

Starting the Conversation Engagement Summary

Glenwood (163 Street West) Neighbourhood and Alley Renewal

ADVISE

Building Great Neighbourhoods organized the following activities to connect with Glenwood (163 Street West) community members to learn how best to engage and communicate with the neighbourhood.

Surveys

- + An online survey was available to the public from August 15 to September 18, 2022, asking residents and stakeholders to **ADVISE** the project team on engagement and communication preferences for Glenwood community members.

62 survey participants

Community conversations

- + On September 10, 2022 the project team participated in the Glenwood Community League's Food Trucks and Fireworks event. The project team shared information about Glenwood (163 Street West) Neighbourhood and Alley Renewal and upcoming engagement opportunities. Community members were also invited to share their ideas on what makes Glenwood great today and what could make it even greater for tomorrow.

80 + Conversations and 50+ Visions for Glenwood

Students and Parents

- + On September 14, 2022 the project team participated in the St. Thomas More Junior High School Meet the Teachers Night. The project team shared information about Glenwood (163 Street West) Neighbourhood and Alley Renewal with students, parents and staff. We also gathered participant experiences walking, rolling, biking and driving to school.

25+ conversations
