

# Exploring Options and Tradeoffs Engagement Summary

## Gariepy Neighbourhood & Alley Renewal

REFINE

The Gariepy Neighbourhood and Alley Renewal Project Team organized a number of opportunities during the **Exploring Options and Tradeoffs** stage. These opportunities were available for the public to share their thoughts on the most important considerations when looking at the design options presented. This input will help the Project Team REFINE the options into a draft design.

### Surveys

- + An online survey was available from October 12–30, 2022. We shared specific ideas for Neighbourhood and Alley Renewal in Gariepy and asked you questions to help the Project Team REFINE these options
- + Paper copies were made available upon request with a drop-off box near the Lessard Community League to return completed paper surveys

**Over 130 Completed Surveys**

### Online Workshop

- + Online community workshops took place on October 19 and 22, 2022. Both events introduced the different options for Gariepy Neighbourhood and Alley Renewal. Project Team members shared opportunities and tradeoffs associated with each option
- + Participants were encouraged to ask questions and complete the online survey following the event

**Over 28 Participants**

The Project Team will provide a **What We Heard report** online in winter 2023.
