

## Construction Notice - LRT Renewal

### LRT at-grade crossing track rehabilitation on 95 Street between 105 and 106 Avenue

During the weekends of **September 13-16 and 27-30**, the City of Edmonton will perform at-grade crossing track rehabilitation at the 95 Street LRT crossing between 105 and 106 Avenue. During this rehabilitation, full road closures will be in place at the crossing with work occurring from 7:00 p.m. on Friday to 4:00 a.m. on Monday. PCL has obtained an overnight noise permit ([BYLAW NO. 14600](#)), which allows crews to work 24-hours per day, if required. The shared-use path adjacent to the work area will remain open. Flaggers will be on-hand to assist pedestrians and cyclists through the work area.

Every effort will be made to reduce impacts to the public, but nearby residents, businesses and institutions can expect to hear construction noise.
