

# Oops!

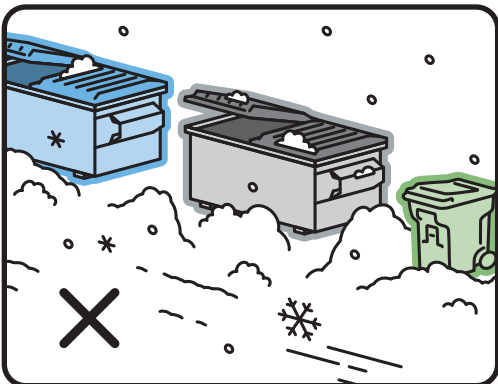

We were unable to collect your waste.

Do not allow containers or access to be blocked. : Clear the area so collectors can safely access containers. Drop off bulky items at an Eco Station.

Do not allow waste to overflow the containers. No bulky items allowed. : Make sure waste is kept within the container so it can be collected safely.

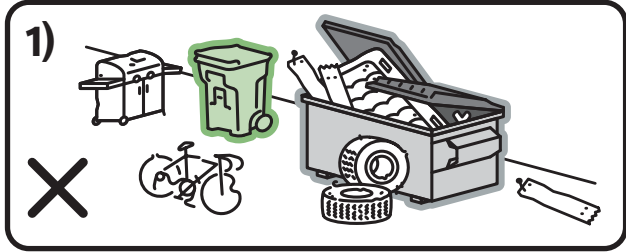

Do not allow snow, ice and debris to block access to the containers. : Ensure waste collectors have a clear path to containers in order to empty them.

 : For more information visit [edmonton.ca/waste](http://edmonton.ca/waste) or download the **WasteWise** app.

 : Need help? Contact your site manager.

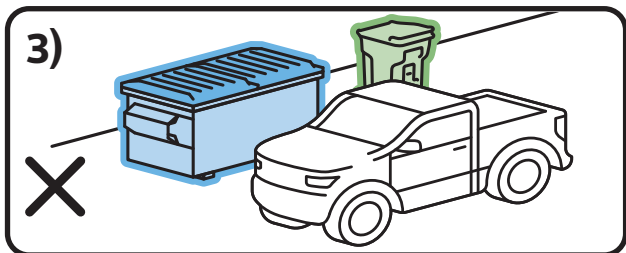

## Your waste was not collected because:

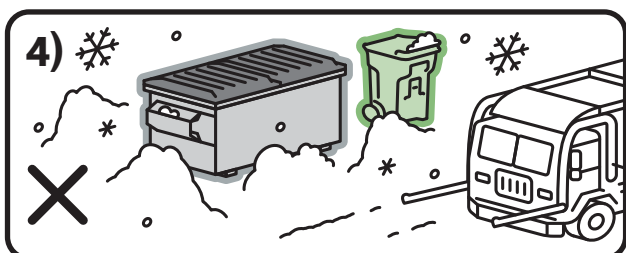

Bulky items were inside and/or around containers in the collection area.

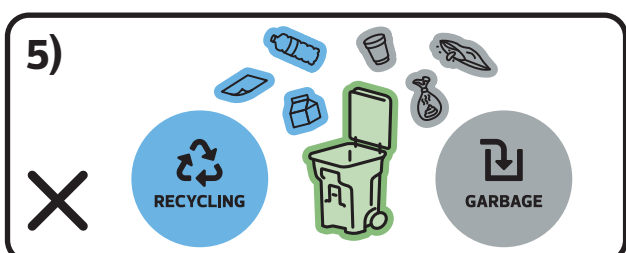

Waste was overflowing and/or left around containers in the collection area.

Vehicles were blocking the containers or entrance to the collection area.

Snow and ice was not cleared around containers or the path to containers.

Items were not sorted properly in this container.
