ATTENTION: Jacob Edenloff

Dear Mr. Edenloff:

RE: Tentative plan of subdivision to revise conditionally approved LDA13-0453 by removing a bioswale, and changing the use from 38 semi-detached residential lots and 15 row housing lots to 38 single detached residential lots, from the SE 25-51-24-W4M located north of Ellerslie Road SW and west of 34 Street SW; **CHARLESWORTH**

The Subdivision by Plan is APPROVED on May 19, 2016, subject to the following conditions:

1. that the approved subdivision LDA13-0453 be registered concurrently with this subdivision;
2. that the owner be permitted to register this plan of subdivision in stages, at the discretion of the Chief Subdivision Officer, having regard to the provision of roadways, Municipal Reserve (MR), and the logical extension of services, as shown on Enclosure I; and
3. that the owner pay all outstanding property taxes prior to the endorsement of the plan of survey.

Please be advised of the following:

1. that the owner is required to make satisfactory arrangements for, and pay all costs associated with separate servicing to each lot, as well as the modification, relocation and/or removal of existing services. For further information, please contact: EPCOR Distribution & Transmission Inc. (780-4124000), TELUS Communications (Edmonton) Inc. (Residential and Business 780-4232500), ATCO Gas (780-4245222) and Drainage Planning and Engineering (water and sewer 780-4965444);
2. that the approval is valid for one (1) year from the date on which the subdivision approval is given to the application. An extension beyond that time may be granted by the City of Edmonton; and
3. that an appeal may be lodged in accordance with Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, 10019 – 103 Avenue NW, Edmonton Alberta, T5J 0G9, within 14 days from the date of the receipt of this decision. The date of receipt of the decision is deemed to be five (5) days from the date the decision is mailed.

Enclosure I is a map of the subdivision identifying major conditions of this approval.

Please be advised that the walkway has been re-located, as shown on Enclosure I.

If you have further questions, please contact Madeleine Baldwin at 780-496-5672 or madeleine.baldwin@edmonton.ca.

Yours truly,

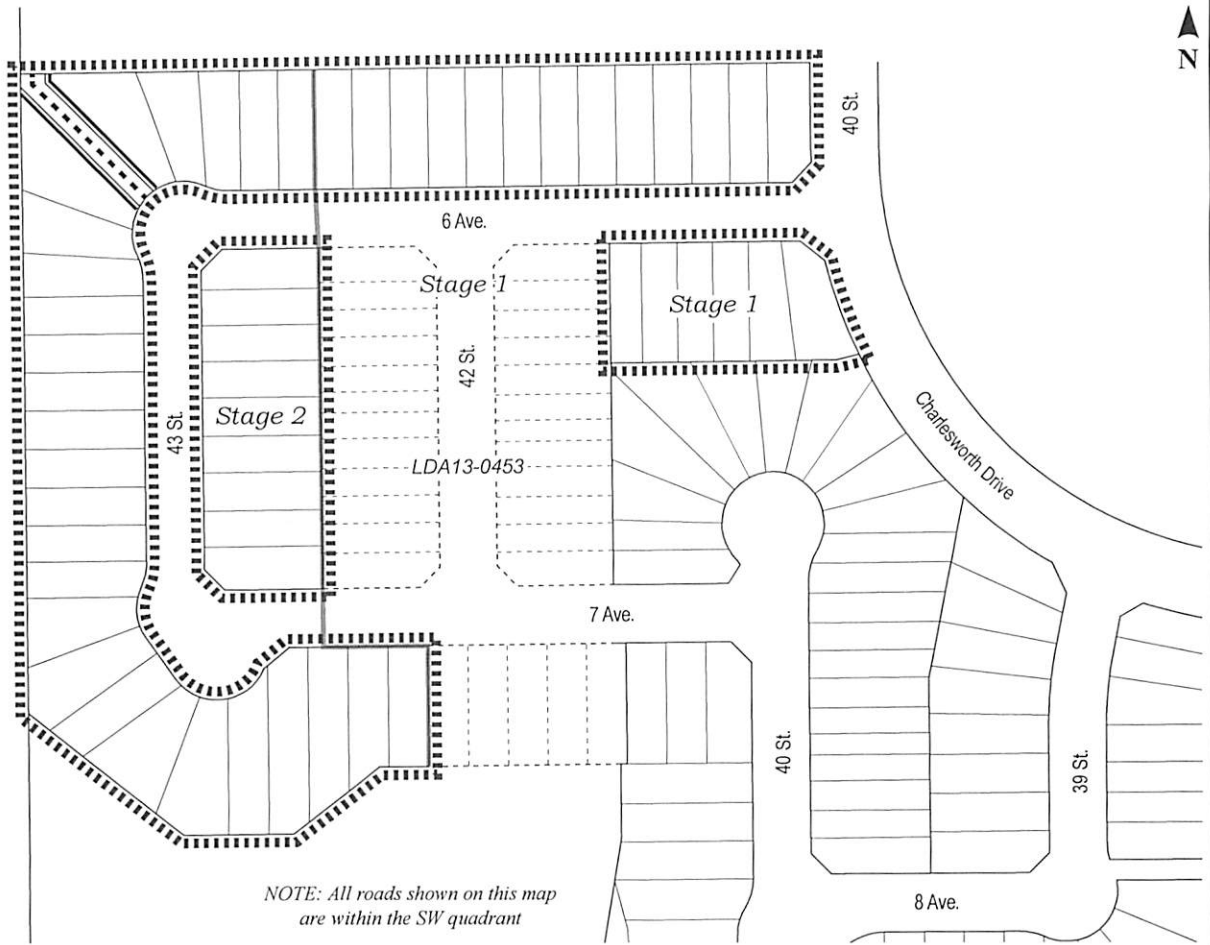

Blair McDowell

ATTENTION: Aziz Dharamshi

Dear Mr. Dharamshi:

RE: Tentative plan of subdivision to create one (1) multiple family unit and one (1) remnant unit from Lot 134, Block 2, Plan 142 1386 located south of 30 Avenue SW and east of James Mowatt Trail SW; **ALLARD**

The Subdivision by Phased Condominium is APPROVED on May 19, 2016, subject to the following conditions:

1. that the final plan shall conform to the attached revised tentative plan;
2. that the owner register easements for mutual access and public access as shown on the attached sketch. The City shall be a party to the easements; and
3. that the owner pay all outstanding property taxes prior to the endorsement of the plan of survey.

Please be advised of the following:

1. that all municipal services enter the site through Common Property;
2. that if power service crosses the proposed property line the owner may be required to provide a blanket easement in favour of EPCOR Distribution & Transmission Inc. If required, said easement shall be registered prior to or concurrent with the final plan (contact EPCOR Land and Administration Group at 780-412-3252);
3. that the next step in the subdivision process is to have a legal instrument prepared (i.e. Plan of Survey) in order to register the approved subdivision. The legal instrument is then forwarded to the City for endorsement along with the endorsement fee (\$2812.00) and subsequently released to the applicant for registration at the Land Titles Office;
4. that the Subdivision Authority will not endorse the plan of subdivision or other instrument until the appeal period as prescribed by the Municipal Government Act, 2000 has lapsed;
5. that the approval is valid for one (1) year from the date on which the subdivision approval is given to the application. An extension beyond that time may be granted by the City of Edmonton; and

6. that the owner may lodge an appeal in accordance with Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, 10019 – 103 Avenue NW, Edmonton Alberta, T5J 0G9, within 14 days from the date of the receipt of this decision. The date of receipt of the decision is deemed to be five (5) days from the date the decision is mailed.

If you have further questions, please contact Gilbert Quashie-Sam at 780-496-6295 or gilbert.quashie-sam@edmonton.ca.

Dear Mr. McArthur:

RE: Tentative plan of subdivision to create one (1) multiple family unit and one (1) remnant unit by Phased Condominium from Lot 176, Block 2, Plan 142 5734, located north of Allard Boulevard SW and east of James Mowatt Trail SW; **ALLARD**

The Subdivision by Phased Condominium is APPROVED on May 19, 2016, subject to the following conditions:

1. that the owner pay all outstanding property taxes prior to the endorsement of the plan of survey.

Please be advised of the following:

1. that all municipal services enter the site through Common Property;
2. that if power service crosses the proposed property line the owner may be required to provide a blanket easement in favour of EPCOR Distribution & Transmission Inc. If required, said easement shall be registered prior to or concurrent with the final plan (contact EPCOR Land and Administration Group at 780-412-3252);
3. that the next step in the subdivision process is to have a legal instrument prepared (ie. Plan of Survey) in order to register the approved subdivision. The legal instrument is then forwarded to the City for endorsement along with the endorsement fee (\$2812.00) and subsequently released to the applicant for registration at the Land Titles Office;
4. that the Subdivision Authority will not endorse the plan of subdivision or other instrument until the appeal period as prescribed by the Municipal Government Act, 2000 has lapsed;
5. that the approval is valid for one (1) year from the date on which the subdivision approval is given to the application. An extension beyond that time may be granted by the City of Edmonton; and

6. that the owner may lodge an appeal in accordance with Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, 10019 – 103 Avenue NW, Edmonton Alberta, T5J 0G9, within 14 days from the date of the receipt of this decision. The date of receipt of the decision is deemed to be five (5) days from the date the decision is mailed.

If you have further questions, please contact Stuart Carlyle at 780-496-6068 or stuart.carlyle@edmonton.ca.

Yours truly,

Blair McDowell

Dear Mr. Kleinmeyer:

RE: Tentative plan of subdivision to create one (1) additional single detached residential lot from Lot 29, Block 45, Plan I 32 located south of 72 Avenue and east of 106 Street;
QUEEN ALEXANDRA

The Subdivision by Plan is APPROVED on May 19, 2016, subject to the following conditions:

1. that the owner pay all outstanding property taxes prior to the endorsement of the plan of survey.

Please be advised of the following:

1. that the owner is required to make satisfactory arrangements for, and pay all costs associated with separate servicing to each lot, as well as the modification, relocation and/or removal of existing services. For further information, please contact: EPCOR Distribution & Transmission Inc. (780-412-4000), TELUS Communications (Edmonton) Inc. (Residential and Business 780-423-2500), ATCO Gas (780-424-5222) and Drainage Planning and Engineering (water and sewer 780-496-5444);
2. that the existing services (water and sanitary) enter the proposed subdivision approximately 4.8 m north of the south property line of Lot 29 (see attached comments from Drainage Planning and Engineering). As per the Sewers and Waterworks Bylaws, these services cannot cross the proposed property line;
3. that if power service crosses the proposed property line the owner may be required to provide a blanket easement in favour of EPCOR Distribution & Transmission Inc. If required, said easement shall be registered prior to or concurrent with the final plan (contact EPCOR Land and Administration Group at 780-412-3252);
4. that the next step in the subdivision process is to have a legal instrument prepared (i.e. Plan of Survey) in order to register the approved subdivision. The legal instrument is then forwarded to the City for endorsement along with the endorsement fee (\$636.00) and subsequently released to the applicant for registration at the Land Titles Office;
5. that the Subdivision Authority will not endorse the plan of subdivision or other instrument until the appeal period as prescribed by the Municipal Government Act, 2000 has lapsed;

6. that the approval is valid for one (1) year from the date on which the subdivision approval is given to the application. An extension beyond that time may be granted by the City of Edmonton; and
7. that the owner may lodge an appeal in accordance with Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, 10019 – 103 Avenue NW, Edmonton Alberta, T5J 0G9, within 14 days from the date of the receipt of this decision. The date of receipt of the decision is deemed to be five (5) days from the date the decision is mailed.

Water and Sewer Servicing Section
Drainage Services

The Water and Sewer Servicing Section of Drainage Services has reviewed the proposal and have the following comments.

Water and Sewer Service Information

Plan I32, Blk 45, Lot 29 / 7105 – 106 Street

Proposed Lot 29A, Blk 45

- 1-20mm water service and 1-150mm sanitary service exists off 106 Street at 4.8m North of the South Property Line of Lot 29.

Proposed Lot 29B, Blk 45

- Our records indicate that no water and/or sewer services exist directly off city mains.

Water and Sewer Servicing Conditions

1. It is required under the City's Drainage Bylaw and EPCOR Water Standards that **each separately titled parcel must be independently serviced with water and sewer services directly off public mains**. A private water and sewer system cannot cross one separately titled parcel to service another and cannot be used to service more than one separately titled parcel.
2. As per the Drainage Bylaw, no owner shall drain their property in such a manner as to cause or have potential to cause a nuisance, hazard, or damage to their property or to adjacent parcels. Drainage Services will determine and specify the location of release of storm water and subsurface drainage to a sewer service, an overland route, or a specific overflow point on or from the parcel. Each separately titled parcel must drain the storm water and subsurface drainage entirely to its own private drainage system.
3. **New water and sewer services will be required for proposed Lot 29B directly off city mains prior to subdivision approval.**
4. Construction charges will apply for any new water, sanitary and/or storm services required which will be constructed by the City from the main to the Property Line.

General

1. Refer to comments from other sections of Drainage Services regarding sewer main locations, capacities and/or mainline extensions.
 2. Also, refer to comments from Water Engineering regarding water main locations, capacities and/or mainline extensions.

Dear Mr. McArthur:

RE: Tentative plan of subdivision to create one (1) additional single detached residential lot from Lot 18, Block 19, Plan RN 60 located north of 110 Avenue and east of 131 Street;
WESTMOUNT

The Subdivision by Plan is APPROVED on May 19, 2016, subject to the following conditions:

1. that the owner obtain a permit to demolish the existing dwelling and garage prior to endorsement of the final plan. Demolition permits can be obtained from Sustainable Development, 5th floor, 10250 – 101 Street NW; and
2. that the owner pay all outstanding property taxes prior to the endorsement of the plan of survey.

Please be advised of the following:

1. that the owner is required to make satisfactory arrangements for, and pay all costs associated with separate servicing to each lot, as well as the modification, relocation and/or removal of existing services. For further information, please contact: EPCOR Distribution & Transmission Inc. (780-412-4000), TELUS Communications (Edmonton) Inc. (Residential and Business 780-423-2500), ATCO Gas (780-424-5222) and Drainage Planning and Engineering (water and sewer 780-496-5444);
2. that the existing services (water and sanitary) enter the proposed subdivision approximately 6.1 m north of the south property line of Lot 18 (see attached comments from Drainage Planning and Engineering). As per the Sewers and Waterworks Bylaws, these services cannot cross the proposed property line;
3. that if power service crosses the proposed property line the owner may be required to provide a blanket easement in favour of EPCOR Distribution & Transmission Inc. If required, said easement shall be registered prior to or concurrent with the final plan (contact EPCOR Land and Administration Group at 780-412-3252);
4. that the owner shall ensure that any change in property boundaries does not cause any structures on site to become non-compliant with the *Safety Codes Act* and *Alberta Building Code*. Permits may be required for such changes. Please contact 311 for more information;

5. that the next step in the subdivision process is to have a legal instrument prepared (i.e. Plan of Survey) in order to register the approved subdivision. The legal instrument is then forwarded to the City for endorsement along with the endorsement fee (\$636.00) and subsequently released to the applicant for registration at the Land Titles Office;
6. that the Subdivision Authority will not endorse the plan of subdivision or other instrument until the appeal period as prescribed by the Municipal Government Act, 2000 has lapsed;
7. that the approval is valid for one (1) year from the date on which the subdivision approval is given to the application. An extension beyond that time may be granted by the City of Edmonton; and
8. that the owner may lodge an appeal in accordance with Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, 10019 – 103 Avenue NW, Edmonton Alberta, T5J 0G9, within 14 days from the date of the receipt of this decision. The date of receipt of the decision is deemed to be five (5) days from the date the decision is mailed.

If you have further questions, please contact Gilbert Quashie-Sam at 780-496-6295 or gilbert.quashie-sam@edmonton.ca.

Dean and Cindy Iverson
Box 37
Tomahawk, AB T0E 2H0

Dear Mr. and Mrs. Iverson:

RE: Tentative plan of subdivision to create separate titles for a semi-detached dwelling from Lot 12, Block 35, Plan 2994 MC, located north of 105 Avenue NW and east of 153 Street NW;
CANORA

The Subdivision by Plan is APPROVED on May 19, 2016, subject to the following conditions:

1. that the owner make satisfactory arrangements with Drainage Planning and Engineering for the provision of separate services (water and sanitary) to the proposed southern lot; and
2. that the owner pay all outstanding property taxes prior to the endorsement of the plan of survey.

Please be advised of the following:

1. that the owner is required to make satisfactory arrangements for, and pay all costs associated with separate servicing to each lot, as well as the modification, relocation and/or removal of existing services. For further information, please contact: EPCOR Distribution & Transmission Inc. (780-412-4000), TELUS Communications (Edmonton) Inc. (Residential and Business 780-423-2500), ATCO Gas (780-424-5222) and Drainage Planning and Engineering (water and sewer 780-496-5444);
2. that the existing services (water and sanitary) enter the proposed subdivision approximately 15.5 m north of the south property off of the lane (see attached comments from Drainage Planning and Engineering). As per the Sewers and Waterworks Bylaws, these services cannot cross the proposed property line;
3. that if power service crosses the proposed property line the owner may be required to provide a blanket easement in favour of EPCOR Distribution & Transmission Inc. If required, said easement shall be registered prior to or concurrent with the final plan (contact EPCOR Land and Administration Group at 780-412-3252);
4. that the owner shall ensure that any change in property boundaries does not cause any structures on site to become non-compliant with the *Safety Codes Act* and *Alberta Building Code*. Permits may be required for such changes. Please contact 311 for more information.

5. that the next step in the subdivision process is to have a legal instrument prepared (ie. Plan of Survey) in order to register the approved subdivision. The legal instrument is then forwarded to the City for endorsement along with the endorsement fee (\$636.00) and subsequently released to the applicant for registration at the Land Titles Office;
6. that the Subdivision Authority will not endorse the plan of subdivision or other instrument until the appeal period as prescribed by the Municipal Government Act, 2000 has lapsed;
7. that the approval is valid for one (1) year from the date on which the subdivision approval is given to the application. An extension beyond that time may be granted by the City of Edmonton; and
8. that the owner may lodge an appeal in accordance with Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, 10019 – 103 Avenue NW, Edmonton Alberta, T5J 0G9, within 14 days from the date of the receipt of this decision. The date of receipt of the decision is deemed to be five (5) days from the date the decision is mailed.

Water and Sewer Servicing Section
Drainage Services

The Water and Sewer Servicing Section of Drainage Services has reviewed the proposal and have the following comments for the proposed subdivision for an **existing duplex**.

Water and Sewer Service Information

Plan 2994MC, Block 35, Lot 12 (10533-153 Street)

Proposed North Portion of Lot 12, Blk 35

- 1-20mm water service and 1-150mm sanitary service exist off the Lane East of 153 Street at 15.5m North of the South Property Line of Lot 12.

Proposed South Portion of Lot 12, Blk 35

- Our records indicate that no water and/or sewer services exist directly off city mains.

Water and Sewer Servicing Conditions

1. **It is required under the City's Drainage Bylaw and EPCOR Water Standards that each separately titled parcel must be independently serviced with water and sewer services directly off public mains. A private water and sewer system cannot cross one separately titled parcel to service another and cannot be used to service more than one separately titled parcel.**
2. As per the Drainage Bylaw, no owner shall drain their property in such a manner as to cause or have potential to cause a nuisance, hazard, or damage to their property or to adjacent parcels. Drainage Services will determine and specify the location of release of storm water and subsurface drainage to a sewer service, an overland route, or a specific overflow point on or from the parcel. Each **new**, separately titled parcel must drain the storm water and subsurface drainage entirely to its own private drainage system.
3. **Each half of the semi-detached dwelling must be individually serviced with water and sewer services directly off city mains.**
4. **New water and sewer services will be required for the proposed south portion of Lot 12, Blk 35, directly off city mains prior to subdivision.**
5. **Any water services not being utilized by the existing structure after sub-division must be abandoned by city crews at property lines.**
6. **Any sewer services not being utilized after sub-division must be cut and plugged at property line by the owner.**
7. **The owner/developer will be responsible for relocating any water and sewer lines on private property which cross from one separately titled lot to another. Prior to subdivision, all water and sewer lines which cross from one new separately titled lot to another must be identified and relocated at the owner's expense. (Any cross lot servicing must be dealt with.)**

8. Any mainline extensions and/or water, sanitary, and storm servicing done by the city to service the above development will be subject to construction charges.

General

1. Refer to comments from other sections of Drainage Services regarding sewer main locations, capacities and/or mainline extensions.
2. Also, refer to comments from Water Engineering regarding water main locations, capacities and/or mainline extensions.
- c. Epcor, Water Services – ecirc-water@epcor.ca

May 19, 2016

File NO. LDA16-0175

Daniel Panizzon
13403 – 161 Avenue NW
Edmonton, AB T6V 0B9

Dear Mr. Panizzon:

RE: Tentative plan of subdivision to create one (1) additional residential lot from Lot 1, Block 26, Plan 4964 HW, located north of 107 Avenue NW and west of 128 Street NW; **WESTMOUNT**

The Subdivision by Plan is APPROVED on May 19, 2016, subject to the following conditions:

1. that the owner obtain a permit to demolish the existing dwelling and garage prior to endorsement of the final plan. Demolition permits can be obtained from Sustainable Development, 5th floor, 10250 – 101 Street NW; and
2. that the owner pay all outstanding property taxes prior to the endorsement of the plan of survey.

Please be advised of the following:

1. that the owner is required to make satisfactory arrangements for, and pay all costs associated with separate servicing to each lot, as well as the modification, relocation and/or removal of existing services. For further information, please contact: EPCOR Distribution & Transmission Inc. (780-412-4000), TELUS Communications (Edmonton) Inc. (Residential and Business 780-423-2500), ATCO Gas (780-424-5222) and Drainage Planning and Engineering (water and sewer 780-496-5444);
2. that the existing services (water and sanitary) enter the proposed subdivision approximately 14.1 m north of the south property line off of the lane (see attached comments from Drainage Planning and Engineering). As per the Sewers and Waterworks Bylaws, these services cannot cross the proposed property line;
3. that if power service crosses the proposed property line the owner may be required to provide a blanket easement in favour of EPCOR Distribution & Transmission Inc. If required, said easement shall be registered prior to or concurrent with the final plan (contact EPCOR Land and Administration Group at 780-412-3252);
4. that the owner shall ensure that any change in property boundaries does not cause any structures on site to become non-compliant with the *Safety Codes Act* and *Alberta Building Code*. Permits may be required for such changes. Please contact 311 for more information.

5. that the next step in the subdivision process is to have a legal instrument prepared (ie. Plan of Survey) in order to register the approved subdivision. The legal instrument is then forwarded to the City for endorsement along with the endorsement fee (\$636.00) and subsequently released to the applicant for registration at the Land Titles Office;
6. that the Subdivision Authority will not endorse the plan of subdivision or other instrument until the appeal period as prescribed by the Municipal Government Act, 2000 has lapsed;
7. that the approval is valid for one (1) year from the date on which the subdivision approval is given to the application. An extension beyond that time may be granted by the City of Edmonton; and
8. that the owner may lodge an appeal in accordance with Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, 10019 – 103 Avenue NW, Edmonton Alberta, T5J 0G9, within 14 days from the date of the receipt of this decision. The date of receipt of the decision is deemed to be five (5) days from the date the decision is mailed.

If you have further questions, please contact Stuart Carlyle at 780-496-6068 or stuart.carlyle@edmonton.ca.

Yours truly,

Blair McDowell

Water and Sewer Servicing Section
Drainage Services

The Water and Sewer Servicing Section of Drainage Services has reviewed the proposal and have the following comments.

Water and Sewer Service Information

Plan 4964HW, Blk 26, Lot 1 / 10722 – 128 Street

Proposed North Lot

- 1-20mm water service and 1-150mm sanitary service exists off the Lane West of 128 Street at 14.1m North of the South Property Line of Lot 1.

Proposed South Lot

- Our records indicate that no water and/or sewer services exist directly off city mains.

Water and Sewer Servicing Conditions

1. It is required under the City's Drainage Bylaw and EPCOR Water Standards that **each separately titled parcel must be independently serviced with water and sewer services directly off public mains.** A private water and sewer system cannot cross one separately titled parcel to service another and cannot be used to service more than one separately titled parcel.
2. As per the Drainage Bylaw, no owner shall drain their property in such a manner as to cause or have potential to cause a nuisance, hazard, or damage to their property or to adjacent parcels. Drainage Services will determine and specify the location of release of storm water and subsurface drainage to a sewer service, an overland route, or a specific overflow point on or from the parcel. Each separately titled parcel must drain the storm water and subsurface drainage entirely to its own private drainage system.
3. **New water and sewer services will be required for proposed South Lot directly off city mains prior to subdivision approval.**
4. Construction charges will apply for any new water, sanitary and/or storm services required which will be constructed by the City from the main to the Property Line.

General

1. Refer to comments from other sections of Drainage Services regarding sewer main locations, capacities and/or mainline extensions.
2. Also, refer to comments from Water Engineering regarding water main locations, capacities and/or mainline extensions.

ATTENTION: David McArthur

Dear Mr. McArthur:

RE: Tentative plan of subdivision to create one (1) additional residential lot from Lots 31U and 32, Block 1, Plan 1760 KS, located south of 91 Avenue NW and east of 144 Street NW;
PARKVIEW

The Subdivision by Plan is APPROVED on May 19, 2016, subject to the following conditions:

1. that Lot 32B be revised to 7.94 m in width to accommodate the entry location for existing services; and
2. that the owner pay all outstanding property taxes prior to the endorsement of the plan of survey.

Please be advised of the following:

1. that the owner is required to make satisfactory arrangements for, and pay all costs associated with separate servicing to each lot, as well as the modification, relocation and/or removal of existing services. For further information, please contact: EPCOR Distribution & Transmission Inc. (780-412-4000), TELUS Communications (Edmonton) Inc. (Residential and Business 780-423-2500), ATCO Gas (780-424-5222) and Drainage Planning and Engineering (water and sewer 780-496-5444);
2. that the existing services (water and sanitary) enter the proposed subdivision approximately 7.6 m west of the east property line off of the lane (see attached comments from Drainage Planning and Engineering). As per the Sewers and Waterworks Bylaws, these services cannot cross the proposed property line;
3. that if power service crosses the proposed property line the owner may be required to provide a blanket easement in favour of EPCOR Distribution & Transmission Inc. If required, said easement shall be registered prior to or concurrent with the final plan (contact EPCOR Land and Administration Group at 780-412-3252);
4. that the next step in the subdivision process is to have a legal instrument prepared (ie. Plan of Survey) in order to register the approved subdivision. The legal instrument is then forwarded to the City for endorsement along with the endorsement fee (\$636.00) and subsequently released to the applicant for registration at the Land Titles Office;

5. that the Subdivision Authority will not endorse the plan of subdivision or other instrument until the appeal period as prescribed by the Municipal Government Act, 2000 has lapsed;
6. that the approval is valid for one (1) year from the date on which the subdivision approval is given to the application. An extension beyond that time may be granted by the City of Edmonton; and
7. that the owner may lodge an appeal in accordance with Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, 10019 – 103 Avenue NW, Edmonton Alberta, T5J 0G9, within 14 days from the date of the receipt of this decision. The date of receipt of the decision is deemed to be five (5) days from the date the decision is mailed.

Water and Sewer Servicing Section
Drainage Services

The Water and Sewer Servicing Section of Drainage Services has reviewed the proposal and have the following comments:

Water and Sewer Service Information

Following is the water and sewer servicing information for the proposed re-subdivision parcels:

Proposed Lot 32A, Block 1

Our records indicate that no services exist to the proposed subdivision parcel directly off city mains.

Proposed Lot 32B, Block 1

- 1-20mm water service and 1-150mm sanitary service exist in common trench on the lane south of 91st Ave at 7.6m west of the east property line of proposed lot 32B.
- 1-100mm storm service exists on 91st Ave at 6.7m west of the east property line of proposed lot 32B.

The owner must dig and locate the existing services at property line in order to verify location and submit a survey with ALS stamp to our office prior to payment for new services.

Note: 1-375mm sanitary sewer exists within proposed lot 32A and is protected by an easement.

Water and Sewer Servicing Conditions

1. It is required under the City's Drainage Bylaw and EPCOR Water Standards that each separately titled parcel must be independently serviced with water and sewer services directly off public mains. A private water and sewer system cannot cross one separately titled parcel to service another and cannot be used to service more than one separately titled parcel.
2. As per the Drainage Bylaw, no owner shall drain their property in such a manner as to cause or have potential to cause a nuisance, hazard, or damage to their property or to adjacent parcels. Drainage Services will determine and specify the location of release of storm water and subsurface drainage to a sewer service, an overland route, or a specific overflow point on or from the parcel. Each separately titled parcel must drain the storm water and subsurface drainage entirely to its own private drainage system.
3. **New water and sewer services will be required for proposed Lot 32A directly off city mains prior to subdivision approval.**
4. Construction charges will apply for any new water, sanitary and storm services required which will be constructed by the City.

General

1. Refer to comments from other sections of Drainage Services regarding sewer main locations, capacities and/or mainline extensions.

2. Also, refer to comments from Water Engineering regarding watermain locations, capacities and/or mainline extensions.
