

Neighbourhood Empowerment Team

Staff Profile

Lane Gagnon
Youth Liaison
The Family Centre
Southeast Division

Lane has worked as a Youth Liaison with the Neighbourhood Empowerment Team (NET) for six years now. She holds a Bachelor of Education degree and has worked with young people in multiple capacities for the better part of 15 years. She believes in the power of relationship building and advocates to make sure youth's voices are heard. She is passionate about bringing people together to create sustainable change.

During her time with NET, Lane has led projects that focus on the needs of the LGBTQ2S+ community and young people experiencing homelessness. She has also worked with youth who engage in high-risk behaviours to help them reach their true potential.

Lane thrives when she can engage, support and empower people to be the change!
