

## Construction Notice: Valley Line West LRT

### Utility Relocations on 156 Street/Meadowlark Road between 87 and 92 Avenue AREA 5

Starting on or around September 27, 2021, Marigold crews will begin relocating the utility line along Meadowlark Road/156 Street between 87 and 92 Avenue. The utility line will be shifted from the middle of Meadowlark Road/156 Street, toward the west service road. This work will progress from south to north and is expected to last approximately one week on each block.

To accommodate this, residents can expect temporary parking bans on the service road, periodic lane reductions on Meadowlark Road/156 Street down to one lane in either direction, and pedestrian detours to the east side of the road. This project will occur during daytime hours (7 a.m. – 9 p.m.) and is expected to last two months.

#### **To accommodate this work, the public will be impacted in the following areas:**

- This work will occur during daytime hours (7 a.m. – 9 p.m.).
- Crews will work from south to north.
- Work is expected to last approximately one week on each block.
- There will be parking restrictions in place while the work occurs.
- Traffic on Meadowlark Road/156 Street may be temporarily reduced to one lane in either direction.
- Pedestrian traffic will be maintained; however, it may be detoured to the east side of the road.
- ETS access will be maintained.
- This work is expected to last two months.
- Marigold is aware of the residences in the area and will reduce disturbances as best as possible.

*The information in this bulletin is current to September 20, 2021. Please note that all dates are approximate and weather dependent. We thank you for your patience and understanding during the construction of the Valley Line West LRT project. Marigold Infrastructure Partners is excited to be a part of Edmonton's economic recovery.*
