

## Change for Climate tent

Display measures  
10 ft x 10 ft x 11.5 ft tall at  
the centre point

It comes in 5 pieces:

- Tent frame
- Roof
- Walls X 3

It is ideal for displays that will be  
up for a length a time, at least 4  
hours, or more.

It takes minimum 3 people to set  
it up and tear it down. About 25  
minutes set-up and 20 to take  
down.

To borrow the tent, contact:
