

Assignment #2: Benefits of Trees

Read: Why are trees important? Let's count **FIVE** ways that trees give back:

1. Trees produce oxygen. We need oxygen to breathe! One large tree can provide a day's worth of oxygen for up to four people.
2. Trees provide food for humans and animals. Think fruits, nuts, and maple syrup.. Yum!
3. Trees are homes for many animals. Think birds and squirrels. They also provide shade for us on sunny, hot days!
4. Trees clean our air by removing and storing Carbon dioxide - this helps protect our planet from climate change!
