

ROYAL GARDENS Neighbourhood Renewal PROJECT OVERVIEW

Edmonton

January 2019

BUILDING GREAT NEIGHBOURHOODS

BUILDING ROYAL GARDENS

Design for the Royal Gardens Neighbourhood Renewal is now complete. Starting this spring, Royal Gardens will see the replacement of its aging collector and local roadway surfaces, street lights and sidewalks as part of the City of Edmonton's Neighbourhood Renewal program for mature neighbourhoods. A dedicated City branch, Building Great Neighbourhoods, explored opportunities for redevelopment in other City-owned areas within the community, including green spaces and parks. The final designs include certain desired upgrades and enhancements in coordination with the Neighbourhood Renewal program. The reconstruction in Royal Gardens is expected to be a 2-year renewal, beginning in 2019 with anticipated completion in 2020.

Feedback collected through previous public engagement events and surveys since January 2018 has influenced and shaped the final design, which includes:

- Upgrades to residential streets, including measures to slow traffic
- Improvements to existing bike routes
- Park and green space enhancements
- Improvements to pathways and walking connections

LOCAL IMPROVEMENT - SIDEWALK RECONSTRUCTION

Property owners should have received a local improvement package dated January 14, 2019 in the mail. This package includes information for property owners to decide on whether they would like to proceed with the sidewalk reconstruction or not. If the property owner does not wish to proceed with the sidewalk reconstruction, they must complete and return the petition form included in the package within 30 days to petition against the local improvement. For property owners in Royal Gardens, the deadline for the petition is February 13, 2019. More information is available on the website at edmonton.ca/localimprovements.
