

PROJECT UPDATE

Capital Line South LRT Utility Relocation Project 111 Street Between 12 Avenue and Saddleback Road NW

SEPTEMBER 2023

PROJECT OVERVIEW

As part of the Capital Line South LRT Extension Project, EPCOR is responsible for relocating all the power, water and drainage utilities to avoid potential conflicts with the future Capital Line South LRT extension infrastructure. This is an extension of the current Capital Line, which will operate from Century Park to Ellerslie Road.

For more information on the City of Edmonton's Capital Line South LRT Extension Project, please visit edmonton.ca/capitalsw.

WHAT'S HAPPENING?

To meet the overall LRT project schedule, the City of Edmonton has requested that EPCOR perform the utility relocations within specific areas along the proposed route prior to LRT construction.

EPCOR has been in the area for the past few months completing utility relocations ahead of the Capital Line South LRT construction. This notice provides updated timelines for the remaining work, which will continue into 2024.

HOURS OF WORK

Regular working hours are **7:00 a.m. to 7:00 p.m. Monday to Saturday**. If required, these hours may be extended, and construction may occur on **Sundays from 9:00 a.m. to 5:00 p.m.**

EPCOR will do everything possible to manage noise associated with the construction and will work to ensure that the construction is completed within the requirements of the City of Edmonton Noise Bylaw.

SCHEDULE

Drainage

- **Work Area 1** – Sanitary relocation on the west side of 111 Street, north of Blackmud Creek
 - Currently underway and anticipated to be completed by mid-September 2023
- **Work Area 2** – Outfall & storm line relocation in Blackmud Creek
 - Currently underway and anticipated to be completed by December 2023
- **Work Area 3** – Sanitary relocation south of Blackmud Creek
 - Expected to begin in mid-September 2023 and anticipated to be completed by mid-October 2023

Power

- **Work Area 1** – Underground power cable relocation at 111 Street and 23 Avenue
 - Currently underway and anticipated to be completed by November 2023
- **Work Area 2** – Underground power cable upgrade along 111 Street from 23 Avenue to Saddleback Road
 - Expected to begin in late fall 2023 and anticipated to be completed by December 2023
- **Work Area 3** – Underground power cable upgrade work along 23 Avenue from 111 Street to 105 Street
 - Expected to start in early 2024

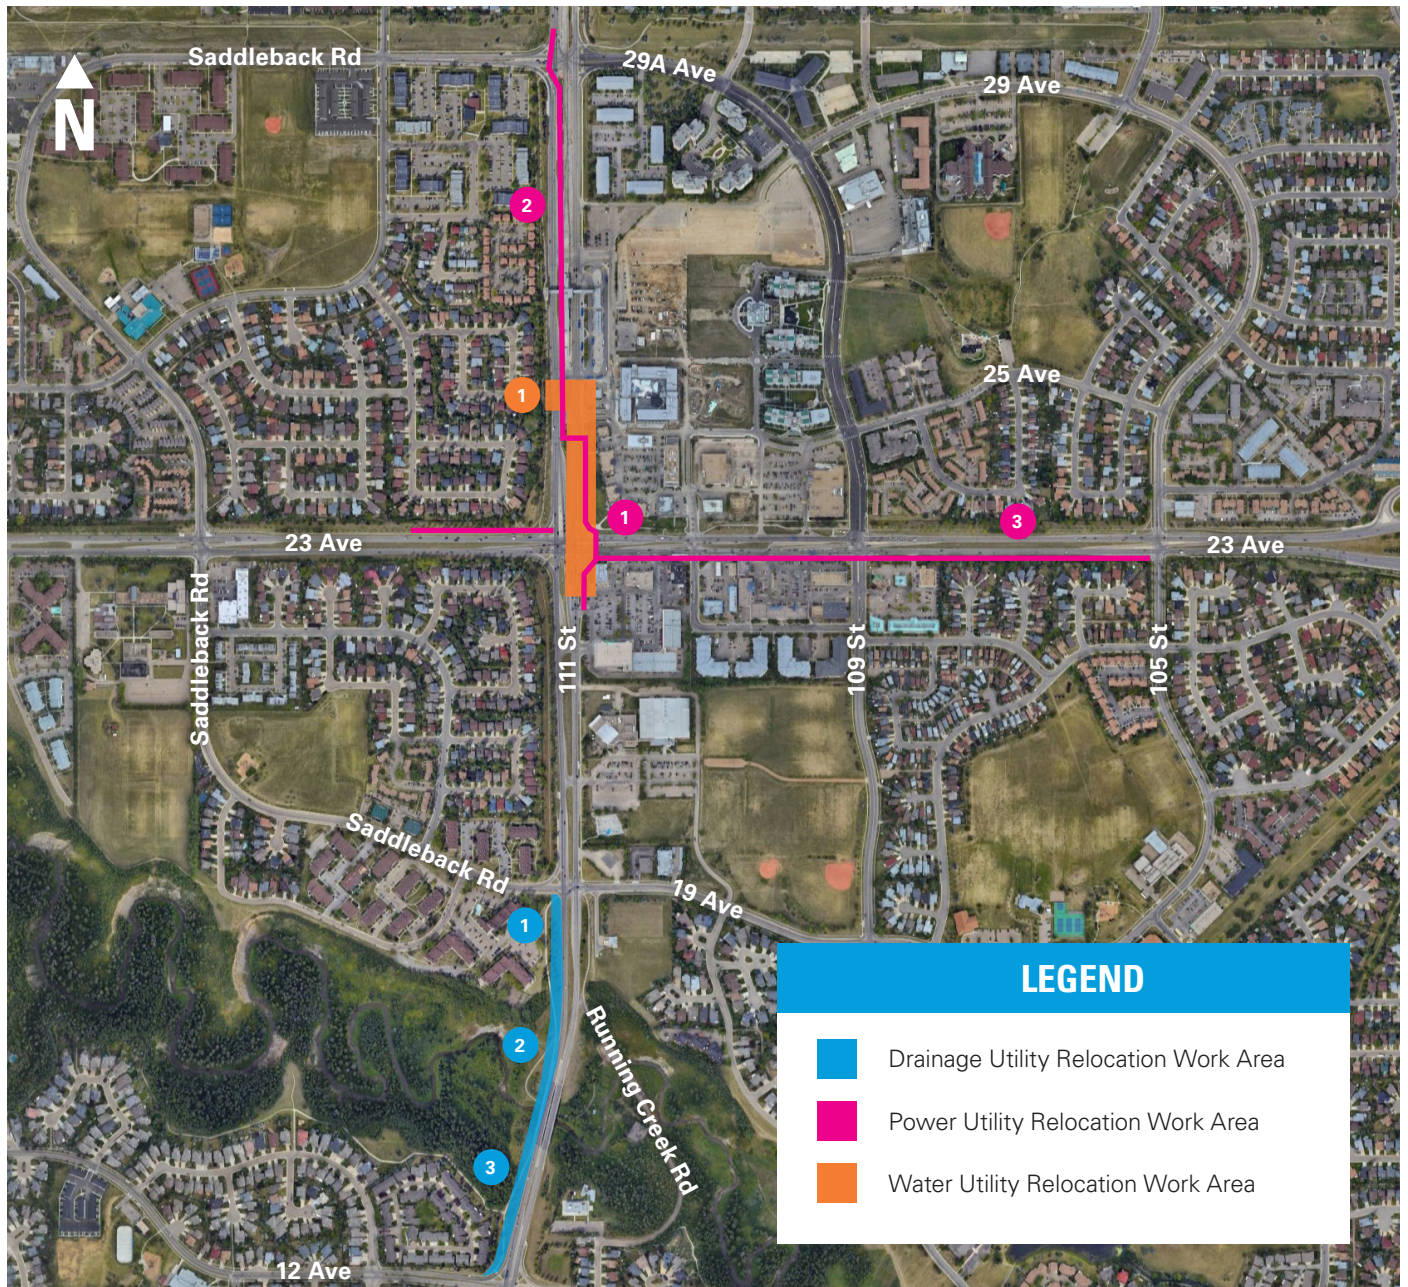

Water

- **Work Area 1** – Water main relocation on 111 Street, north of 23 Avenue
 - Currently underway and anticipated to be completed by mid-October 2023

Timelines are estimates and may change based on weather and construction conditions.
