We invite those working in any two-dimensional medium to submit proposals to show their work. We are seeking to highlight artists in Edmonton and area. Exhibits are on display for 4 – 6 weeks in duration. The exhibit area is located on the north side of the Conservatory's central atrium, the area to which visitors return after visiting each pyramid. It is approximately 6 feet high and 36 feet long and is composed of white painted board with magnetic paint. The facility provides the hooks with which to hang art works.
