

## Construction Notice: Edmonton Valley Line West LRT Borehole Testing on 87 Avenue Between 180 Street and 182 Street

- On or around March 16, 2021, crews will be verifying local ground conditions on 87 Avenue between 180 Street and 182 Street. This work is expected to last three days.
- Marigold Infrastructure Partners will be taking underground samples that will provide important data to guide the design and construction of the LRT infrastructure.

### 87 Avenue Between 180 Street and 182 Street

- Work will occur near the sidewalk on the south side of 87 Avenue between 180 Street and 182 Street.
- This work is expected to occur during off-peak hours 9 a.m. - 3 p.m.
- Pedestrians will be rerouted onto the boulevard.
- Signage will be present to guide pedestrians during construction.
- During boring there will be some limited engine noise.
- Every effort will be made to reduce the impact to the public.

*The information in this bulletin is current to March 12, 2021. Please note that all dates are approximate and weather-dependent. We thank you for your patience during construction of the Valley Line West LRT.*
