

Event Highlights

Thursday, June 6, 2024

1:30 - 4:00 p.m.

Edmonton Expo Centre

[Register Today](#)

- **Purchaser trade show:** Purchasers and procurement professionals from Edmonton and surrounding municipalities will host booths. Your organization will have from 1:30 - 4 p.m. to connect with these purchasers, build up your network and learn more about how to make the most of different procurement opportunities. You'll be able to learn about the types of goods, services and construction purchasers are actively sourcing, the bid opportunities for the coming year and a better understanding of their purchasing requirements.
- **Networking opportunities:** Purchase with Purpose is open to social value suppliers, City purchasers and other public and private purchasers. The event will be a space to help build valuable relationships, collaborate with like-minded businesses and establish new contracting opportunities in a relaxed and collaborative environment.
- **Sustainable procurement updates:** The City of Edmonton will be presenting our Sustainable Procurement Guidelines at 2 p.m.; there will also be a City of Edmonton procurement booth to answer your City procurement questions.

Why Participate?

- **Strategic Business Opportunities:** Connect directly with public sector institutions you want to do business with and find out what goods and services they seek and their upcoming opportunities.
- **Efficient Networking:** Maximize your time and resources with our purchaser trade show model, by putting you in direct contact with qualified public or private purchasers.
- **Visibility and Exposure:** Showcase your offerings to a targeted audience and strengthen your brand presence.
- **Comprehensive Learning Experience:** Find out how to do business with the City, gain insight into the procurement processes and strengthen your knowledge of Social Procurement.
