## DEAR COMMONWEALTH STADIUM AREA RESIDENTS:

For 2022 Commonwealth Stadium season, parking restrictions during major COMMONWEALTH STADIUM events will be in effect during the times indicated on the schedule. During a major event, only vehicles displaying a valid permit may park in the restricted residential parking area. **Note that the event schedules are subject to change.** Refer to the following website for all events: [https://www.edmonton.ca/attractions\\_events/commonwealth\\_stadium/events](https://www.edmonton.ca/attractions_events/commonwealth_stadium/events) Please refer to the map for the highlighted areas affected by the parking restrictions.

- **Parking in restricted areas is a violation if a valid permit is not displayed on the front windshield of the vehicle.**
- **Vehicles in violation may be fined \$100.00 and towed from site.**
- **It is an offence under the Traffic Bylaw, Bylaw 5590, section 74 (\$250.00 fine) to drive across a sidewalk or boulevard where there is no curb crossing in order to park vehicles.**

To obtain a residential parking permit you must be a resident of the restricted area shown on the map, and be able to produce a valid vehicle registration documenting your residency in the restricted area. Single dwelling homes and multi-family buildings (three stories or less) qualify for parking permits. Residents can apply for a Temporary Parking Permit for guests at least one week prior to an event (temporary permits are [only](#) available online).

★ **Maximum of Two Annual Permits per address**

### The City of Edmonton Traffic Bylaw, Bylaw 5590:

**Section 37:** A vehicle shall not be parked on a highway in any location where a permit to park is required unless a valid and subsisting permit is clearly displayed on the vehicle.

**Section 37.1:** A vehicle shall not be parked on a highway in any location where a permit to park is required during major stadium events unless a valid and subsisting permit is clearly displayed on the vehicle.

### PARKING ON PRIVATE PROPERTY

Property owners selling or providing parking spaces for stadium patrons on privately owned property, like a back yard, front yard, or driveway, is strictly prohibited in residential zones. **A development permit and a business licence are required for this type of activity but cannot be obtained in residential areas.** Municipal Enforcement Officers will be in the community during stadium events to specifically deal with illegal parking lots and businesses operating without a business licence. The minimum fine for operating without a business licence is \$400, and for operating without a development permit is \$1000. For more information, please contact 311.
