

# 2020 REUSE FAIR GUIDE and GRANT APPLICATION

## What is a Reuse Fair?

A Reuse Fair, formerly known as a Garbage Fair or Reuse Roundup, is a one-day community event where unwanted but reusable household items are collected and passed on to charities, non-profits, artisans and schools that need them. Reuse Fairs are free events, meant to promote the concept of reuse in our community.

Some examples of typical items collected include milk jug lids, old bedding, plastic mesh bags, keys, spices, corks, broken jewellery, nylons and old calendars. These simple items are valuable resources that can be given to schools and charities for reuse.

## Reuse Fairs Serve Many Purposes

- Encourage community members to join in, clean out clutter and pass on reusable items.
- Divert reusable items from Edmonton's landfill.
- Promote community and environmental stewardship, which in turn generates pride in the area.
- Community and charitable organizations save money with items that can enhance their programs.
- Free tables and book/magazine exchanges give everyone a chance to find a treasure.
- Volunteers get involved in a community activity. It is a fun opportunity to meet like-minded people in your area.

## Reuse Fair Grant

Six grants of up to \$500 each are awarded annually to residents or Edmonton community leagues to help cover the expenses of organizing and hosting a Reuse Fair.

The application deadline for fairs taking place in the Spring is May 1st, 2020; Fall Fairs deadline is August 1st, 2020. Expenses up to \$500 will be reimbursed **after** the event occurs. Only fully-completed applications completely filled out will be considered. Applications can be submitted to the Reuse Centre Programs Coordinator at [reusecentrebookings@edmonton.ca](mailto:reusecentrebookings@edmonton.ca). Please call 780-944-7424 if you have any questions.

While Waste Services does provide Reuse Fair grants, Reuse Fairs are not City of Edmonton events. It is the responsibility of the successful grant recipient to coordinate the organization, promotion/advertising, volunteer recruitment and hosting of the Reuse Fair.

Up to \$500 in funding per Reuse Fair can be used for expense reimbursement.

Acceptable expenses include:

- Advertising (Examiner ads are 50% off for community leagues).
- Food provided to volunteers and display attendants during set-up and day of event.
- Gas and/or vehicle rental used to collect supplies and transport donated items to organizations. Gas reimbursement is calculated by trip mileage and allotted according to current City of Edmonton reimbursement rate.
- Supplies needed for the event: blue, garbage and clear waste bags, paper, pens, posters, signs, etc.
- Hall rental.

## How the Reuse Centre Can Help with Your Reuse Fair

The Reuse Centre supports successful grant recipients with their community Reuse Fairs in the following ways:

- Lending plastic bins for organizing donated items at the fair. Please organize pick up and drop off of bins with the Reuse Centre Programs Coordinator. Availability may be limited depending on the date.
- Promoting your fair by:
  - o Linking to your Reuse Fair on our web page [www.edmonton.ca/reusefair](http://www.edmonton.ca/reusefair)
  - o Answering inquiries through Reuse Centre Programs Coordinator.
  - o Promoting your fair on City of Edmonton social media accounts.

## How to Plan a Successful Community Reuse Fair

Once you have been awarded the grant, here are some guidelines on how to plan a Reuse Fair.

### Size of the Reuse Fair

Reuse Fairs can be stand-alone community events or held in conjunction with other simple events such as bottle drives and BBQs. Remember, keeping it simple is often the most effective approach. New Reuse Fairs will usually attract around 100 people, whereas well established fairs have attracted over 250 people.

### Location

A key element to planning your fair is finding a location. In addition to floor space, you will need to consider accessibility and parking. Most fairs are held at community halls, but church halls and other similar spaces work as well. Ideally, the space is available at no charge and available for fair set-up the evening before the event.

### Date and Time

Events held on weekends during the mild weather of spring (May to mid-June) and Fall (September) are eligible for Reuse Fair grants because they have proven to draw the highest attendance. Additionally, fairs held from 10 a.m. to 3 p.m. have proven to be the most successful. If you are organizing a fair in conjunction with another event (e.g. Community League Day), be sure to confirm and coordinate the date, time and location details with the other event organizers.

### What to Collect

Once you have arranged the time and place for your Reuse Fair, you are ready to gather wish lists from local organizations that would like items collected on their behalf. Local non-profit organizations you may want to collect for include schools, shelters, religious organizations, or social clubs.<sup>1</sup>

Ask organizations to clearly indicate the items they are interested in and the maximum amount they will accept. Consider providing them with a list of potential items that you could collect, if they are unsure of what they would like to receive. Let organizations know that you cannot guarantee that they will receive everything that they request, as item donation at each Reuse Fair will vary.

Create a master list of all the items you will collect and publicize this list. Remember to submit your master list to the Reuse Centre Programs Coordinator as soon as possible (at least two weeks in advance of your fair) for publication on [edmonton.ca/reusefair](http://edmonton.ca/reusefair). See Appendix A for a master list template. Formatting revisions may be required on the master list.

<sup>1</sup>**Note:** The Reuse Fair Grant was created to encourage reuse in the community. As such, the Reuse Centre **should not** be one of the organizations for which you are specifically collecting. Surplus items can be donated to the Reuse Centre, as long as they are included on our [Accepted Items List](#). Please let the Reuse Centre Programs Coordinator know in advance and ensure items are on our list before bringing them in. Reuse Fair coordinators are responsible for donation or disposal of surplus items not on our list.

## Displays

Create a fun, fair-like atmosphere at your reuse event by inviting interesting artisans and community organizations to set up displays. Master Composter Recycler Volunteers are often available to host a display with information about Waste Services in the City of Edmonton. Ask the Reuse Centre Programs Coordinator if you would like to request a Master Composter Recycler volunteer to host a display.

## Free Table and Book Exchange

You will find that items that you did not request will be brought to the Reuse Fair. These items can be directed to a Free Table for visitors to take as they wish. The Free Table is an integral element to all Reuse Fairs and is also one of the most popular. Another possible draw for a Reuse Fair is a Book and Magazine Exchange Table where visitors can drop off magazines and books that they no longer want and take home new ones!

## Collecting and Distributing Items

Have a plan for how you will collect, sort and pack items for your chosen organizations and prepare supplies in advance. Some coordinators find it helpful to fill requests by packing requested items as they come in. Others tally and distribute items evenly later. You are responsible for distributing and delivering the items that you collect to your chosen organizations.

## Advertising Your Reuse Fair: Getting the Word Out

There are many ways to get the word out about your Reuse Fair. Here is a short list of ideas. For best results, begin advertising with posters, etc. two weeks to one month prior to your event. Plan print ads and social media for the week or two before your event.

- Place announcements or inserts in community and school newsletters or newspapers.
- Place an ad in the Edmonton Examiner.
- Provide posters to schools, community centers, churches and daycares.
- Post notices on community bulletin boards and at the Reuse Centre.
- Arrange to have information posted on large community league signs and on your community league website and social media pages.
- Share your event information on social media (Facebook, Twitter, etc.).
- Add your event to Community Event Calendars. Examples include:
  - [City of Edmonton Events](#)

- o [Global Community Events](#)

## Volunteers

Volunteers are essential to a successful Reuse Fair. An average of 15 people are needed on the day of the fair (Reuse Fairs have been run with as few as 8 people and as many as 40). Do not forget to thank and recognize your volunteers for a job well done once the fair has ended!

Examples of volunteer roles are:

- Greeters: greet, direct and assist visitors in unloading donations.
- Sorters: sort donations as they arrive.
- Packers: pack orders throughout the day so collected items can be easily distributed once the fair ends.
- Attendants: monitor and maintain free tables, book exchange areas and other collection areas.
- Assistants: keep Reuse Fair collection and sorting areas tidy and organized.
- Drivers: pick-up and distribute donations to organizations once fair has ended.
- Set -up/Clean -up Assistants: set up and clean up of Reuse Fair.

## Planning Checklist:

- Choose the date and time and book the location.
- Contact organizations and collect their wishlists.
- Determine budget for event.
- Complete and submit the Reuse Fair Grant Application form before the deadline.
- Publicize the fair and the collection wishlist.
- Submit wishlist to Reuse Centre Programs Coordinator a minimum 2 weeks before your event.
- Organize the pick up and delivery of collected items with organizations.
- Invite artisans and organizations to participate in displays.
- Recruit and train volunteers.
- Pick up and drop off of plastic boxes at the Reuse Centre for use on event day (please organize with Reuse Centre Programs Coordinator).
- Manage event set up and clean up.
- Collect required information and valid receipts during event day for the final report.<sup>2</sup>
- Complete and submit the Reuse Fair Final Report to the [Reuse Centre Programs Coordinator](#) within 30 days of your event to have up to \$500 in fair expenses reimbursed after the Reuse Fair.

<sup>2</sup>A valid receipt must be original and provide information as to the vendor name, the amount expended, the amount of any GST included, and the date of the expenditure.

## 2020 Reuse Fair Grant Application

Six Reuse Fair grants of up to \$500 are given out every year for fairs to take place in the Spring (limited to the months of May and June) and the Fall (limited to the month of September).

The application deadline for fairs taking place in the Spring is May 1st, 2020; Fall Fairs deadline is August 1st, 2020. Expenses up to \$500 will be reimbursed **after** the event occurs. Only fully-completed applications completely filled out will be considered. Applications can be submitted to the Reuse Centre Programs Coordinator at [reusecentrebookings@edmonton.ca](mailto:reusecentrebookings@edmonton.ca). Please call 780-944-7424 if you have any questions.

### To Be Eligible:

- Event must take place within Edmonton during the months of May, June or September.
- Event may not be for monetary gain.
- Individual or the Community League must be Edmonton based.
- Must be able to show a reasonable amount of event day coordination and volunteer help.
- Evidence of reasonable attendance and meaningful interest from community organizations.

Name of Main Contact Person: \_\_\_\_\_

Address: \_\_\_\_\_

Phone Number: \_\_\_\_\_

E-mail Address: \_\_\_\_\_

Name of Event: \_\_\_\_\_

Community League (if applicable): \_\_\_\_\_

Date and Time of Event: \_\_\_\_\_

Address Where Event Will be Held:

*This information is being collected under the Authority of Section 33 (c) of the Freedom of Information and Protection of Privacy (FOIP) Act and may be used for the administration and disbursement of Waste Services Reuse Fair Grants Program. Your personal information is protected by the privacy provisions of FOIP. If you have any questions about the collection and use of your personal information, contact the Waste Reduction Programs Supervisor at 2nd Floor, Century Place, 9803 102A Avenue, Edmonton AB, T5J 3A3 or 780-496-3018*

**Please answer the following questions:**

1. Why is holding a Reuse Fair an important event to your community?

---

---

---

---

2. How do you plan to promote your fair?

---

---

---

---

3. Please list the organizations that the fair will be collecting for:

---

---

---

---

4. Do you plan to invite community organizations to display at your event?

Yes       No

a. If yes, please list them below. Please indicate if you want to request a Reuse Centre and/or waste display for your event. Note that these displays will only be provided upon successful recruitment of a Master Composter Recycler volunteer:

---

---

5. How many volunteers will you be able to recruit to help out at the fair?

We recommend a minimum of 15 volunteers; 4 to help with set up, 4 to help with take down, 6 to help during the event day, and 1 volunteer with a vehicle to deliver items to the organizations the fair collected for.

---

6. Are any other activities planned for this event?

---

---

---

7. How many people do you anticipate will attend the event?

---

| <b>Reuse Fair Budget</b><br>(List and describe briefly) | <b>Total Project Cost</b> |
|---------------------------------------------------------|---------------------------|
| <b>Equipment/Vehicle Rental</b>                         |                           |
| 1                                                       |                           |
| 2                                                       |                           |
| <b>Space Rental</b>                                     |                           |
| <b>1</b>                                                |                           |
| <b>2</b>                                                |                           |
| <b>Food (for volunteers and display attendants)</b>     |                           |
| 1                                                       |                           |
| 2                                                       |                           |
| <b>Other (supplies)</b>                                 |                           |
| 1                                                       |                           |
| 2                                                       |                           |
| 3                                                       |                           |
| <b>Total</b>                                            |                           |

**NOTE: The City of Edmonton assumes no responsibility or liability for the event. Our logo will not be shown on any promotional material.**

## Reporting

- Review the Reuse Fair Report Form before you begin the event to make sure you collect all the information needed. The report form is available from Reuse Centre Programs Coordinator and will be provided to successful grant applicants.
- Final reports and all receipts must be submitted within 30 days of the event.
- Report must include **original** readable receipts for all event expenses, not only the amount of the grant.
- **Important: All receipts must be original and provide information as to the vendor name, the amount expended, the amount of any GST included and the date of the expenditure.**
- Failure to submit a completed final report with original receipts could affect the eligibility for a future Reuse Fair grant.

*This information is being collected under the Authority of Section 33 (c) of the Freedom of Information and Protection of Privacy (FOIP) Act and may be used for the administration and disbursement of Waste Services Reuse Fair Grants Program. Your personal information is protected by the privacy provisions of FOIP. If you have any questions about the collection and use of your personal information, contact the Waste Reduction Programs Supervisor at 2nd Floor, Century Place, 9803 102A Avenue, Edmonton AB, T5J 3A3 or 780-496-3018*

Updated January 2020

## Appendix A: Master List Template

### Reuse Fair Name (i.e. Avonmore Reuse Fair)

**Date:** Day of week Month day, year (i.e. Tuesday March 26, 2020)

**Time:** Example 11 a.m. - 3 p.m.

**Location:** Write out in full (i.e. ABC Community Hall, 2903 113 Avenue, Edmonton, AB)

#### Items Accepted

All items must be clean and in good condition

List supplies that you're collecting.

- Categories/themes are helpful for residents to organize items. For example, Arts and Craft Supplies, Sewing Supplies, Paper Products, etc.
- Keep the list simple, specific, concise and short.
- List items in columns to save space.
- Maximum 1 page.
- Revisions may be required from Reuse Centre Coordinator.
- Optional: Contact information for the coordinator and request for volunteers
