

## Construction Notice – Median lane closure on Anthony Henday Drive

Beginning on/around **August 5**, Ledcor, the Design-Build contractor for the project, will begin drilling concrete piles near Anthony Henday Drive and 111 Street. These piles will support the foundation of the future LRT bridge over Anthony Henday Drive. There will be three phases of piling:

- Phase 1 piling will occur north of Anthony Henday Drive (for the north pier) starting on/around August 5. No traffic impacts are anticipated.
- Phase 2 piling will occur south of Anthony Henday Drive (for the south pier) starting on/around August 11. No traffic impacts are anticipated.
- Phase 3 piling will occur in the centre median of Anthony Henday Drive (for the centre pier) starting on/around August 19.
  - Westbound median lane on Anthony Henday Drive will be closed weekdays during off-peak hours between 9:00 a.m. to 3:00 p.m., and potentially on Saturdays between 7:00 a.m. to 3:00 p.m. The lane will reopen at the end of every work shift. Signage will be adjusted accordingly.

Phase 1 and Phase 2 work will occur on weekdays between 7:00 a.m. to 6:00 p.m. and potentially on Saturdays.

Please refer to the map below for details.

### Other Impacts

- Heavy truck traffic will increase on Anthony Henday Drive intermittently during piling for the centre pier to allow for delivery of concrete.
- **Significant noise, vibration and dust will be associated with this work.** Mitigation measures are in place to minimize these disruptions as much as possible.
- Dates for each phase of work are tentative and weather-dependent.
