

## Construction Notice - Capital Line South LRT 23 Avenue at 111 Street and 109 Street

Beginning **on/around November 8, 2022**, crews will begin to prepare 23 Avenue at 111 Street and 109 Street intersections for future tunneling work and reception site shafts. EllisDon, the City's contractor, will be mobilizing equipment on site, which will result in temporary pedestrian detours. Lane closures are anticipated to begin in early 2023. The tunneling and reception site shaft work is expected to take approximately 18 months.

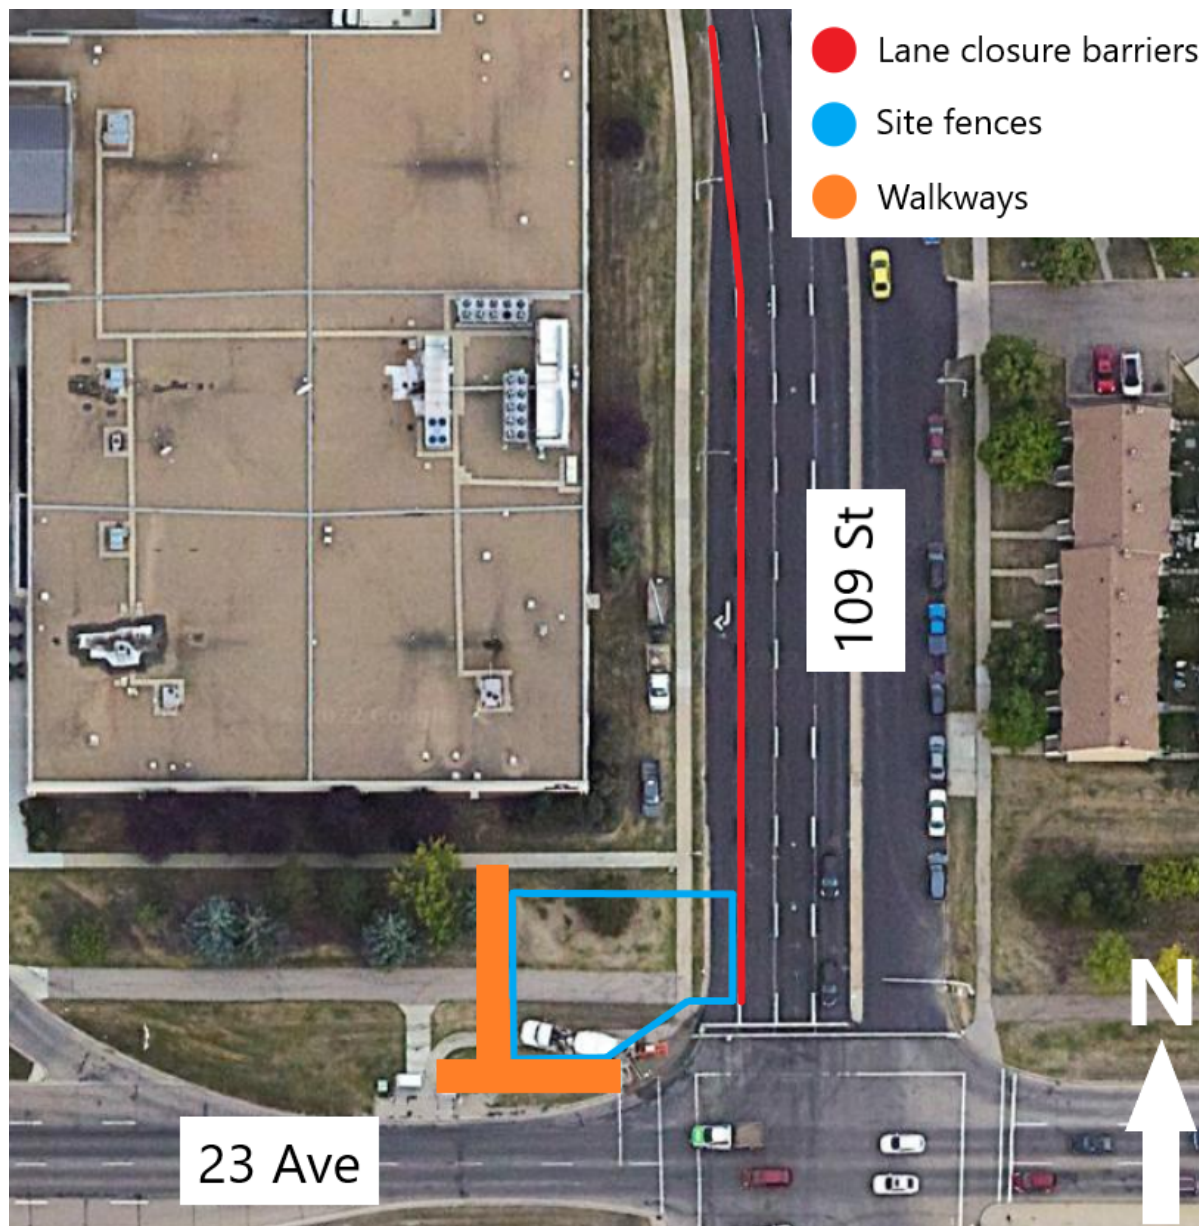

### What to expect:

- Crews will begin to prepare 23 Avenue at 111 Street and 109 Street intersections for future tunneling work and reception site shafts.
- Temporary pedestrian detours will start on/around November 8.
- In early 2023, lane closures and detours are anticipated at these two intersections.
- The work is expected to last approximately 18 months.
- Access to ETS bus stops near these intersections will be maintained.
- Every effort will be made to reduce the impact to the public.
