

## Construction Notice: Valley Line West LRT

### AREA 7

#### Construction Work – Anthony Henday Surveying and Borehole Testing

- On or around April 27, 2021, crews will be verifying local ground conditions in the area of 87 Avenue and Anthony Henday Drive.
- Marigold Infrastructure Partners will be taking underground samples that will provide important data to guide the design and construction of the LRT infrastructure.

#### 87 Avenue and Anthony Henday Drive

- This work will occur during off-peak hours (9 a.m. – 3 p.m.)
- Crews will begin by surveying the area on April 27; this is expected to last approximately two days. Borehole drilling will follow.
- Borehole drilling is expected to begin on May 3 and will last approximately one week.
- This work will occur on the boulevard beside traffic, however, periodic closures of the shoulders adjacent to the work will be required.

- Every effort will be made to reduce the impact to the public.
- Pedestrian traffic will be maintained.
- During boring there will be some limited engine noise.

*The information in this bulletin is current to April 22, 2021. Please note that all dates are approximate and weather-dependent. We thank you for your patience during construction of the Valley Line West LRT project.*
