

Safe Speeds Toolkit: Lawn Signs on Public Road Space - Terms and Conditions

When Signs are placed within Road Right-of-Way (described herein as “Public Road Space”) the following Terms and Conditions shall apply:

- Each sign shall be mounted on a frame and staked firmly and securely in a grassed boulevard area of the Public Road Space.
- No signs shall be placed in a way that interferes with the safe and orderly movement of pedestrians or with the sight lines between pedestrians and/or vehicles.
- No signs shall be placed in such a manner as to block accessibility and safety features including, but not limited to, crosswalks, curb ramps, wheelchair ramps, handrails, and detectable warning strips.
- No signs shall be placed on vehicle travel lanes (including paved shoulders), centre medians, traffic islands, or traffic circles.
- No signs shall be placed on any structures such as bridges, guardrails, retaining walls, or concrete barriers within the public road space.
- No signs shall be affixed to any street furniture, streetlight pole, or trees and shrubs located in the Public Road Space.
- No signs shall be placed on any traffic control device or where it obscures or detracts from and/or could be confused with a traffic control device.
- No signs shall be placed within 30 metres of a signalized intersection, or 15 metres of a non-signalized intersection
- No signs shall be placed within 0.5 metres of:
 - The edge of the curb of a road, or;
 - The edge of a sidewalk or shared use path
- No sign shall be placed within 3.0 meters of the edge of the pavement of a road with a rural cross section where there is no curb.
- No signs shall be placed within 100m of a temporary condition road sign (orange background signs typically used for construction)
- No signs shall be placed within construction limits along Public Road Space.
- Signs shall be placed with a minimum spacing distance of 20 metres between the same sign.
- Signs can only be placed within the Public Road Space for a maximum of 14 days
