Construction Notice - Capital Line South LRT - Hydrovacing

Beginning **on or around October 17, 2022**, EPCOR will be performing hydrovacing at various locations along 111 Street, south of 19 Avenue. This work is expected to be completed within two weeks. Hydrovacing is required to locate and identify underground infrastructure for the Capital Line South LRT extension project area.

What to expect:

- Hydrovacing is scheduled to start on or around October 17, 2022. The work is expected to take two weeks.
- Work will occur from 9:00 a.m. to 5:00 p.m. Monday to Friday.
- Residents may experience general noise from hydrovac trucks.
- Traffic impacts are expected to be minimal, however, there will be work vehicles in the area, along with traffic control equipment.
- Temporary trail closures may be required. If so, detours will be provided.
- Hydrovac areas will be barricaded as restricted areas.
