

Construction Notice: Valley Line West LRT Overnight Utilities Work on 87 Avenue at 169 Street

On or around September 24, 2021, Marigold Infrastructure crews will be working to relocate the storm sewer line on 87 Avenue at 169 Street.

Crews will begin the work in the middle of the road on 87 Avenue and progress northward into the Misericordia Hospital grounds. To accommodate this, traffic on 87 Avenue between 165 Street and 170 Street will be shifted to the outside lanes and reduced to one lane in either direction. Once complete, crews will move north, closer to the hospital. At this time, a second eastbound lane will be opened, and westbound traffic will be shifted to the south side of the road.

This work will begin Friday at 7:00 p.m. evening and last throughout the weekend. All lanes will reopen at 6:00 a.m. Monday morning.

87 Avenue between 165 Street and 170 Street

- The inside lanes on 87 Avenue will be closed between 165 Street and 170 Street
- This work will occur during overnight, daytime, and off-peak hours
- This work will require the use of a hydrovac truck, therefore there will be noise associated with this work. Crews will make every effort to complete the more disruptive works earlier in the shift, where possible.
- Access to Misericordia Hospital will be maintained at all times.
- Pedestrian access will be maintained.
- Access to ETS Bus Stops will be maintained.
- Every effort will be made to reduce the impact to the public.
- This work is expected to last one weekend.

Marigold Infrastructure Partners is committed to following all City of Edmonton bylaws and regulations and has obtained an overnight roadwork permit so that work can take place during nighttime hours in order to minimize major daytime traffic disruptions.
