

# STREET NETWORK

## Main Street

- Pedestrian-oriented
- Active retail & entertainment uses
- Fully or partially closed to traffic
- Central median for use as a public open space

## Primary Street

- Major north-south connection and access point to the site from 109 Street and 23 Avenue

## Secondary Streets

- Support residential and mixed use development
- Access locations for parkades and service vehicles

# MOVEMENT NETWORK

- **Grid Network** of streets
- **Main Street** is a **Shared Use Street** which prioritizes pedestrian and bicycle traffic
- **Traffic calming measures** to address pedestrian safety
- **Multi-use Trail** connections to Transit Centre and existing trail system
- **Crosswalk** across 109 Street connects the site to Ermineskin Park

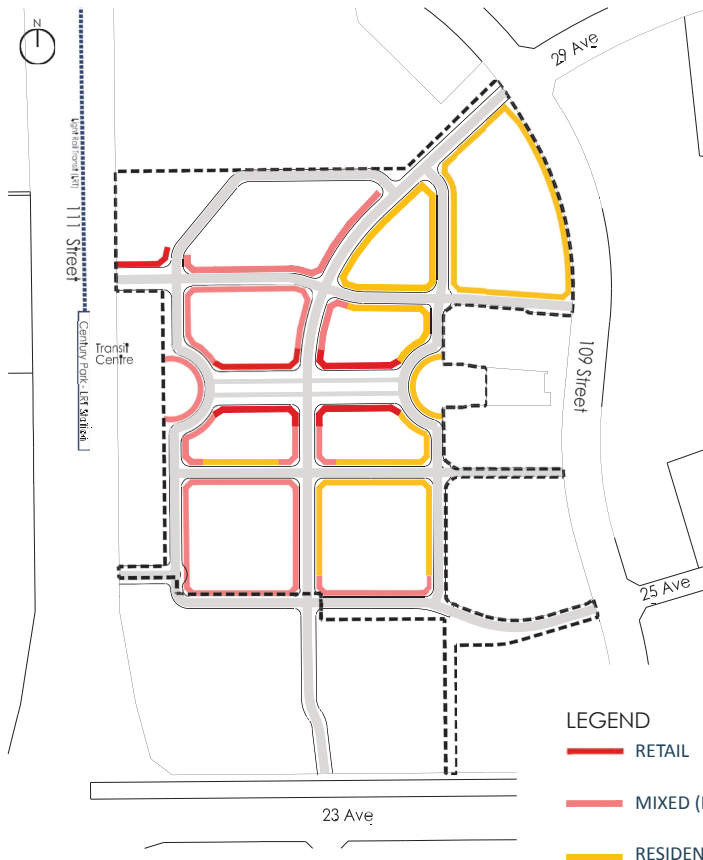

## LEGEND

SHARED-USE STREET	WALKWAY CONNECTION
