Staff Profile

Landon Turlock
Community Safety Liaison
City of Edmonton
Northeast Division

Landon Turlock is a Registered Social Worker who has been practicing in Edmonton over the past seven years, with experience in restorative justice, youth work, non-profit leadership, public education, and both community and program development. Prior to his involvement as a Community Safety Liaison with NET in the Northeast Division, he worked to collaboratively build community capacity to prevent hate-motivated violence. He hopes to apply a community-driven social justice lens to his role in the Northeast Division as a Community Safety Liaison.
