

Community Feedback on Final Design Engagement Summary

Baturyn Neighbourhood & Alley Renewal

April 2022

ADVISE

From April 15 – 30, 2022 the public were invited to participate in **Online Engagement** opportunities to provide feedback on the final design for Baturyn Neighbourhood & Alley Renewal. Participants were invited to **ADVISE** the team on any final adjustments that would align the design with the Vision and Guiding Principles for the project. Engagement opportunities included a final design package, survey, virtual public engagement sessions and the opportunity to submit questions directly to the project team.

Project Webpage

- + We asked residents to visit the project webpage to access information about the project, view the final design package, register for a virtual public engagement session and learn more about Baturyn Neighbourhood & Alley Renewal.

**580 unique visits to edmonton.ca/BuildingBaturyn
200 design package views**

Online Survey

- + An online survey was available to the public from April 15 – 30, 2022 asking participants to share how well the design reflected the Vision and Guiding Principles and if there was anything new that the project team should be aware of that might impact the final design.
- + Paper copies of the survey and design package were available to community members upon request.

**40 people provided input through the survey
300+ comments were submitted through the survey**

Community Conversations and Virtual Public Engagement Sessions

- + 19 residents and/or stakeholder groups submitted questions through the online form or contacted the Project Manager directly to learn more about the project and share their perspectives on the design.
- + 16 residents and/or stakeholder groups attended virtual public engagement sessions on April 21 and 23, 2022 to learn more about the project and **ADVISE** if there was any additional information that should be considered to best reflect the Vision and Guiding Principles for Baturyn in the final design.
- + 18 conversations with residents and/or stakeholder groups at meetings and community visits (including the Baturyn Playground Opening).

Over 35 resident conversations
