

## Construction Notice: Edmonton Valley Line West LRT

### Lewis Farms Borehole Testing

- Effective January 18, 2021, crews will be verifying local ground conditions by drilling geotechnical boreholes at Lewis Farms Transit Centre in Edmonton.
- Marigold Infrastructure Partners will be taking underground samples that will provide important data to guide the design and construction of the LRT infrastructure.

### Construction Area – Lewis Farms Transit Area

- The work is taking place at the Lewis Farms Transit Centre starting on January 18 until January 28;

- There will be four holes in the parking area. This may impact transit users;
- There will be signage present to address parking impacts;
- Every effort will be made to reduce the impact to traffic flow;
- Work time is scheduled to be between 8:00 AM and 5:00 PM; and
- During boring there will be some limited engine noise.

*The information in this bulletin is current to January 15, 2021. Please note that all dates are approximate and weather-dependent. We thank you for your patience during construction of the Edmonton Valley Line West LRT.*
