

Construction Notice – Work begins on the Heritage Valley North LRT Station

Beginning on/around **August 11**, Ledcor, the Design-Build contractor for the project, will begin grading work near the Heritage Valley Park & Ride (near Ellerslie Road and Heritage Valley Trail/135 Street) to prepare the foundation of the future Heritage Valley North LRT Station.

Once grading is complete, approximately 100 concrete piles will be installed, followed by construction of the Heritage Valley North LRT station. This work is expected to be ongoing for approximately two years, and the area will see an increase in truck traffic as well as noise and dust.

There will be **no impacts to bus service** at the Heritage Valley Transit Centre.

Other Impacts

- Work will occur on weekdays and some weekends between 7:00 a.m. and 6:00 p.m.
- Heavy truck traffic will increase on Ellerslie Road and 127 Street SW.
No other traffic disruptions are expected during the work.
- **Significant noise, vibration and dust will be associated with this work.**
Mitigation measures are in place to minimize these disruptions as much as possible.
