RE: Tentative plan of subdivision to create one (1) additional single detached residential lot from Lot 18, Block 8, Plan 4990U, located north of 112 Avenue NW and east of 126 Street NW;
INGLEWOOD

The Subdivision by Plan is APPROVED on May 25, 2017, subject to the following conditions:

1. that the owner obtain a permit to demolish the existing dwelling prior to endorsement of the final plan. Demolition permits can be obtained from Development Services; and
2. that the owner pay all outstanding property taxes prior to the endorsement of the plan of survey.

Please be advised of the following:

1. that the owner is required to make satisfactory arrangements for, and pay all costs associated with separate servicing to each lot, as well as the modification, relocation and/or removal of existing services. For further information, please contact: EPCOR Distribution & Transmission Inc. (780-4124000), TELUS Communications (Edmonton) Inc. (Real Estate Division [Rights of Way] 780-5082456), ATCO Gas (780-4245222) and Drainage Planning and Engineering (water and sewer 780-4965444);
2. that the existing services (water and sanitary) enter the proposed subdivision approximately 35.7 m north of the north property line of 112 Avenue. As per the Sewers and Waterworks Bylaws, these services cannot cross the proposed property line;
3. that if power service crosses the proposed property line the owner may be required to provide a blanket easement in favour of EPCOR Distribution & Transmission Inc. If required, said easement shall be registered prior to or concurrent with the final plan (contact EPCOR Land and Administration Group at 780-412-3252);
4. that the owner shall ensure that any change in property boundaries does not cause any structures on site to become non-compliant with the *Safety Codes Act* and *Alberta*

Building Code. Permits may be required for such changes. Please contact 311 for more information;

5. that the next step in the subdivision process is to have a legal instrument prepared (ie. Plan of Survey) in order to register the approved subdivision. The legal instrument is then forwarded to the City for endorsement along with the endorsement fee (\$649.00) and subsequently released to the applicant for registration at the Land Titles Office;
6. that the Subdivision Authority will not endorse the plan of subdivision or other instrument until the appeal period as prescribed by the Municipal Government Act, 2000 has lapsed;
7. that the approval is valid for one (1) year from the date on which the subdivision approval is given to the application. An extension beyond that time may be granted by the City of Edmonton; and
8. that the owner may lodge an appeal in accordance with Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, 10019 – 103 Avenue NW, Edmonton Alberta, T5J 0G9, within 14 days from the date of the receipt of this decision.
