FARE ADJUSTMENTS

2025

On February 1, 2025, several ETS fare adjustments took effect:

- ◆ Arc single trip (90 minutes) fares increased from \$2.75 to \$3.
- ◆ Cash fare increased from \$3.50 to \$3.75.
- ◆ The standard adult Arc monthly fare cap increased from \$100 to \$102.
- ◆ The seniors monthly fare cap increased from \$35 to \$36 and the seniors annual fare cap increased from \$385 to \$396.
- ◆ The youth monthly fare cap decreased from \$73 to \$66.
- ◆ Ride Transit monthly fare cap increased from \$35 to \$36 or \$50 to \$51 (depending on income).

Transit is an essential service and it allows Edmontonians to access their city. As the city and service levels continue to grow, fares are one tool that are used to help support that increased level of service.

DATS ADVISORY GROUP

(DAG)

New Committee Format

The DATS Advisory Group has voted to amend their structure. The group will now meet quarterly with more in person meetings. DATS will be offering increased opportunities for open feedback and engagement on a variety of initiatives such as vehicle design and technology. The DATS Advisory Group will be advising on broader topics for engagement with DATS riders and caregivers. Stay tuned for more details!

NOTE: If you have a general comment or suggestion for DAG, email us directly at: DAG@edmonton.ca, or call DATS Community Relations at (780) 496-4567 (option 4) and leave them a message to pass onto us. Thanks!

We understand that sometimes it can be easy to forget things on the bus. We want to kindly remind everyone to please double-check before leaving to make sure you have all your belongings with you.

We know how important your personal items are, and we would hate for anything to get lost or left behind. Thank you for your cooperation in making our rides smooth and worry-free for everyone!

Booking Tips

How to Book a Reservation Trip:

- ◆ Enter the location name or address to begin your booking.
- ◆ For the best service, choose a pre-loaded location from the search results, by selecting the one with this icon: **Locations with safe DATS access are indicated by this.**

It can load the wrong address information if you select the other icon.

For the smoothest and most reliable DATS experience, we strongly encourage you to select a pre-defined location (mountain icon) whenever available. This helps ensure accurate pick-up and drop-off, minimizing potential delays or confusion.

- ◆ Select your desired pickup date and time.
- ◆ Specify the equipment you'll be using and any additional passengers.
- ◆ Confirm your booking and proceed with any additional or return trips.

◆ Choose the Mountain Icon

◆ DATS Online Booking offers a flexible way to specify your pick-up or drop-off location, including pre-defined locations (marked with a mountain icon) and open addresses (marked with an earth icon).

◆ **Pre-defined Locations (Mountain Icon):** These locations are already in our system and have been verified for safe and convenient DATS access. Selecting a pre-defined location, whenever possible, ensures the most accurate and efficient service, as it provides the driver with precise directions and designated access points. This is the recommended method for most bookings.

Enter pickup instructions if any

Location	Status
▲ WEM - DOOR 48, 170 STREET NW, EDMONTON, T5T 4J2	✓
▲ WEM - DOOR 50, 170 ST, EDMONTON, T5T 4J2	✓
🌐 West Edmonton Mall, 170 Street Northwest, Edmonton, AB, Canada	✗
🌐 WEM Dental, 170 Street Northwest, Edmonton, AB, Canada	✗

◆ **Open Addresses (Earth Icon):** This option allows you to enter a specific street address that may not be in our pre-defined location database. While this provides flexibility, it's important to note that DATS may not be able to serve all addresses in Edmonton. When using an open address, please ensure the location is accessible for DATS vehicles and clearly indicate any specific instructions (e.g., building name, entrance number) in the booking notes. Using the open address option may require additional confirmation from DATS and could potentially impact scheduling.

DATS Team Member Profile

Jason Magee

Late in 2024, Glenda Roberts retired after over 30 years of experience with the City of Edmonton. The new Supervisor of DATS Client Services is Jason Magee, who has been with DATS for just over a decade, first as a communications planner, and then more recently as team lead in Community Relations. Prior to that, he was heavily involved in Edmonton's live theatre scene (you may have even seen him on stage in the early 2000s).

In his new role, Jason will work with the team leads in Booking, Registration and Eligibility, and Community Relations to continue to deliver excellent customer service. He is looking forward to meeting clients and caregivers at the **DATS 50th Anniversary Open House in April**, and seeing some familiar faces from his time in Community Relations.

Over the next year or so, he hopes to increase DATS' presence in the community, working with the team leads to build a regular outreach schedule, review the registration and eligibility process, and further promote the new Online Booking Tool.

Expand your options! Try Mobility Choices Travel Training

Mobility Choices in-person travel training is free, open year-round and is aimed at current and potential transit users who need extra support and instruction to learn to use regular transit services including ETS bus, LRT, and On Demand services. The program is open to people with disabilities, seniors, newcomers, and agency staff serving these audiences.

For more information about customer travel training, contact **(780) 496-3000** or email etscustomertraining@edmonton.ca
