Activity	What's Happening
What to Bring	<input type="checkbox"/> Dressed for the weather <input type="checkbox"/> Toque <input type="checkbox"/> Mitts <input type="checkbox"/> Water <input type="checkbox"/> Snacks
Kicksleds & Fort Building	Come learn a little about kicksleds, and take one for a spin. Stick around to build a fort, shovels provided.
Snowshoeing & Fort Building	Come learn a little about snowshoes, maybe play some snowshoe games, or go snowshoeing, and stick around to build a fort as well.
KickSleds	Looking for an adventure? Come try out a kicksled in the beautiful River Valley
Orienteering	Come test your navigation skills in the River Valley. Our staff will have a short navigation course set up for you to test your navigation skills. Maybe even learn more about maps and compasses.
Warming fires	Need to warm up after your ice skate, join us next to a warm fire outside.
Fires & Hot chocolate (Friday evenings 6-9pm)	Come enjoy a cup of hot chocolate next to a warm fire outdoors. This is a great way to wrap up your skating adventure or just enjoy the outdoors.
*Silver Skate Festival	<p>Silver Skate Festival is a 10-Day celebration that invites visitors to experience the beauty and diversity of winter programming in Edmonton. The festival site, picturesque William Hawrelak Park, is transformed into a community hub for visitors to explore. The festival represents Edmonton's diverse multicultural community and embraces winter as a positive feature of our northern lifestyle.</p> <p>https://silverskate.ca</p>

City of Edmonton equipment will be available for participants who attend the program. Sharing of equipment may be required.
