

KNOWLEDGE

Action 1

PRIORITIZE INFILL AT KEY NODES AND CORRIDORS

Nodes and corridors have been selected, prioritized, and integrated into the City Plan, Edmonton's new Municipal Development Plan (MDP). You can learn more about the City Plan [here](#).

This action is set to be completed with the completion of the City Plan project in 2020.

Status: In Progress

Action 2

REVIEW INFRASTRUCTURE CAPACITY TO SUPPORT INFILLS

Priority nodes have been integrated into the City Plan during Action 1 will undergo an analysis of infrastructure systems. The City is working with EPCOR and other stakeholders to catalogue utility information within these priority areas. Work has begun to retain a consultant to complete a detailed infrastructure analysis of each node.

This action will be completed in 2021.

Status: In Progress

Action 3

INVESTIGATE OPPORTUNITIES FOR TINY HOMES

On December 9, 2019 amendments to the Zoning Bylaw to remove regulatory barriers to tiny homes will be presented to City Council. You can find out more about the Tiny Homes Zoning Review [here](#).

This action is in progress.

Status: In Progress

Action 4

RE-EXAMINE COLLECTIVE HOUSING REGULATIONS

On July 15, 2019 amendments to the Zoning Bylaw were passed to increase the supply of affordable and permanent supportive housing. These amendments apply a human rights based approach to land-use planning and improve the safety of groups homes.

This action is complete.
