Welcome
Consultation Session
July 24, 2011

Agenda

www.edmonton.ca/LRTProjects

- Translation services
- Welcome comments
- Agenda review
- Meeting purpose
- Roles & responsibilities
- Project status & focused consultation process
- World café & world café report out
- Next steps

A stylized white outline of a city skyline is positioned at the top of the slide, set against a dark olive green background. The skyline includes several rectangular buildings of varying heights and a prominent pyramid-shaped structure with a grid pattern in the center.

Meeting Purpose

www.edmonton.ca/LRTProjects

- Re-engage with the local community/property owners (102 Ave./102A Ave. b/w 95 St. and 97 St.)
 - Focus on the study area & relevant options
- Gain understanding of local concerns & opportunities
- Draw out ‘your’ thoughts on strengths, weaknesses, opportunities, & challenges
- Be open to new ideas, options, & listen
- Minimize discussion on LRT
