

Construction Notice: Valley Line West LRT

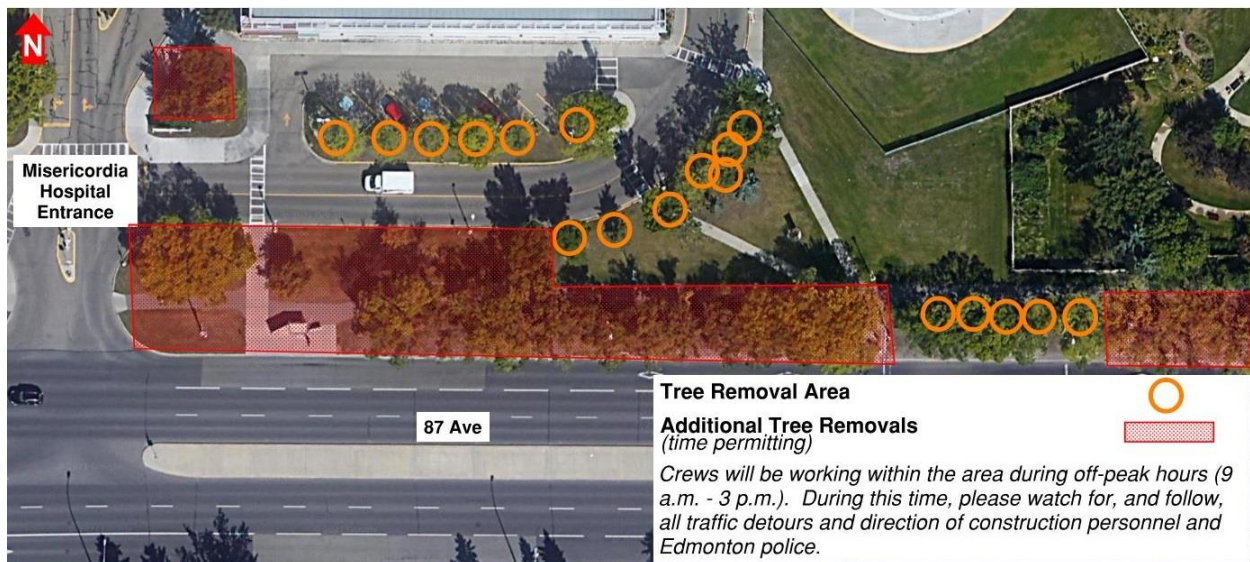

Tree Removals at Misericordia Hospital

AREA 6

On or around August 26, Marigold crews will remove several trees on the grounds of the Misericordia Hospital near 87 Avenue near 169 Street. Trees are being removed to accommodate the construction of the Valley Line West LRT. In the map below, the trees within the orange circles are required to come down immediately. The trees within the red area also need to be cleared, however, if they are not removed at this time, they will be removed after October 1.

This work will occur during daytime hours (9 a.m. – 3 p.m.) and is expected to last two days. Traffic will not be impacted by this work.

87 Avenue and 169 Street

To accommodate this work, the public will be impacted in the following areas:

- This work will occur during daytime hours (9 a.m. – 3 p.m.).
- Tree removals are expected to take two days to complete.
- All trees will be removed by a professional arborist.
- Marigold will reduce noise as best as possible.
- Pedestrian, vehicle, and ETS access will not be impacted.

*With respect to tree removal:

- Each tree affected has been assessed, recorded, and assigned a value by the City and Marigold.
- Under the City of Edmonton's Tree policy, Marigold will be compensating the City for each tree being removed.
- Marigold is committed to removing as few trees as possible. In fact, as crews move through the areas, they have already been able to reduce the number of trees to be removed in some locations.
- There will be a full landscaping plan that will see plantings of new native trees and shrub to the area as part of the project.

The information in this bulletin is current to August 19, 2021. Please note that all dates are approximate and weather dependent. We thank you for your patience and understanding during the construction of the Valley Line West LRT project. Marigold Infrastructure Partners is excited to be a part of Edmonton's economic recovery.
