

Description and FOIP Statement

Grant Description - Early Intervention and Intervention

This Application is for the Community Safety and Well-being (CSWB) - **Early Intervention and Intervention Grant**.

A PRACTICE form is available on the website.

Before applying please take the time to review the Early Intervention and Intervention Grant Program Guide and the Grant webpage to confirm your organization and project/program is eligible.

The following Required Documents must be uploaded to the Application Form before you submit. Failing to provide these will result in your application being denied:

- Completed Project/Program Budget Form ([Budget Template](#))
- Most recent audited year-end financial statements, signed by 2 Board members **OR**
- Most recent internally generated financial statements (those that are not presented either as a notice to reader, a review or an audit) signed by 2 Board members and must include a bank reconciliation and bank statement as at the fiscal year-end

Application Deadline: Wednesday, January 24, 2024 by 11:59 pm.

Freedom of Information and Protection of Privacy (FOIP) Statement

Personal information is being collected under the authority of section 33(c) of the Freedom of Information and Protection of Privacy (FOIP) Act and will be used by the City of Edmonton, Community Grants Office to determine eligibility for this grant and for the management and administration of this program. The information in this application may be shared with other internal City of Edmonton business areas for reporting analysis. If you have any questions about the collection or use of your personal or organizational information, please email grants@edmonton.ca.

CSWB Pillars and Principles

Early Intervention and Intervention
<p>Select the primary pillar that your project will address:</p> <p><input type="checkbox"/> Safe and inclusive spaces</p> <p><input type="checkbox"/> Pathways in and out of poverty</p> <p><input type="checkbox"/> Crime prevention and crisis intervention</p> <p><input type="checkbox"/> Well-being</p>
<p>How will the program contribute to the Community Safety and Well-being (CSWB) pillar you selected?</p>
<p>Select the CSWB principle(s) that you apply to your project/program:</p> <p><input type="checkbox"/> Community-led: The project/program is led by community organizations. It may involve collaboration between partners to ensure integration across systems.</p> <p><input type="checkbox"/> Data-informed: The project/program is informed by research, analysis, knowledge and insights from Indigenous, Eastern, Western, and Interdisciplinary perspectives. Measurement and learnings will inform how to adapt and evolve the work.</p> <p><input type="checkbox"/> Equity-based: The project/program will incorporate a GBA+ approach to remove systemic barriers.</p> <p><input type="checkbox"/> Person-centered: The project/program will create a sense of connection that will empower and uplift individuals.</p> <p><input type="checkbox"/> Trauma-informed: The project/program will create changes in alignment with the TRC, anti-racism and trauma-informed work to strengthen resilience among Edmontonians and their families.</p>
<p>Explain how your project/program embraces the CSWB principle(s) you selected above.</p>

Project/Program Overview

Early Intervention and Intervention
Name of the project/program
<p>The project/program is:</p> <p>Early Intervention - projects/programs focus on addressing issues at an early stage before more intensive support is required.</p>

Intervention - projects/programs address immediate needs by providing support or treatment to those already affected by a problem or issue, to stop the issue from worsening.
Is this a new or an existing project/program?
If existing, how long have you offered this project/ program?
Provide an overview of the project/program (include: who will be served, program activities, frequency of the project/program, and expected outcomes).
How did you determine the need for this project/ program? (Identify trends, issues, and gaps in programs or services in the sector).
How will the project/ program benefit and/or address a gap in the sector or community?
Describe the general demographic information of your program participants (such as age, socioeconomic status, culture, gender etc.)
Project/program start date
Project/program end date
Describe your project/program evaluation plan (tools you will use, who will be involved, process, what you will do with the results, etc.).
