedestrian detours are anticipated for two weeks. The City of Edmonton makes every effort to reduce the impact to the public.

What to expect:

- Starting on/around April 30, crews will be relocating utilities at the northeast corner of the 23 Avenue and 111 Street intersection.
- The work will result in lane closures and pedestrian detours at the northeast corner of the intersection.
- The work is expected to last approximately two weeks.
- Access to ETS bus stops near this intersection will be maintained.
- Every effort will be made to reduce the impact to the public.
