

VISION ZERO STREET LAB **EVALUATION**

VISION
ZERO

Edmonton

Share your experience with the **Webber Greens Vision Zero Street Lab!**

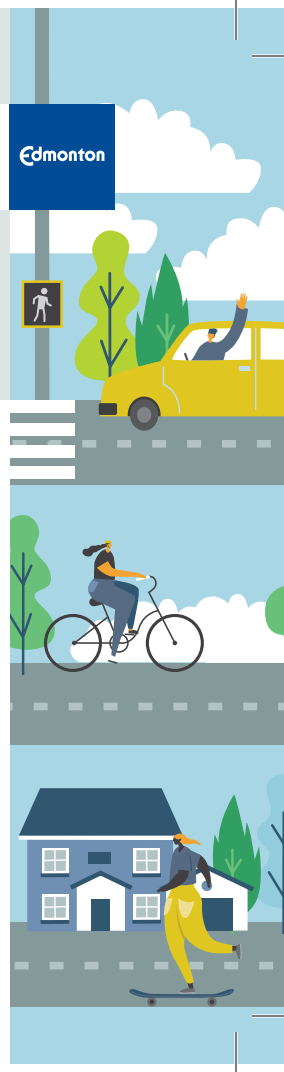

Vision Zero Street Labs use traffic calming measures to improve street safety at the neighbourhood level.

Please see the map on the next page for the traffic safety measures that were installed to address:

- **Speeding**
- **Pedestrian safety and visibility**

Scan the QR code or visit edmonton.ca/StreetLabs to take the survey between **November 25 – December 16**.

Review this Street Lab to help us understand your experience.
Share your feedback between **November 25 – December 16**
