Re: Design and construction for the following project under National Energy Code for Buildings 2020

PROJECT ADDRESS: _____

Pre-construction Declaration of awareness, to accompany building permit application:

I, (NAME) _____ affirm this _____ day of _____ 20__ that

- I am the owner or owner's authorized agent of the above-noted property, and
- I acknowledge my full responsibility for constructing or causing this project to be constructed in accordance with the requirements of the Safety Codes Act and its regulations, NBC(AE), NECB 2020 and the building permit and its conditions.

THIS IS NOT A BUILDING PERMIT. OWNER/AUTHORIZED AGENT SIGNATURE: _____

As-built Declaration of compliance, to accompany request for final inspection for occupancy:

I, (NAME) _____ affirm this _____ day of _____ 20__ that

- I am the owner or owner's authorized agent of the above noted property;
- I have enclosed documents supporting all changes to the NECB-related plans and specifications on which the building permit was issued for the project, and
- the project with the noted changes substantially complies with
 - the applicable requirements of the NBC(AE) and NECB, and
 - the plans, specifications and other documents submitted in support of the application for building permit.

Project City File # _____

THIS IS NOT PERMISSION TO OCCUPY. OWNER/AUTHORIZED AGENT SIGNATURE: _____

NBC(AE):C:2.2.13.6. Verification of Compliance

Except as required in Article 2.4.3.2., when required by the authority having jurisdiction, an owner or a constructor shall provide written assurance from the person supervising construction that the construction was in compliance with the requirements of this Code and any permits issued.

1. Work means any activity, duty or function regulated by this Code and carried out at a project.
2. Project means any construction, alteration or demolition operation.
3. In this letter all words in italics are defined in the ABC.
