	<ul style="list-style-type: none">● Pedestrian disruptions, especially the ability to cross during construction (will several consecutive blocks of Stony Plain Road be closed for crossing?): There will be the ability to cross every couple of blocks. Crossings that are closed in the ultimate configuration will remain closed.● Sharing project information on Community League social media - are there drop-box folders of information?: Current renderings can be found on the City website. When MIP has completed updated renderings they will make them available. Participants are encouraged to contact MIP if they need assistance in accessing assets.● Timeline of the Groat Bridge portion of the project: In total, it is estimated it will be out of service 14-16 months.	
6	Round Table	
	<ul style="list-style-type: none">● Shared Use Paths and bike lanes along the alignment, specifically along 156 Street: If they aren't part of this project, what is the possibility these will be implemented at a later time? The City team will follow up.	COE
7	Next Meeting	
	<ul style="list-style-type: none">● It was agreed that the next meeting would again be online, with a target date of Oct 20, 2022.
