June 2020 Employee Check-in

Summary Report

## June Employee Check-in

The June 2020 Employee Check-in is the City's third employee experience survey outside of the traditional biennial survey each September. This summary outlines what we heard from employees in the Legal Services branch.

The June 2020 Employee Check-in was focused on the City's response to COVID-19 and the conversations that employees have with their supervisor. Responses to these questions will be used to inform how we continue to respond to the COVID-19 pandemic and how we develop meaningful connections with our supervisors.
